NEW BUSINESS

Coaching Education Courses:

NCYSA will be hosting a National Youth License (NYL) course in Raleigh on two consecutive weekends – June 1-3, 2012 and June 9-10, 2012. All information is posted on the NCYSA website.

Redesigned E and D courses:
New E course will have a minimum of 14 and a maximum of 28. The participants will complete the online portion prior to course weekend.
New D comes out in January 2013.
No more waivers to the D. Must complete the E.

Would there be support to push forward a proposal that you must have a certain license to coach at a certain level? Would that be something that NC would want to mandate like other states do?
If you feel that would be supported, email Bill at coach@ncsoccer.org.

ODP:

The State Select standing committee meeting will meet soon. The 2013 calendar is in the schedule so that NCYSA can discuss the idea of blocking out select Classic play dates that correspond with ODP dates so that players don't have to choose. Please get Bill your thoughts on this idea, coach@ncsoccer.org.

Top Soccer:

The USYS AGM was this past week in Boston, MA. They announced the Top Soccer Buddy of the Year. Bill would like for you to submit your members of your organization that work with TOP SOCCER that you feel would be good candidates for this recognition.

NCYSA will host a Buddy Clinic on Wednesday, February 22, 2012 at TCYSA at BB&T.

Soccer Across America:

NCYSA is working to get a pilot program started in NC. This program is to assist our organizations in reaching out to specific groups such as inner city groups or other communities to become members of NCYSA.
Bill will be conferencing with the director of this program and also the DOC from Kentucky to help jumpstart the beginnings of a program for NC.

NC Youth Academy Showcase:

TCYSA will be hosting the NC Youth Academy Showcase on May 11-13, 2012. There will be a coach's social on Saturday night. The program is growing across the country. We,(NC), are helping other states with their programs.

Recreation:

We have a new VP of Recreation, Rick Pierce. Rick is the former association President of Lenoir Youth Soccer Association.
The Sideline Beacon has been a successful tool to reach out to coaches across our state. We will be adding a column from Rick Pierce.

If you want anything to go into the Sideline Beacon, email coach@ncsoccer.org.

Recreation Regional DOC/Liaison meetings will start up again soon. The Fall 2011 report is in your packet. Overall, the meetings were well attended and a beneficial fact finding experience to help NCYSA better serve its members.
The timeline of the upcoming meetings will be mass-emailed to the associations each week until they are complete. NCYSA is looking to make the meetings more THEME based not that we have more information to guide the program in the direction our members would like.

Bryce Kenny spoke about the Recreation Regional events. He explained the two formats that will be used: Tournament and Showcase style.
Go to www.ncstatecup.com to find the dates of the locations and further information.
John Cirillo suggests coming up with another name instead of Showcase because there are not State Cups at the U11/U12.

-They are looking to conduct seminars around the state in order to have less experienced referees come to a training session. The NCSRA is looking for feedback on whether associations would like to host these seminars. Please email Steve Halstead at shalstead@ncsoccer.org or Bill at coach@ncsoccer.org if you are interested in helping or have any feedback.
