Meeting called to order at 6 p.m.

Minutes from the April board meeting were approved as submitted.

PRESIDENT'S REPORT

Forms have been filed for High School and Bay Trail field use

Goal posts not up yet at Bay Trail and some High School fields –concern was expressed over whether posts would be up in time for the first games at those locations

Tryout dates will be Saturday, September 8 and Saturday, September 15

Indoor time - We have a verbal commitment from Brighton Sports to add 8-9 a.m. on Saturdays for the 26-week period Nov-Apr. The off-peak rate (\$170) applies. Waiting for report from Thurston regarding time at WSA/Premier.

A committee is needed to organize, plan, address and track the club's need and usage of indoor practices and locations

TREASURER

Budget update

Updated info on K4K donations

Suggestion for the Coaching committee to have a date after which coaches can no longer submit for fee reimbursement. Presently there is no limit as to when the form can be submitted and so it can create an accounting issue when a reimbursement for the past season is paid from the next budget year

Referee fees will be sent out to teams before the first game

FIELD COORDINATOR

Town Hall fields are all open, lined and have goals/nets set up. Many thanks to Simon, Rui, and the Rangers/Strikers volunteers for getting the nets up so quickly. Note: North goal on TH #3 is awaiting additional Kwik-Goal clips from Penfield Rec before net can be hung. Should be completed this week.

PCC #13A & #13B are lined and waiting for goals to be set out. Bay Trail #3 is expected to be lined this week. Lundy coordinating net hanging on these fields.

Remaining fields remain open for practice and will be lined for soccer pending completion of scholastic spring sports.

League schedules are final, see RDYSL website for official dates/locations. The final field schedule will be posted this week (coaches may use for planning practices).

A new field coordinator will be needed next year. No volunteers came forward this spring despite posting on the website. I will put together a summary of responsibilities for this position and submit it for posting

D. Vadas has volunteered to place corner flags for Kicks for Kids on fields and remove them at the end of the event . Teams will not have to bring their flags

WEBSITE COORDINATOR

D. Skrtic will research the possibility of document sharing/storage through our present hosting service.

V. Hansen will advertise for 2008 coach applicants on the website

OTHER BUSINESS

\$15K grant was received from Assemblyman Koon's office. \$5K for Rothfuss Park, \$5K for training and \$5K to offset the cost of indoor time

Teams that held scrimmages after team photos had very favorable responses from coaches and parents
