are full.

**Vice President- Sharon Morgan**

Coach appreciation event will be held 3/13.

Exit interviews with coaches are under way.

**Team Director- Jeff Teal**

Getting feedback on the season. Working on ideas to improve  
next year.

There was some discussion regarding several squirt teams which had losing records  
and how we determine the amount of B and C teams. We do use a formula from District  
6 in the number of B and C teams we have. The formula works well in most years.

There also was some feedback that teams can have fun and players can develop even  
if losses exceed wins.

**Mite Director- Rob Hoerauf**

The mite mania went well last week and the mite Jamboree is this weekend at Pagel.

**Registrar- Chris Evans**

Chris is actively involved in the U14 and U19 state tournaments Minnetonka is hosting this weekend.

**Equipment- Andy Akins**

Several equipment drops have been scheduled.
