

Dear PYHA Association,

Please consider this letter as intent to be on the board. My husband Matt and I have lived in Princeton for 7 years. We both grew up in Princeton and graduate from PHS. My husband grew up playing hockey for PYHA. I grew up skating on the lakes and take some figure skating lessons. I was a hockey cheerlead all through high school and love supporting the sport.

Our son Gavin is finishing his second year as part of the PYHA youth program, he is 6 years old and loves hockey. We also have a daughter, Isabel who is 3 and is excited to play hockey some day.

I joined the board as a interim member in Dec of 2011 and have learned a lot and see the need we have as an association to have additional board members helping out.

Thank You – Karie Skarohlid
