

Hockey Team Guidelines

To help ensure that your stay will be safe and enjoyable for both your group and other guests, we ask that you adhere to the following guidelines. Noncompliance may result in one or more of your group being asked to leave. We thank you for your cooperation.

1. "Quiet Time" for our lodge is 12:00am – 7:00am
2. A hallway, public area curfew has been set for 10:00pm for all children unattended by an adult
3. Running in the hallways, up and down the stairways and in public areas is not permitted
4. We ask that alcohol consumption takes place in your personal room, pool area (no glass) and complimentary hospitality room, not the hallways or public areas.
5. Parents, coaches and team managers are responsible for the actions of the group/children, which includes payment of any damages incurred during your stay. Inappropriate behavior that is not corrected will result in parties being asked to leave the lodge without refund.
6. Adult supervision is required in the pool area. Pool hours for children are 7am-10pm. All children under the age of 18 must be out of the pool area by 10:00pm.
7. Only registered guests are allowed in the rooms and may have use of the facility
8. Our guest rooms are not meant for parties. Your complimentary hospitality room is designed for all your social gatherings and meetings. If anyone is using a guest room as a party room and disturbing other guests, they may be asked to leave.
9. In the past, we have experienced damages from "playing hockey" in the hallways and public areas. Therefore, we ask that knee hockey is only played in your complimentary hospitality room
10. Please do not sharpen skates in the guest rooms or any room of the lodge
11. If we are required to compensate other guests due to disturbances caused by your hockey team/children, parents will be billed to cover these costs.

We appreciate your attention to these guidelines and look forward to a pleasant stay for both your group and all our other guests.
