Buffalo Wild Wings/Komet's Night – 1/21

Why not treat mom or dad to a night on the town, take advantage of discounted kid's meals, and support our great Club?

Join us for "Komet Night" at Buffalo Wild Wings on Monday, January 21st

Simply mention the Kenosha Komets Fundraiser to your server--no flyer needed. Kids are special at BWW on Mondays—enjoying kids menu items for only \$1.99 and special activities to keep them busy.

BWW has generously offered to donate 10% of each bill to our Club! Friends and family members can also participate—remind them to mention Kenosha Komets Fundraiser. Offer is good all day, including lunch and carryouts!

Our last Red Robin "Komet Night" raised \$291.09! **Great job Komets!!**

Volunteer Hours – Deadline approaching!

Our Club relies on its volunteers to operate effectively. Per the MEMBERSHIP VOLUNTEER POLICY in the KBLHC Handbook, each Club family is required to volunteer 20 hours per season, or pay a \$400 volunteer hour buy-out. **All volunteer hours must be completed by April 1st** (no foolin').

DON'T BE LEFT IN THE GOLD!

Failure to complete the volunteer hour requirements will result in your family's account being charged \$400 (or \$20 for each non-completed hour). This policy will be strictly enforced.

We still have needs on ALL of our committees. If you are looking for hours, please contact the committee chair(s) that match your skill set and find out about current needs. Act fast, time is running out!

Skate 4 Kait Benefit – Saturday, January 26th

Kaitlyn Zolper was a 24 year old Kenosha native who lost her courageous battle with melanoma cancer on December 30th, 2012. In the true spirit of our hockey community, we invite you to help raise funds to help offset medical costs and promote melanoma awareness. Please join us for an evening of food, fun and hockey, as we *Skate 4 Kait*.

Team Concussion Baseline Testing

For the families who took advantage of the team concussion baseline testing, your child's baseline results are available in the event of injury by contacting Matt Barber.

As soon as you have an appointment scheduled, be sure to give Matt a call immediately. It will speed up the process and allow him the time to get the information to your doctor before your appointment. If you have any further questions just give Matt a call.
