

DYBSA Move-Up Policy

DYBSA considers move-up requests for our t-ball, coach pitch, and Willie Mays (in-house) baseball levels ONLY. Softball move-up requests are considered individually per request. To submit your request, please follow the process below. The DYBSA does not allow players to move up within the traveling baseball levels.

Visit the “Level of Play” description on our “Team” page for more details regarding eligibility at ALL age levels. Please contact us at dybsainfo@gmail.com if you have any questions about your child’s eligibility.

DYBSA Move-Up Request Process

The DYBSA encourages all players to play at their appropriate age level to ensure the safety and enjoyment of all players. With that in mind, we realize that some families are interested in having their child(children) move up to the next level of play. For this reason, we ask you to follow these steps to request a move-up for your player(s).

1. Register your child on-line using the level of play that appears for their age.
2. Send an e-mail request to dybsainfo@gmail.com, asking for the level you would like your child to play.
3. The DYBSA board will review requests and follow up with families individually. Additional fees may be required if and when the move-up is approved.

Please understand that due to a high volume of move up requests at certain age levels, a safety evaluation may be held during the spring to determine each player’s appropriate level of play.

Sincerely,
the DYBSA board
