

MONTICELLO SOCCER CLUB

NON MYSA SANCTIONED EVENT POLICY

Teams that participate in non-MYSA sanctioned events, that register a team under the Monticello Soccer Clubs name, must receive written approval from the Monticello Soccer Club Board of Directors, **PRIOR** to registration for the event.

Participation in an MYSA sanctioned event requires that the teams participating in such event abide by MYSA rules and these teams are subject to MYSA sanctions in the event that rules/policies pertaining to the teams are violated. In non-MYSA events a policy needs to be in place for those teams playing under the MSC name.

To protect the interest and reputation of the MSC, any teams that participate in non-MYSA sanctioned soccer events, which include- but are not limited to: indoor winter leagues, under the MSC name, must receive a letter of approval from the Board of Directors prior to registering for said event. This policy also applies to teams that wish to wear the official MSC jersey or use the MSC River Eagles name on a different Jersey. By receiving such approval the team is agreeing to abide by the rules/policies of the event sponsor and also the MSC.

In the event that violations of MSC rules/policies occur during the event, the Board of Directors of the MSC has the right to sanction teams or individuals during the next season of soccer sponsored by the MSC, (i.e. summer competitive or fall competitive league play).

This policy applies to players and those individuals acting as coaches, whether volunteer or paid.

When a team is requesting permission to use the MSC name for registering a team they must provide a list of players that will participate in the event and the coach of the team. This information must be sent to the Board of Directors President who will either grant or deny permission to register under the MSC name and/or wear the MSC jersey and provide written notice of the permission.

Teams/individuals that violate this policy may be subject to sanctioning, which may include refusal to allow play/participation with the MSC during the next soccer season.
