

Grand Cities Lacrosse Association

Board of Directors Application

Thank you for your interest in serving on the Board of Directors for the Grand Cities Lacrosse Association. This form is the first step in the nomination process for our annual Board elections. Board members play a vital role in shaping the direction of our program, supporting our athletes, and promoting a positive, inclusive lacrosse experience for all families.

Per the association bylaws, the Nominating Committee aims to present a ballot with at least two more nominees that open board positions. All nominees must be members in good standing and must accept their nomination in writing – this form fulfills that requirement. The Nominating Committee will review all applications and finalize the official ballot for election. Voting will take place via an online system, with one vote permitted per household.

If the number of nominees does not exceed the number of available positions, the Board may vote to confirm and elect the applicants without a general election.

Please complete the following application to express your interest and share more about your background and potential contributions. We appreciate your commitment to our lacrosse community! Email completed form to grand.cities.lacrosse@gmail.com.
