Section 8.3 Unified Procedure.

(a) General. Except as may be permitted in Section 8.4 below, no Party may be suspended from participation or otherwise disciplined for any alleged violation of the Rules and Regulation, Policies, Codes of Conduct and Ethics, of USA Hockey, NYS Hockey or a Disciplinary Authority in the New York District, unless a hearing has been held prior to the Discipline being taken according to the provisions of this Unified Procedure. A Party or other person within the jurisdiction of NYS Hockey may be subject to Discipline in accordance with this Unified Procedure for violation of the Applicable Rules or for conduct unsuitable for the sport of ice hockey. With respect to Administrative Actions, a Party is entitled to contest an Administrative Action that has been made with respect to that Party. Where a writing is required, such may be made by email.

(b) Purpose. It is the purpose of this Unified Procedure to provide Parties a fair hearing: (i) prior to being subject to Discipline, which shall include reasonable notice of the grounds for the proposed Discipline; and (ii) to contest an Administrative Action that has been made. The hearing shall include reasonable opportunity to prepare and present their case and argument in accordance with these rules, including the opportunity to call witnesses and present evidence, the opportunity to see all evidence intended to be used at the hearing, to have witnesses questioned pursuant to the rules adopted by the hearing panel, and to be assisted by counsel at the hearing.

(c) Hearing Procedure.

(i) Hearing Panel. The Disciplinary Authority considering issuing any Discipline, or upon demand by a Party contesting a suspension or other disciplinary action where no hearing was held, or desires to contest an Administrative Action, shall appoint a hearing panel of a minimum of three reasonably disinterested and impartial persons to conduct the hearing. In cases involving the discipline of referees or coaches, the New York District Referee-in-Chief or Coach-in-Chief, as appropriate, or his/her designee, shall serve on the hearing panel if so appointed.

(ii) Hearing Timing. The hearing panel shall hold the hearings no later than thirty (30) days after its appointment unless a later date is agreed upon by the Parties and approved by the hearing panel.

(iii) Hearing Notice. Not later than seven (7) days before the hearing date, the hearing panel shall provide written notice to all interested Parties of the time and place of the hearing,

the manner in which the hearing will be conducted, the grounds for any proposed suspension or discipline, or to contest an Administrative Action, the possible consequences of an adverse finding, and the issues to be resolved by the panel; provided, however, that only the Party subject to the hearing may waive such seven (7) days' notice but such waiver must be in writing.

(iv) Hearing Location. Subject to the provisions of the following subsection (v), the hearing panel shall make every reasonable effort to convene the hearing in a location accessible to all the Parties.

(v) Conduct of Hearing. The hearing panel may in its discretion hold a formal or informal hearing, in person or by telephonic conference call or video conference, hear any evidence it believes is relevant to the issue(s) before it, place limits on time, evidence and documentation, have witnesses or written statements and establish other hearing rules so long as the Parties are informed of the established procedures, each Party has a reasonable opportunity to present its case and argument in accordance with the hearing panel's rules, and each Party is treated in a substantially equal manner. The Rules of Evidence in judicial proceedings shall not apply in the hearing. The Parties may be represented by counsel of their choosing at their own expense, provided that the hearing panel may set rules for the involvement of counsel in the hearing. If the hearing panel has not made arrangements for a record of the proceedings, a Party may at its own expense create a stenographic or other record of the proceedings (but excluding a record by video) and must inform the hearing panel prior to the hearing of any arrangements so made. A copy of any such record created by or for a Party shall be provided at such party's cost to the hearing panel. Other Parties will be permitted to secure a copy of the record in the normal course at their own expense.

(vi) Burden of Proof.

(A) Suspension and Discipline. In order to impose a suspension or discipline, the hearing panel must make a finding supported by a preponderance of the evidence (*i.e.*, more likely true than not true) that the Party violated an Applicable Rule. The Disciplinary Authority proposing the Discipline shall have the burden of proof and shall present evidence to support the suspension or discipline by a preponderance of the evidence.

(B) Administrative Action. When an Administrative Action is contested, the burden of proof shall be on the Party challenging the Administrative Action to prove by a preponderance of the evidence that that the Administrative Action was made in an arbitrary or capricious manner or was not supported by the facts. In a contest of an Administrative Action, only the evidence presented to or considered by the Party taking the Administrative Action shall be presented and considered by the hearing panel.

(vii) Decision. The hearing panel shall use reasonable efforts to: (A) render its decision within five (5) business days of the completion of the hearing or the closing of the record, whichever is later; and (B) prepare and deliver a written decision to the Parties within fifteen (15) business days of the completion of the hearing or close of the record, whichever is later. The written decision shall contain findings of material facts, conclusions, the determination of the hearing panel and statement of any right of appeal a Party may have as a result of the decision. Delivery of the decision to the Parties may be made by First Class United States Mail or other delivery service or electronic mail in the discretion of the hearing panel, as permitted in Section 10.7.

(viii) Scope of Hearing Panel Decision. The decision of the hearing panel shall be: (A) in effect only for the program governed by the Disciplinary Authority; and (B) subject to appeal as set out in Section 8.5. If the Disciplinary Authority wishes to extend any suspension or discipline it imposed beyond its program, it must notify NYS Hockey through its Section President. If the suspension or discipline is imposed by NYS Hockey, or if a local Disciplinary Authority's decision is affirmed by NYS Hockey, and either wishes to extend the scope of the hearing panel's decision beyond the New York District, it may only do so by NYS Hockey submitting a written request therefor with a copy of the written Disciplinary Authority's and/or Appeal Authority's decision to the Executive Director of USA Hockey, who

will advise all other Affiliate Associations of the suspension or Discipline, and upon such notice the suspension or Discipline will be in effect for all Affiliate Associations as provided by USA Hockey Bylaw 10.C(3)(h). Notwithstanding any of the foregoing, any suspension imposed by USA Hockey, NYS Hockey or a USA Hockey Affiliate (i) for violation of the sexual misconduct policies of SafeSport or USA hockey, or (ii) that is one year or more in length, shall automatically be considered a national suspension and shall be in effect across all USA Hockey sanctioned programs.

Section 8.4 Exclusions from Unified Procedure.

(a) General. As a matter of policy, law and practicality, there are matters that at least initially do not or should not be subject to the Unified Procedure. Any matter not specifically excluded from the Unified Procedure shall be covered by the Unified Procedure.

(b) Purpose. It is the purpose of this Section 8.4 to distinguish those disputes and actions that do not require a hearing prior to imposing a suspension or discipline, or that require different procedural handling and safeguards, and to set them out separately in order to highlight any uniqueness such disputes and actions may possess.

(c) Exclusions.

(i) Summary Suspensions. A Summary Suspension may be imposed by any Disciplinary Authority only in those cases where a Party: (A) has been arrested for a crime alleged to have been committed; (B) a Party has assaulted another or violated the USA Hockey SafeSport Policy, including such abuse between adults; or (C) other violations of Policies set forth in the annual guides or comparable policies of USA Hockey or NYS Hockey that are in writing and have been approved by USA Hockey or NYS Hockey, respectively.

Any such Summary Suspension must be in writing and given to the suspended Party, and the writing shall inform the Party of his or her right to request a hearing. The suspended Party must submit a request for a hearing of a Summary Suspension within seven (7) days of the Party being notified of the suspension. Any hearing following a Summary Suspension shall be conducted according to the provisions of the Unified Procedure.

(ii) Playing Rules Suspensions. Any Playing Rules Suspension does not require a hearing except that, in the event of the imposition of a match penalty as defined in the Playing Rules, a hearing must be offered to be held as set forth in the Playing Rules, and the terms and length of the Party's suspension shall be as set forth in the Playing Rules, and the terms and length of the Party's suspension shall be as set forth in the Playing Rules unless modified or revoked by the hearing panel. Any hearing for a match penalty being imposed in a district or national championship tournament held in the New York District, the hearing will be conducted immediately after the game in question by the on-site USA Hockey personnel. All applicable game scoresheets and referee reports must be presented to the hearing panel and made available to Party subject to suspension. Any Playing Rule Suspension shall remain in force and effect and be final unless modified or revoked at a hearing, except that if the hearing is not held within 30 days of the incident together with a decision in accordance with the Unified Procedure, the suspended Party shall be automatically reinstated after the 30-day period. The failure to offer the hearing shall not prohibit the hearing body from conducting the hearing after the 30-day period and thereafter imposing further disciplinary action.

(iii) Officiating Suspensions. An official's organization or league or local supervisor of officials shall have the authority to suspend a referee up to ten (10) days without a prior hearing. An official's Association or Affiliate Organization or NYS Hockey shall have the authority to suspend a referee after a hearing (held in accordance with the Unified Procedure) or in accordance with the Summary Suspension procedures.

Any official(s) who boycotts any game(s) due to any disciplinary action taken or not taken by a Disciplinary Authority shall subject said official(s) to Discipline in accordance with the Unified Procedure conducted by the responsible Disciplinary Authority.

USA Hockey does not recognize officials' organizations. However, if any registered USA Hockey official is restricted or denied assignment eligibility for any USA Hockey game by an officials' organization (including any group of officials), except for good cause shown in accordance with such organization's written rules and then only for a very limited duration without a hearing as provided herein, then said such organization shall be subject to suspension or expulsion in accordance with the rules and regulations herein and that restriction or denied assignment shall have no effect.

A USA Hockey registered official who receives a match penalty while playing or coaching, shall also be suspended from officiating subject to a proves for review as set forth below, The official (a) shall not officiate any games pending the review, (b) shall be required to immediately notify the New York District Referee-in-Chief of the player's receipt of the match penalty, and (c) shall advise any assignors/schedulers of officials in order to be replaced in any scheduled games in the immediate future. The Referee-in-Chief shall immediately investigate the incident (including by review of the score sheet, game report and interview of the officials assessing the match penalty) and make a determination and supply a written determination as to whether the match penalty shall cause the official to be suspended from officiating while the match penalty is in effect. The Referee-in-Chief's determination shall be provided to the official in question, the President of NYS Hockey, the appropriate Section President, and the applicable assignors/schedulers. The Referee-in-Chief may make a determination (1) that the official shall be ineligible to officiate pending the match penalty hearing (or expiration of 30 days period for the hearing), (2) that the official shall be eligible to officiate pending the match penalty hearing, or (3) such possible restrictions as may be appropriate for the official's eligibility (*e.g.*, the official is restricted from certain leagues or categories of games, etc.). The decision of the Referee-in-Chief shall not be binding on the hearing panel reviewing the match penalty or any appeal therefrom. Game assignors and schedulers shall appropriately schedule replacement officials for any previously scheduled games for which the suspended official is ineligible.

(iv) Assault on Game Official. Assaults on Game Officials are violations of the Playing Rules and as such are subject to the provisions for Playing Rules Suspensions. In the event of a match penalty for assault on a game official, the offending Party shall be immediately suspended from all of NYS Hockey and USA Hockey sanctioned activity, and if such penalty is affirmed after a hearing, the offending Party shall be suspended for not less than one calendar year with a one-year calendar year Probation thereafter. In the cases of match penalties for assault on a game official, NYS Hockey or its designated hearing body, shall exercise original jurisdiction in such matter. Suspensions for assault on a game official shall be immediately reported to the President of NYS Hockey, the appropriate Section President, and the USA Hockey Registrar for the New York District. Any game official assessing said penalty shall file with the USA Hockey Referee-in-Chief for the New York District a written game report within forty-eight (48) hours of the incident. The Referee-in-Chief shall immediately investigate the incident and promptly submit a written opinion, together with the game sheets and reports to the President of NYS Hockey, the appropriate Section President, and the applicable Disciplinary Authority (typically, the Association and/or applicable league), indicating whether the incident is applicable under Rule 601(f)1 or is more applicable under a different playing rule. A copy of the Referee-in-Chief's written report and opinion shall be sent by the Disciplinary Authority to the player, team official and the game official involved. The Registrar may accept a registration subject to the terms of this suspension.

(v) High School, College Club Hockey or Other Members. A high school program or college club hockey program that is a member of USA Hockey and NYS Hockey but where membership and eligibility issues are determined pursuant to rules, regulations and dispute resolution procedures of a national, state or district interscholastic athletic organization, shall not be subject to the Unified Procedure to the extent that such organization's rules, regulations and dispute resolution procedures also address the matter.

(vi) Unified Procedures Not Applicable to Personal Injury Claims. Disputes concerning liability or damages arising from personal injury claims are not subject to the Unified Procedure.

(vii) Procedures Applicable to Financial Disputes and Participant Ineligibility.

(A) Decisions Internal to Programs. An Association or Affiliate Organization, a local league or program, and other local organizations in the New York District (collectively, for purposes of this sub-section (vii), a “**Program**”) may, pursuant to its internal procedures, determine that a player that is delinquent in dues or fees owed to the Program is not eligible to continue participating in the Program during such delinquency. Such determination shall only apply to eligibility within that Program.

(B) Disputed Claims and Extension of Ineligibility Determination to Other Programs. In the event a Program desires to cause a player to be declared ineligible to participate throughout the New York District based on a determination that the player is delinquent in dues or fees owed to the Program, such extension of the suspension or ineligibility must comply with the following procedures (for purposes of this sub-section (vii), references to a “player” who is a minor-aged player, shall also apply to that player’s parent(s) or other person(s) responsible for payment):

1. Notice Required. The Program must deliver a written notice to the player that, at a minimum: (i) describes the nature of the delinquent fees (e.g., membership dues, ice fees, equipment/uniform fees, etc.), (ii) states the amount due, (iii) advises that the player must notify the Program in writing within thirty (30) days if he/she disputes the financial obligation, and (iv) advises that, if the full amount is not paid within thirty (30) days of the player’s receipt of the notice, the Program may in its discretion seek to enforce the liability for the financial obligation and have the player deemed “ineligible” throughout the New York District.

2. Discussion Period. During the thirty (30) day period, the parties may discuss the matter and seek to amicably resolve any disputed amounts and provisions for payment. The parties are encouraged to amicably resolve any disputed debts, and if at any time the Program and player enter into a written agreement to resolve the debt and also making provisions for payment, then the player shall become immediately eligible to participate in all New York District and USA Hockey programs.

3. Financial Obligation Not Disputed. Upon expiration of the thirty (30) day period described above, if (i) the parties have not otherwise resolved the matter, (ii) the amount claimed in the Program’s notice has not been paid, and (iii) the Program has not received written notice from the player disputing the financial obligation, then the Program may request that NYS Hockey deem the players to be ineligible to participate in any Program within the New York District (which request shall include proof of compliance with ¶¶ 1 – 3 of this sub-section). In this circumstance, NYS Hockey may extend the ineligibility of the player throughout the New York District in accordance with the procedures contained in this Article VIII.

4. Financial Obligation Disputed. If the amount of the financial obligation has not been paid or otherwise resolved, and the Program has received written notice from the player that it disputes the financial obligation, then the Program may seek extension of the player’s ineligibility throughout the New York District in accordance with the procedures set forth in this Article VIII, provided that the Program shall take reasonable affirmative steps to enforce the obligation. NYS Hockey, in its discretion, may deny the Program’s request. Any determination by NYS Hockey that the player is ineligible throughout the New York District shall not be a determination that the debt is owed or the amount of such debt, but only that the player is ineligible based on the existence of a disputed debt.

5. Appeals. Any dispute about whether these procedures have been followed shall be decided by a hearing conducted by NYS Hockey pursuant to this Article VIII, and shall be appealable to the Executive Committee of USA Hockey pursuant to USA Hockey Bylaw 10.E. The hearing and appeal shall only address whether the procedures set forth in this sub-section (vii) have been followed, and shall in no way address the liability for or amount of the financial obligations.

(viii) Unified Procedures Applicable to Allegations Regarding Sexual Abuse or Misconduct.

(a) Reporting. In the event that any party under the jurisdiction of the SafeSport Center is alleged to have violated the USA Hockey SafeSport Policy prohibiting sexual abuse or

misconduct (see current edition of USA Hockey SafeSport Program Handbook and the SafeSport Center's Policies & Procedures), or in the event that USA Hockey, NYS Hockey or any USA Hockey Association or Affiliate Organization, other program or any adult party receives a report that is required under the SafeSport program to be referred to the SafeSport Center, USA Hockey, New York State Hockey, its Member Associations and Affiliate Organizations, other programs and adult parties, shall immediately report and refer such matter to the SafeSport Center. The duty to report to the SafeSport Center and its jurisdiction to investigate shall not supersede any local, state, or federal reporting requirements or jurisdiction, and shall not affect or impair the ability of any person that reports to the SafeSport Center from also reporting to the appropriate local, state or federal authorities.

(b) Investigation/Discipline/Adjudication. The SafeSport Center shall have jurisdiction and authority to investigate allegations or reports that a party has engaged in conduct defined in the SafeSport program to be within the SafeSport Center' exclusive jurisdiction, including without limitation allegations or reports of sexual abuse or misconduct and of any allegations of violations of USA Hockey's SafeSport policies that are reasonably related to and accompany a report of allegations of sexual abuse or misconduct, to issue any interim suspension or measures pending conclusion of the investigation, to make recommendations of sanctions or disciplinary action as a result of such investigation, and to adjudicate the matter according to the SafeSport Center's procedures for adjudication. The SafeSport Center shall also have discretionary authority and jurisdiction over other violations of the SafeSport Code. Neither USA Hockey, NYS Hockey, Associations or Affiliate Organizations nor other program shall engage in its own investigation or disciplinary process related to any allegations or reports that are within the jurisdiction of the SafeSport Center. However, USA Hockey, NYS Hockey and its Associations and Affiliate Organizations may issue a Summary Suspension under Bylaw 8.4, which shall be effective until such time as the SafeSport Center has exercised jurisdiction over the matter and made a determination related to a person's eligibility pending the investigation and adjudication process, and may issue other protective measures less than a suspension that are necessary or appropriate to address the safety of parties in USA Hockey programs.

(c) Appeals. There shall be no appeals of any decision adjudicated by the SafeSport Center except through arbitration with the applicable arbitration body in conformance with the applicable SafeSport, SafeSport Center and other applicable governing documents in effect at such time.

(d) Enforcement of Sanction Imposed by the SafeSport Center. Upon the issuance by the Safe Sport Center of any interim or permanent suspension, disciplinary action, sanction or other measures, after conclusion of the adjudicative process or by agreement with a party subject to suspension or other sanction, USA Hockey, NYS Hockey and its Associations and Affiliate Organizations and other programs shall enforce such suspension, measures or other sanctions, including those issued by the SafeSport Center arising from allegations outside of USA Hockey programs.

(e) Related SafeSport Violations. The delegation of authority and jurisdiction to the SafeSport Center as set forth above, and the restriction on USA Hockey, NYS Hockey and its Associations and Affiliate Organizations and other programs, shall also include the investigation and issuance of sanctions related to allegations of other violations of USA Hockey SafeSport policies (e.g., physical abuse, emotional abuse, bullying, harassment and hazing) that are reasonably related to and which accompany an allegation that involves sexual abuse or misconduct, or matters that do not involve sexual abuse or misconduct which the SafeSport Center has exercised jurisdiction over in its discretionary authority.

Section 8.5 Appeals.

(a) Right to Appeal. Any Party that is suspended, otherwise disciplined or subject to an Administrative Action may, after a hearing or failure to have a hearing in accordance with the Unified Procedure, appeal such action as follows:

(i) Suspensions. Playing Rule Suspensions or suspensions for violations of bylaws

and/or rules of an Association and/or applicable league, may be appealed, as applicable, to the next higher authority, that being to the responsible Section President and then to the Board. Upon the written appeal of any Party whose suspension has been upheld by the Board, the Executive Committee of USA Hockey shall allow an appeal of such suspension to be determined by it pursuant to the provisions of USA Hockey Bylaw 10, provided that the appealing party shall have the burden of production and of proving that the Board committed a gross abuse of discretion.

(ii) Appeals Not Involving Suspensions. Appeals of Administrative Actions or other disciplinary action which do not involve suspension shall be appealed to the responsible Section President and then to the Board. Pursuant to USA Hockey Bylaw 10, there shall be no further appeals of Administrative Actions or other disciplinary actions not involving a suspension from the decision of the responsible Section President or the Board.

(iii) Officials. Officials may appeal a suspension, other disciplinary action or an adverse administrative Action if by an officials association, by the USA Hockey Referee-in-Chief for the New York District or by a local supervisor of officials in the New York District, to the Board. Pursuant to USA Hockey Bylaw 10, if the official has been disciplined by the Board, or if the Board has affirmed the discipline previously imposed, the official may appeal the discipline to a USA Hockey committee consisting of the National Referee-in-Chief, a District Director from NYS Hockey and a third impartial individual selected by those two, and there shall be no further appeal of any decision by the said committee and the Discipline shall be final.

(b) Appeal Procedure. The appeal procedure for all appeals as described in Section 8.5 above shall be as follows:

(i) Statement of Appeal. The appealing Party must submit a Statement of Appeal in writing to the responsible Section President or to the Board (the "**Appeal Authority**"), with a copy to the Disciplinary Authority and the hearing panel, of the decision appealed from within fourteen (14) days of receipt of the decision appealed or of the date of the failure to hold a hearing, whichever is applicable. The Statement of Appeal shall include a statement of why the Discipline should be overturned or reversed, and should attach the record of the hearing panel, if any, and a copy of the decision. The Disciplinary Authority and any responding Party shall have fourteen (14) days from the receipt of the Statement of Appeal to file a reply and any reply must be served upon the Appeal Authority and the appealing Party. The Statement of Appeal and reply should be a complete and comprehensive document and include all materials the Party wishes to be considered. Letters and other documents not submitted by the Party him/herself as part of the Statement of Appeal need not be considered by the Appeal Authority. If a Statement of Appeal is not received by the appropriate Appeal Authority within the fourteen (14) day period, the discipline shall be final. The failure to respond by any Party will exclude that Party from further participation in the appeal proceedings.

The Statement of Appeal and any reply shall be no longer than ten (10) typed double spaced pages with a font size no smaller than twelve (12) point. Exhibits to support the Statement of Appeal and/or reply may also be attached, including any relevant governing documents the Party is relying upon to support its argument. Exhibits shall not be included in the ten (10) page limitation.

(ii) Conduct of Appeal Hearing. The Appeal Authority may in its discretion hold a hearing or consider the appeal on the written submissions of the Parties and establish other hearing rules so long as each Party is treated substantially equal. Notice of a hearing, if any, shall be given to all parties, and any hearing may, in the discretion of the Appeal Authority, be held in person, telephonically or by video conference. Only the evidence and theories presented to the Disciplinary Authority or party taking the Administrative Action prior to rendering its decision shall be presented or considered on appeal.

(iii) Appeal Decision. The Appeal Authority shall make every reasonable effort to issue a written decision that shall include a statement with a finding of the facts that were proven at the hearing and the conclusions of the Appeal Authority within fourteen (14) days of the hearing. The Appeal Authority may affirm, reverse or modify (including increase or decrease the term of a suspension)

any decision in its sole discretion and as it deems proper under the circumstances.

(iv) Suspension or Discipline Remains in Effect. Any suspension, discipline or Administrative Action appealed from shall remain in force and effect until it expires, is reversed or is modified by the Appeal Authority.

Section 8.6 NYS Hockey Suspensions and Expulsions.

(a) Violation of Bylaws or Applicable Rules. Violation of these Bylaws or the Applicable Rules, or conduct unsuitable for the sport of ice hockey, by any Party, may subject such Party to suspension or expulsion from NYS Hockey and thus USA Hockey by the Board:

(i) Upon notice of such violation(s), the Board may appoint a special committee to investigate such matters and report to it with recommendations addressing the violations. If the recommendation is suspension or expulsion of the offending party, the Board shall hold a hearing pursuant to this Article VIII to allow the offending Party to present such evidence as it, he or she deems pertinent to the issues before the Board.

(ii) Following the hearing, in closed session, the Board may take action to suspend or expel the offending party from NYS Hockey and/or USA Hockey.

Section 8.7 Bylaws and Rules of USA Hockey. The rules and practice set forth in the preceding Sections of this Article VIII:

(a) Are based upon rules and practices adopted by USA Hockey; and

(b) Shall be deemed to have been updated or modified to maintain consistency with the Bylaws, rules and practices of USA Hockey. In the event of a conflict between the rules and practices set forth in the preceding sections of this Article VIII, and the bylaws, rules and practices of USA Hockey, if such conflict affects the substantive rights of a party, the rules and practices of USA Hockey shall control.

Section 8.8 Recourse to Courts, Rules. If recourse is had to the courts of any jurisdiction on any matter and for any reason without adhering to this Article VIII, and without altering the prohibition against that recourse stated in this Article VIII, except with respect to USA Hockey (whose own Bylaws shall there apply) the following principles shall apply:

(a) Laws of New York Apply. The laws of the State of New York (except for any conflict of laws provision that may invoke another state's law) shall govern.

(b) Deference to Governing Body Expertise. The constructions, interpretations, rulings, procedures, decisions and opinions of NYS Hockey, its directors, officers and other duly authorized personnel, shall be deferred to as being the product of its experience and judgmental expertise in ice hockey and in the administration of ice hockey. In the event of a conflict in constructions, interpretations, rulings, decisions and opinions between NYS Hockey and its Associations, Affiliate Organizations, leagues, programs, players, managers and coaches, they shall be given precedence in the following order: USA Hockey, NYS Hockey, and then Associations and then Affiliate Organizations, with USA Hockey being considered the highest authority and NYS Hockey the next highest authority.

(c) Other Reasonable Inferences Not Controlling. The fact that another reasonable inference or interpretation could be made will not be grounds for overruling or modifying a decision of NYS Hockey (including its duly authorized personnel).

(d) Limitation on Evidence and Theories to Original Hearing. Only the evidence and theories explicitly presented to the original hearing committee for its consideration prior to the rendering of the initial decision by that authority shall be presented or considered in court.

(e) Burden of Proof. The burden of proof shall be on the party attempting to have any decision or action of USA Hockey or NYS Hockey or its Members (including its duly authorized personnel) reversed, modified or changed in any way, and that burden shall be the equivalent of the highest degree of proof required in any civil proceeding.

(f) Governing Bodies/Volunteer Costs. Given the fact that NYS Hockey and many of its members are not-for-profit organizations administered by volunteer effort, each party that is not successful in overturning in its entirety a proceeding, ruling or other decision of USA Hockey or NYS Hockey or its Members, shall pay for any and all fees, expenses and other costs incurred thereby with respect to that matter including, but not limited to reasonable attorney's fees, court, court reporter, transcript, document and exhibit costs; fees and expenses of consultants, experts, investigators and witnesses, and in obtaining and producing materials or evidence, transportation and other *per diem* and incidental expenses of each of the foregoing and of all volunteers; and, the value of each volunteer's time, both in and out of court, as measured by that individual's customary work position.

ARTICLE IX – INDEMNIFICATION

Section 9.1 Indemnification of USA Hockey. NYS Hockey, an affiliate association of USA Hockey, shall indemnify, defend and hold harmless USA Hockey, the Board of Directors of USA Hockey and each member thereof, the Executive Committee of USA Hockey and each member thereof, the councils and committees of USA Hockey and each member thereof, and all other elected, appointed, employed or volunteer representatives of USA Hockey from any and all claims, liability, judgments, costs, attorney's fees, charges or expenses incurred by any of the indemnified parties, arising from any act or omission taken or not taken on behalf of NYS Hockey, except to the extent that (a) USA Hockey or its afore-described representatives caused such claims, liability, judgments, costs, attorney's fees, charges or expenses by their own intentional neglect or default or (b) such acts or omissions were in contravention of the Articles of Incorporation, Bylaws, Rules and Regulations, Playing Rules or decisions of the Board of Directors of USA Hockey. Further, NYS Hockey understands and acknowledges that USA Hockey and its afore-described representatives have assumed such assignment, function, office or capacity upon the express understanding, agreement, and condition that they be so indemnified and held harmless to the extent described in this Section 9.1.

Section 9.2 Indemnification of Directors and Officers of NYS Hockey.

(a) To the fullest extent permitted by New York Law, NYS Hockey may indemnify any person who is or was made or threatened to be made a party to or is involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including any action by or in the right of NYS Hockey to procure a judgment in its favor and an action by or in the right of any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other entity, which any director or officer of NYS Hockey is serving, has served or has agreed to serve in any capacity at the request of NYS Hockey, by reason of the fact that such person or such person's testator or interstate is or was or has agreed to become a director or officer of NYS Hockey, or is or was serving or has agreed to serve such other corporation, partnership, joint venture, trust, employee benefit plan or entity in any capacity, against judgments, fines amounts paid or to be paid in settlement, taxes or penalties, and costs, charges and expenses, including attorney's fees, incurred in connection with such action or proceeding or any appeal therein; provided that no indemnification shall be provided to any such person if a judgment or other final adjudication adverse to the director or officer establishes that (i) his or her acts were committed in bad faith or were the result of active and deliberate dishonesty and, in either case, were material to the cause of action so adjudicated, or (ii) he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled.

(b) NYS Hockey may, from time to time, reimburse or advance to any person referred to in Section 9.2(a) herein the funds necessary for payment of expenses (including attorneys' fees, costs and charges) incurred in connection with any action or proceeding referred to in Section 9.2(a), upon receipt of a written undertaking by or on behalf of such person to repay such amounts(s) if a judgment or other

final adjudication adverse to such person establishes that (i) his or her acts were committed in bad faith or were the result of active and deliberate dishonesty and, in either case, were material to the cause of action so adjudicated, or (ii) he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled. Nothing contained in this Section 9.2(b) herein shall limit the right of NYS Hockey, from time to time, to reimburse or advance funds to any person referred to in 9.2(a).

(c) The indemnification and advancement of expenses provided by, or granted pursuant to, this Section 9.2 shall: (i) apply with respect to acts or omissions occurring prior to the adoption of this Section 9.2 to the fullest extent permitted by law, and (ii) survive the full or partial repeal or restrictive amendment hereof with respect to events occurring prior thereto.

(d) Nothing contained in this Section 9.2 shall limit the right to indemnification and advancement of expenses to which any person would be entitled by law in the absence of this Section 9.2, or shall be deemed exclusive of any other rights to which such person seeking indemnification or advancement of expenses may have or hereafter may be entitled under law, any provision of the Certificate of Incorporation or Bylaws, any agreement approved by the Board of Directors, or a resolution of directors; and the adoption of any such resolution or entering into of any such agreement approved by the Board of Directors is hereby authorized.

In addition, each member Association will be required to complete and send in the "GUIDE FORM". The President of the responsible Section shall make such confirmation request at the next scheduled meeting with minor athletes and shall be rescreened every two (2) years, with a supplemental screen every other year;

- All board members or officers of NYS Hockey, its member Associations and Affiliate Organizations, eighteen (18) years of age or older, regardless of whether the individual will have regular contact with or authority over minor athletes, are required to submit to a background screen before entering into such role and shall be rescreened every two (2) years, with a supplemental screen every other year of the Board following a Section vote approving the new proposed Association.

C. Challenge to Tier III Classification.

The Tier III level for Associations was created to foster the development of new Associations and to provide a level for small Associations to compete. Over time some Associations will mature to the point where in the best interests of amateur hockey they shall move up to the Tier I or Tier II level. Failing that Association's voluntary request to move up to Tier status, either of the following two steps may be taken:

1. Any member of the Board may make a motion to the full Board to compel a Tier III Association to move from Tier III status to Tier I or Tier II status.

2. A minimum of five (5) Tier III Associations may make a joint motion to the full Board to compel a Tier III Association to move from Tier III status to Tier I or Tier II status.

With respect to the foregoing:

(i) The above motions must be received by the Secretary of NYS Hockey no later than thirty-five (35) days prior to the NYS Hockey Annual Meeting; and

(ii) In order for the motion to pass, a two thirds (2/3) majority of all NYS Hockey directors (not 2/3 of those present at the Annual Meeting) must vote in the affirmative at that Annual Meeting. The Board must approve any exception.

E. Right to Hold Tournaments.

Any Member of NYS Hockey may hold a tournament provided it has applied for and received sanction from USA Hockey, Inc. and NYS Hockey

F. Screening.

Determinations related to a person's eligibility or ineligibility to participate in USA Hockey programs based on the results of a background screen shall be determined according to the procedure set forth in the USA Hockey SafeSport Program Handbook. USA Hockey expressly requires in the Handbook that each Affiliate, here NYS Hockey, and each junior league and the American Collegiate Hockey Association (ACHA) "shall require that all [Associations] have the required volunteers and employees screened through the USA Hockey Nationals Background Screen Program prior to participation or any access to minor Participants." The Handbook may be found at the USA Hockey website. Each Association is required to review the Handbook, and must comply with the screening requirements set forth therein.

Who Must Be Screened. In summary, the Handbook provides that the following individuals

are required to be screened:

- All coaches eighteen (18) years of age or older who will have regular contact with or authority over minor athletes, are required to submit to a background screen before any such contact with minor athletes and shall be rescreened every two (2) years, with a supplemental screen every other year;
- All officials eighteen (18) years of age or older who will have regular contact with or authority over minor athletes, are required to submit to a background screen before any such contact
- All volunteers, billets, and anyone else eighteen (18) years of age or older who will have regular contact with or authority over minor athletes, are required to submit to a background screen before any such contact with minor athletes, and shall be rescreened every two (2) years, with a supplemental screen every other year; and
- All employees who are eighteen (18) years of age or older who will have regular contact with or authority over minor athletes, are required to submit to a background screen before any such contact with minor athletes, and shall be rescreened every two (2) years, with a supplemental screen every other year.

Regular Contact With Minors. The Handbook clarifies that for purposes of defining those persons who have “regular contact” with minors, USA Hockey considers all of the following persons to have regular contact with minor Participants: (i) members of the NYS Hockey Board of Directors, (ii) member Association and Affiliate Organization program administrators, including board members, hockey directors and other program staff who have regular contact with or authority over minor Participants, (iii) coaches, (iv) team managers, (v) officials/referees, (vi) locker room monitors, (vii) team drivers (unless professional transportation companies are used), (viii) travel chaperones, and (ix) other persons whose position with USA hockey, an Affiliate (including NYS Hockey, its member Associations and Affiliate Organizations) or member program allows them to have frequent or routine contact with minor Participants.

Who Does Not Need To Be Screened. USA Hockey does not consider persons serving solely in the following roles to have “regular contact” with or authority over minor Participants (note, this is not an exhaustive list): (i) scorekeepers, (ii) penalty box operators, (iii) concession stand workers, and (iv) arena entry/ticket takers.

The screening procedure required by USA Hockey, as set forth in the Handbook, shall be adhered to by all Associations, Affiliate Organizations and others, as designated.

G. SafeSport Program.

1. All Associations and Affiliate Organizations shall comply with the USA Hockey SafeSport program, as provided herein, in the Association and Affiliate Organization Agreements, and in the *SafeSport Compliance Agreement*.
2. At least one representative must be named by each Association as their SafeSport representative. This person must then complete the USA Hockey SafeSport training materials which consist of a number of online training videos.
3. Every Association must submit the name of their SafeSport representative and the date training was completed to his or her Section SafeSport Coordinator by November 30th each year. All Association and Affiliate Organization officers, directors, administrators, etc., must take the training material as well, as provided in the SafeSport program.

2. PARTICIPANT MEMBER AND TEAM REGISTRATION

General rules for all Participant Members and Teams (players, Coaches and teams):

1. The USA Hockey national office sends ice hockey registration materials to each association registrar or his/her designee, in each district, which will include instructions on the proper procedure to register participants.
2. Online registration is mandatory for all programs.

(i) First Offense – a warning may be issued

(ii) Second Offense – a minor bench penalty may be assessed (if applicable).

(iii) Third and Subsequent Offenses – a game misconduct penalty may be imposed, with potential further disciplinary action by NYSAHA.

(iv) Any violation by spectators may result in removal from the venue and potential disciplinary action against the affiliated team.

(i) **Tournament Director and Chair Person Authority.** The NYS Hockey Tournament Director and, by his delegation, the Tournament Chair Person, shall have the authority to exclude and/or limit the presence at or the use of any artificial noise-making devices, except for those required to control the play of the game.

(j) **Tiebreaking Rules.** The Tiebreaking Rules to determine standings position will apply to Youth, Girls', High School Varsity, Inter-League play, and qualify games (Q-games), that lead directly to qualifying for the NYS Hockey State Tournaments. As provided in the Tournament Guidebook, the tiebreaking rules apply as follow: If two or more teams have an equal number of points, their position in the standings shall be determined by the following tiebreaking format. If one tiebreaker establishes a position for one or more teams, each team is placed in the applicable position. Once a team is placed, the remaining tied teams shall start the tiebreaking process over again at step 1. *(If all tied teams have not played each other, then proceed to step 2. Note: a team may go into the tiebreaking process having defeated another of the tied teams and still not advance).* Consult the Tournament Guidebook for the tiebreaker formulas.

(k) **Game Times for All 12U Games.** All 12U games will be 15-minute periods. Overtime/Shootout rules will apply in the same format as all other age divisions.

NEW YORK STATE AMATEUR HOCKEY ASSOCIATION INC.
STATE POLICIES, AGREEMENTS AND FORMS

A. SAFETY. The safety and protection of our youth hockey participants has always been a priority with NYS Hockey. NYS Hockey always implemented policies and systems providing participants protection from all types of abuse and inappropriate misconduct. These have included Physical Abuse, Sexual Abuse, Screening, Locker Room Supervision and Hazing Policies, in addition to Codes of Conduct applicable to Administrators, Coaches, Officials, Parents, Players and Spectators, all of which is now extensively covered by the USA Hockey SafeSport Program, which is addressed at Part 2, below. NYS Hockey has **ZERO TOLERANCE** for abuse and misconduct, and compliance with the SafeSport Program is mandatory.

Part 1 – NYS Hockey Policies Regarding Safety

NYS Hockey retains the following policies that are not fully covered in the USA Hockey SafeSport Program:

- Administrative Mentoring
- Matters Common to All Board Policies
- Conflict of Interest Policy
- Document Retention Policy
- Whistle Blower Policy

These policies may be modified or amended as needed without prior notice.

Under NYS Hockey, a USA Hockey Participant (as defined below in Part 2) who (i) violates any of the SafeSport Program policies or (ii) fails to consent to, and pass a screening and background check in compliance with the Screening and Background Check Program under NYS Hockey Rules, may be denied eligibility within any USA/NYS Hockey program and is subject to appropriate disciplinary action, including but not limited to suspension including permanent suspension, and/or referral to law enforcement authorities. *Should you have questions about the SafeSport Program in New York, please contact the NYS Hockey SafeSport Coordinator as listed in the NYS Hockey Guide.*

Alcohol, Tobacco, Smoking and Drug Abuse Policy. It is the considered judgment of the Boards of Directors of USA Hockey and of NYS Hockey and its membership, that consumption/use/abuse of mood-altering substances is detrimental to a healthy state of mind, body and spirit in an athletic participant. This is especially true for those participants aspiring to develop their talents in furtherance of their playing, coaching or officiating careers in the sport of ice hockey. Therefore, with the best interests of its participants in mind, USA Hockey and NYS Hockey prohibit use by any participant of alcohol, tobacco, smoking or drugs, as these terms are defined below, during participation in their programs, as follows:

1. Zero tolerance for possession or use of drugs by any participant unless the participant is currently under a doctor's care and the medication is required for treatment of an illness or injury;
2. Zero tolerance for providing or condoning the use of alcohol, tobacco, smoking or drugs to or by a minor athlete by a coach, assistant coach, manager, official or any other person who is in a position of authority over that athlete;
3. Zero tolerance for being under the influence of alcohol, tobacco, smoking or drugs while supervising minor athletes or while participating in a USA Hockey practice, game or event; and
4. Abuse of alcohol, tobacco, smoking or drugs by a participant while participating at a USA Hockey event other than that prohibited by #3 above.

Violation of this policy shall subject the participant to disciplinary action up to and including suspension or disqualification from membership. Further, NYS Hockey recommends that each and all of

its teams, Associations, Affiliate Organizations and program develop and enforce alcohol, tobacco, smoking and drug abuse policies and practices that are consistent with this policy.

For purposes of this policy:

- The word “alcohol” includes intoxicating beverages;
- The words “drug” includes: (i) any controlled substances, (ii) prescription or prescribed controlled substances when used to an excess in violation of doctors’ orders, or to produce the state of intoxication in the participant, and (iii) any mood altering or psychoactive substance that produces a state of intoxication in the participant; and
- The words “smoking and tobacco” include: (i) electronic smoking devices that heat a chemical solution into a vapor that is inhaled into the lungs (such as e-cigarettes, e-cigars, e-pipes, vape pens or other similar devices), (ii) smokeless tobacco, which are tobacco products chewed or snuffed rather than smoked by the user and includes dipping tobacco, chewing tobacco, snuff, snus or similar tobacco products not used for smoking, and (iii) tobacco smoking, such as the use of regular tobacco in cigarettes, cigars, pipes, hookahs, water pipes or other similar tobacco smoking products.

The word “participant” shall include players, coaches, referees and all persons involved in the conduct of an ice hockey contest.

Part 2 – The USA Hockey SafeSport Program – A Summary

For a copy of the current USA Hockey SafeSport Program Handbook, you can find here: www.usahockey.com/safesportprogram

In 2012, USA Hockey enacted its SafeSport Program, which compiled and updated its longstanding policies prohibiting sexual and physical misconduct and hazing; provided for background screening and locker room monitoring; and provided codes of conduct for coaches, officials and administrators, into a comprehensive program aimed at eliminating misconduct and abuse in USA Hockey programs, including NYS Hockey and its Associations.

In 2019, USA Hockey made significant and important updates to its SafeSport Program, applicable NYS Hockey and its Member-Associations and Affiliated Organizations, and related programs. NYS Hockey, its Member Associations and Affiliated Organizations, and all related organizations, are subject complying with USA Hockey’s SafeSport Program.

USA Hockey, as the National Governing Body (“**NGO**”) designated by the United States Olympic Committee for the sport of ice hockey, and all of its “Participants” which includes NYS Hockey and its Associations, are subject to the jurisdiction of the *Center for SafeSport*. The *Center* is an independent non-profit organization committed to ending all forms of abuse in sport, including bullying, harassment, hazing, physical abuse, emotional abuse, and sexual misconduct and abuse. (More information about the Center for SafeSport can be found at www.safesport.org)

The *Center* has two primary functions:

- It is an office for education and outreach, which develops training, oversight practices, policies and procedures to prevent abuse. The SafeSport Training required to be taken by USA Hockey participants is produced by the *Center*; and
- It is an office for response and resolution that establishes mechanisms to report, investigate and resolve allegations of misconduct. The *Center* has exclusive authority over allegations involving sexual misconduct; and discretionary authority over other forms of misconduct, including bullying, harassment, physical and emotional abuse.

The new updates to USA Hockey’s SafeSport Program arise from federal law (the *Protecting Young Victims from Sexual Abuse and SafeSport Authorization Act of 2017*), which created the authority and requirement for the *Center* to enact policies to protect minors from abuse in sport. The policies adopted by the *Center* are known as the Minor Athlete Protection Policies (“**MAAPP Policies**”), and are required to be adopted by the NGO of each sport. USA Hockey has incorporated the MAAPP Policies, as well as changes by the *Center*, to its SafeSport Code and into its USA Hockey SafeSport Program Handbook, a copy

of which you can find here: www.usahockey.com/safesportprogram. For additional reference, copies of the *Center's* MAAPP Policies and the *Center's* SafeSport Code can be found at www.safesport.org/policies-procedures.

Among the important changes to the USA Hockey SafeSport Program are:

1. **Participants.** SafeSport policies apply to **"Participants"** in our sport, which include all national level staff and volunteers of USA Hockey, all Affiliate (such as NYS Hockey) and District level staff or volunteers, and at each USA Hockey sanctioned program (such as Associations and Affiliated Organization with NYS Hockey). This includes: all administrators, program owners, board members, employees, skills coaches, managers, trainers, locker room monitors, travel chaperones, billets and each person within the Association, program or that the program authorizes to have regular contact with or authority over minor-age participants. Although these representatives may not have regular contact with minor-age Participants, these representatives must be fully versed in USA Hockey's SafeSport Program and possess the information necessary to more effectively monitor their Association or organization, minimize the opportunities for child physical and sexual abuse and other types of misconduct, and respond to concerns.

2. **SafeSport Jurisdiction.** The rules and provisions from the SafeSport Code and USA Hockey SafeSport Program apply to persons within USA Hockey defined as **"Participants"**. Participants include any person who is seeking to be, currently is, or was at the time of an alleged violation:

- a. Registered with USA Hockey as a Registered Participant Member (players and coaches), Referee, or in the Manager/Volunteer category;
- b. Serving as a member of USA Hockey's Board of Directors, on a national level council, committee or section, or in any other similar positions appointed by USA Hockey;
- c. A coach, official or staff person (e.g., trainers, physicians, equipment managers) for any USA Hockey team, camp or national level program;
- d. An employee of USA Hockey, a USA Hockey Affiliate (such as NYS Hockey) or Member Program (such as NYS Hockey Associations); and
- e. Authorized, elected or appointed by USA Hockey, a USA Hockey Affiliate (NYS Hockey) or Member Program (Associations and other organizations) to a position of authority over minor athletes or to have regular contact with minor athletes (even if not registered with USA Hockey).

3. **Mandatory Reporting by Participants.** All Participants, as defined above and which includes volunteers, are required under SafeSport and by law to report actual or suspected sexual misconduct or child abuse to the *Center* and, when appropriate, to applicable law enforcement. Therefore, in the event of any actual or suspected sexual misconduct or child abuse, Participants must report such information to the *Center* and, when appropriate, to applicable law enforcement.

The *Center* will have exclusive jurisdiction for the investigation and resolution of such reports related to a person's eligibility for USA Hockey programs. USA Hockey retains the authority to investigate and resolve allegations of SafeSport policies that are nonsexual in nature. Information on how to make a report to the *Center* and/or USA Hockey can be found at: www.usahockey.com/makingareport.

4. **SafeSport Training.** There are several changes to the SafeSport Training requirements, as required by federal law and the *Center*.

- a. SafeSport Training is required for all adults, including volunteers, who have regular contact with or authority over minor-age participants, and must complete SafeSport Training prior to the volunteer's having such regular access;
- b. Beginning with the 2019-2020 season, SafeSport is required every year rather than

every other year. However, anyone who completed training in the most recent season (2018 – 2019) will retain valid training status for 2019-2020, and will complete training annually beginning in 2020-2021.

c. The training is provided by the *Center*. A person must first take the course known as “Core Center for SafeSport Training”, which is taken online and takes approximately 90 – 120 minutes to complete. After that, a “Refresher Course” is available each subsequent year for a person that has completed the Core Center for SafeSport Training. The Refresher Course takes 30 minutes or less to complete. There is no cost to members of USA Hockey to complete either training course.

d. Training must be completed before a person begins having regular contact with minor-age athletes, or if they do not have regular contact with minors, no more than 45 days after beginning the role that requires them to complete training.

e. Any Member Program (Associations and other organizations) may require and enforce policies that its volunteers and employees that do not have regular contact with or authority over minors, have registered with USA Hockey and completed the SafeSport Training Program. Any volunteer or employee required or desiring to take the SafeSport Training shall register with USA Hockey as volunteers in the Manager/Volunteer Member category (**at no charge**) and may complete the training through a link on the SafeSport webpage or registration confirmation email.

5. Training for Players Seventeen (17) and Over in Age Classifications that Allow Minor-Age Players. To ensure that all adult-age players *on the same team* with minor-age athletes comply with the law, (i) all players 17 years of age or older, on or before December 31st of that playing season, and (ii) who play on a team in a classification that allows minor-age players, must complete SafeSport Training before being added to such team and prior to participation (on-ice or off-ice). This requirement applies to all teams in the age classification Youth, Girls, High School, Junior Hockey, Flex Hockey and Disabled Hockey programs that allow both minor-age and adult-age players, and to officials who are turning 17 before December 31st of that playing season. Players and officials who complete the training prior to turning 18 will be required to provide parental consent.

6. Youth Athlete Training. Shortly after its release by the *Center*, USA Hockey will be offering age-specific SafeSport Training to youth athletes. USA Hockey will notify all parents of the availability of the training, and how to access and take the training. Accessing the youth athlete training will be subject to parental consent on the *Center’s* website. Youth athletes training will not be required for participation but is strongly recommended.

7. Minor-Age Athletes Abuse Prevention Policies – Locker Rooms, Social and Electronic Media, Travel. USA Hockey has had longstanding Locker Room, Social Media & Electronic Communications, and Travel policies. To incorporate the *Center’s* required MAAPP Policies, USA Hockey has adopted updates to those policies:

a. USA Hockey’s existing Locker Room Policy was updated. Proper supervision of locker rooms is one of the most important means of preventing misconduct between hockey players and eliminating opportunities for abuse of minor participants.

b. USA Hockey’s Social Media and Electronic Communications policy has been updated. All electronic communication from an adult member of USA Hockey to a minor participant must be professional in nature. Absent emergency circumstances, if an adult member needs to communicate directly with a minor via electronic communications (including social media), the minor’s parent must be copied.

c. Travel is a high-risk time for misconduct to occur. USA Hockey’s travel policy has been updated for both “local travel” (transportation and travel to and from local practices, games and events) and “organization/team travel” (travel away from the home area that may include overnight stays in a hotel for games or tournaments). Except in the case of emergency, coaches may not ride in a vehicle

alone, travel alone with or share a hotel or sleeping arrangement with an unrelated minor-age participant. Other adults (not including coaches) that have regular contact with minor-age participants or who are authorized to have regular contact with or authority over minor participants, may not ride in a vehicle alone, travel alone with or share a hotel or sleeping arrangement with an unrelated minor participant, except in the case of emergency or with the prior written permission of the minor participant's parent/legal guardian.

8. One-On-One Interactions. The One-On-One Interactions Policy specifically prohibits one-on-one interactions between adult members of USA Hockey or those authorized by a USA Hockey program (such as NYS Hockey Associations and other organizations) to have regular contact with or authority over minors, unless they occur at an observable and interruptible distance by another adult. There are exceptions for emergency circumstances. This policy ensures that any type of athletic training, including massages, rubdowns, taping, etc., occurs in an open and interruptible location.

9. Background (Screening) Checks: Determinations related to a person's eligibility or ineligibility to participate in USA Hockey and NYS Hockey programs are based on the results of a background screen according to the procedures set forth in the USA Hockey SafeSport Program and must be complied with as required by NYS Hockey Rule 1.F.

10. Communication of Changes. USA Hockey and NYS Hockey will continue to provide more specific information to groups affected by these changes, including NYS Hockey Associations and other organizations, local programs, coaches, officials, players 17 – 20 years of age, and parents of youth athletes.

B. USA Hockey & NYS Hockey Guidelines Regarding Non-Sanctioned Play.

USA Hockey and its Affiliates, including NYS Hockey, are charged with establishing rules and policies for the organization, coordination and betterment of hockey, including developing players, coaches and officials, and managing and minimizing risks associated with the sport. Examples of recent rules and policies include the American Development Model (ADM) and cross-ice hockey for players 8 and under. USA Hockey and NYS Hockey strongly believe in these programs as evidenced by the overwhelming support they have received across the country, the continuing growth in membership, and the advances that have resulted and are expected to result in the development of hockey players in our country.

USA Hockey and NYS Hockey have had inquiries regarding the rights and obligations of USA Hockey, and NYS Hockey and its member Associations and local programs with respect to ice hockey that is not sanctioned by USA Hockey and NYS Hockey. To provide guidance to Associations and local programs, USA Hockey, as the National Governing Body for ice hockey in the United States, and NYS Hockey as the Governing Body for the New York District, provide the guidelines below acting pursuant to USA Hockey's authority under the Amateur Sports Act (36 U.S.C. § 220501 et seq.):

a. For a game to be sanctioned by USA Hockey and NYS Hockey, all players, coaches and officials in the game ("individual Participants") must be members of USA Hockey and the USA Hockey Affiliate with jurisdiction over their respective geographic area(s). Participating teams must also be members of the applicable USA Hockey Affiliate. Participating Associations in the New York District and their teams must be members of NYS Hockey.

b. There may be occasional exceptions to the above-stated membership requirement where in certain limited, special circumstances, USA Hockey or the USA Hockey New York District Registrar may provide a special event sanction for an event where not all participants are members of USA Hockey ("Special Events"). These Special Events are occasional and have generally been limited to exhibition games between USA Hockey teams and High School Federation, prep schools or NCAA teams, Try Hockey for Free programs, and charity games. The limited nature of these exemptions is largely due to USA

Hockey insurance and risk management concerns.

c. Any individual Participant may become a member of USA Hockey. Membership in or registration with another sanctioning body may not be used as a basis to deny membership in USA Hockey, NYS Hockey or its Associations and local programs. Correspondingly, no Individual Participant may be penalized for participating in a program that is not sanctioned by USA Hockey. On the other hand, an Individual Participant may be disqualified from membership for violation of USA Hockey or NYS Hockey Bylaws, Rules & Regulations or Policies in accordance with the dispute resolution procedures adopted by USA Hockey and NYS Hockey.

d. NYS Hockey has established reasonable rules for compliance by its member Associations, and other organizations seeking membership in or who already are members of NYS Hockey, provided that such rules do not conflict with the Bylaws, Rules & Regulations, Policies or directives of USA Hockey.

e. If an Association and/or its team(s) desire to play in a USA Hockey sanctioned game, tournament or event, then unless it is sanctioned as a Special Event, the Association, its teams and its Individual Participants must be registered with USA Hockey and NYS Hockey. Such registration implies and constitutes the registrant's agreement that the Association, team and all of its Individual Participants will be subject to the Bylaws, Rules & Regulations, Policies and Playing Rules of USA Hockey and the reasonable requirements of membership in NYS Hockey. The only exceptions to the requirement that sanctioned games, tournaments and events require that the Association, team and all Individual Participants be registered with USA Hockey and NYS Hockey, are for Special Events noted above, and circumstances where the applicable USA Hockey New York registrar has approved such participation in writing and in advance (see USA Hockey Rules & Regulations, Section VIII.B)

f. Once an Association, team, or Individual Participant becomes a member of USA Hockey and NYS Hockey, NYS Hockey may require that the Association, team, and all Individual Participants continue to comply with the reasonable requirements for membership in USA Hockey and NYS Hockey. This may include, for example, such rules as coaching certifications, background screening, equipment requirements, safety mandates, and other rules, including the ADM and cross-ice hockey, and such other reasonable requirements of NYS Hockey.

g. NYS Hockey may enforce a rule that prohibits its member Associations and their related teams and programs from participating in games or practices that are not sanctioned by USA Hockey. Unless sanctioned as a Special Event, USA Hockey's insurance policies may not be available to cover NYS Hockey member Associations and USA Hockey programs, teams and Individual Participants when participating in a game or practice among or against a non-sanctioned team. A parent of a youth hockey player that has registered with USA Hockey with the expectation of receiving the benefits of such membership should not be placed in a situation where they may be surprised to learn after their child is injured that USA Hockey insurance is not available because the injury occurred during a non-sanctioned event.

h. NYS Hockey may also enforce its rule that its Associations must register all of their teams, players and programs with NYS Hockey and USA Hockey. Pursuant to this rule, a member Association of NYS Hockey cannot register some of its teams with NYS Hockey while other teams in that Association are not registered with NYS Hockey. Important reason for this rule is that neither USA Hockey nor NYS Hockey become liable for activities conducted by an Association that is also conducting non-sanctioned events, and to prevent the occurrence of situations where USA Hockey's insurance could potentially be asserted to apply in a non-sanctioned event.

i. Despite the foregoing, if an Association, including but not limited to its teams and programs, desires to play in events or games that are not sanctioned by USA Hockey, the Association may seek a Special Event sanction for such game or event, or it may also do so provided that certain other requirements are met. A group of Individual Participants from a NYS Hockey Association and/or team or a USA Hockey team, playing in a non-USA Hockey sanctioned event or game must do so as part of a

separate organization (for example, a separately incorporated corporation) that is sufficiently distinct from the NYS Hockey member Association or USA Hockey sanctioned program. The non-sanctioned organization or team(s) should also have a separate board of directors, the team cannot wear the same or substantially similar uniforms or have the same or substantially similar team names or logos and the like, and all rink or vendor contracts relating to the non-sanctioned team(s) or activities must be in the name of the separate organization rather than the NYS Hockey Association or the USA Hockey sanctioned member organization or team. A sanctioned program such as an Association should have separate bank accounts from the non-sanctioned organization. Additionally, the Association and non-sanctioned programs should not be included in the same advertisements or websites. Distinguishing organizations and teams participating in non-sanctioned events or programs from NYS Hockey member Associations or USA Hockey sanctioned programs will help avoid making USA Hockey, NYS Hockey and its Associations liable for activities conducted in connection with non-sanctioned play, prevent the occurrence of situations where USA Hockey's insurance could potentially be asserted to apply in a non-sanctioned event, and will also help make Individual Participants (and their parents or guardians) aware of which games or events are under USA Hockey and NYS Hockey rules and oversight and are covered by USA Hockey insurance and other benefits. For a violation of these requirements, the Association, team, coaches, administrators and/or program may be subject to sanctions as determined by NYS Hockey following a hearing and any appeals pursuant to the NYS Hockey dispute resolution procedures contained in Article VIII of its Bylaws, and appeals to USA Hockey, if any, pursuant to USA Hockey Bylaw 10.

j. USA Hockey Rules & Regulations, Section III., provides as follows:

Any youth player (male or female) rostered on a Tier I or Tier II youth or girls' team and a Junior Program team as of December 31st, can only play for one team after December 31st. Except for players playing in Tier I or Tier II Junior hockey pursuant to the Youth/Junior Affiliate Player Policy, if the player plays in a Junior game after December 31st, he/she loses all eligibility on his/her youth or girls' team for the remainder of the season, regardless of how many games are played at the Junior level.

This rule should be applied to any games played at the Tier III Junior level with any organization. The purpose of this rule is that players playing on youth teams during the latter half of the playing season should not also be playing Junior hockey. Further, not having Junior players participating in Youth NYS Hockey tournaments and national tournaments, protects the integrity of the NYS Hockey tournaments and USA Hockey National Championships. By applying the rule regardless of the sanctioning body that governs the applicable Junior team, all Tier III Junior teams are treated equally.

k. NYS Hockey and officials' organizations may establish and use reasonable criteria, rules and procedures for selection and scheduling of officials for games within the New York District. There are numerous valid reasons why NYS Hockey, an officials' organization or scheduler may select one official over another for a particular game, league or level of play. For example, an official's experience in and availability for NYS Hockey and USA Hockey in season games may be a factor to consider in evaluating officials for development or elite progress, or for NYS Hockey tournaments or National Tournaments. However, no USA Hockey official may be penalized, threatened, excluded or made ineligible for officiating USA Hockey games based on that official being certified by or officiating games that are not sanctioned by USA Hockey or are sanctioned by some other entity. Many USA hockey officials work games not under USA Hockey's authority (e.g., NCAA, Canadian Hockey League, East Coast Hockey League, High School Federation, etc.). To be sure, an official will not receive the benefits of USA Hockey, including insurance coverage, supervision, disciplinary processes and enforcement, etc., while officiating a game not sanctioned by USA Hockey and NYS Hockey, and that official is not permitted to wear a USA Hockey crest/patch on their jersey during a game not sanctioned by USA Hockey and NYS Hockey. To reiterate, NYS Hockey may not and shall not permit an officials' organization or scheduler under its control to punish, threaten, blackball or make any official ineligible for USA Hockey games, based on the official becoming certified by another entity or officiating games that are not sanctioned by USA Hockey and NYS Hockey. Most hockey programs and officials' associations endeavor to consider their officials to be independent

contractors; to place restrictions on officials from officiating non-sanctioned games may place that independent contractor status at risk, and subject the hockey program or officials' association to other liabilities.

- I. NYS Hockey and USA Hockey may amend or supplement these guidelines.

C. **ADMINISTRATIVE MENTORING**

1. **Policy adopted June 2011, USA Hockey Annual Congress.** Develop a network of mentors within a Section who are well-versed in the proper administration of a League/Association. A network of experienced volunteer mentors available to both hand-hold new administrations and offer the ability for a neutral intervention when needed.

Issue:

The potential for harm and exposure to risk from a novice or inadequately prepared/trained League/Association administration is broad and real. Improper management of paperwork and administrative responsibilities opens the League/Association to issues such as:

- Player/coaches without insurance because of registrar failures;
- Unsanctioned games because of registrar failures;
- Players exposed to unacceptable coaches because proper screening isn't done;
- League/Associations unable to be represented at Section and NYS Hockey meetings because the proper delegate paperwork isn't done;
- Players/teams unable to participate in States because paperwork is flawed or non-existent;
- Due process and discipline is inconsistent or non-existent leading to glaring inconsistencies from League to League.

The current standard regarding the administration of a League/Association is to presume competence and resolve issues as they present themselves. Reactionary, unfortunately, a problem or incident must occur and then higher powers called in on an emergency basis to resolve at the Section, State or even National level.

Beyond disciplinary intervention there is very little room to resolve administrative issues in a neutral, friendly and constructive manner. There are Leagues/Associations that we may be aware are not properly equipped to competently administer the rules of USA Hockey and NYS Hockey. On the Section level we can suggest and offer direct assistance. However, there is no means to propel the administration to accept. If they refuse, out of pride or another example of ignorance, there is no leverage short of offending the person and potentially alienating a volunteer by demanding their attention.

Coaches are not only required to be trained, but Leagues/Associations are compelled to carry an ACE coordinator. Registrars are given a session at the NYS Hockey Annual meeting (if there League or they can afford to attend), and then have to depend on the generosity and availability of their Section Registrar. Beyond a couple of workshops at the NYS Hockey Annual meeting, and being handed a guidebook at a Section meeting training isn't in place for the administrators of Leagues.

2. **NYS Hockey Recommendation Administrative Mentoring**

- Rather than take a reactionary cross-your-fingers approach become proactive and constructive. Eliminate problems by narrowing the possibility of problems.
- Develop within the Section/State a pool of volunteer veteran administrators familiar with the rules, regulations and expectations of USA Hockey and the NYS Hockey.
- When a League/Association experiences a turnover of administration they'd be coupled with a mentor.
- The mentor would be in place for a year taking the role of big brother/big sister.

- Taking the time after the NYS Hockey Annual meeting to meet one-on-one with at least the new administrator.
- Doing an overview of the guidebook
- Presenting a single page timeline of important League/Registrar deadlines.
- The mentor would send out a reminder prior to the deadlines and reinforce that he/she is there to answer questions or explain policy/procedure.
- A list of FAQs developed by the NYS Hockey/Section based on the more common mistakes/problems. Identify the problem and build a question to encompass it. Such as: Why do I have to make sure players/coaches are insured?

A mentor would be a more personal connection. If mentors were reasonable regionally based they could have an “intro-get acquainted” meeting soon after the NYS Hockey meeting with all parties in their region at one time in one location. Thanks to the age of technology group emails could be utilized for most other bullets.

D. CORPORATE POLICIES ADOPTED BY THE BOARD OF DIRECTORS ON APRIL 30, 2011; EFFECTIVE AS OF JUNE 3, 2011; REVISED BY THE BOARD OF DIRECTORS ON JANUARY 9, 2016; RATIFIED BY THE MEMBERSHIP ON MAY 22, 2016

1. Matters Common to All Board Policies

1.1 Introduction. The policies described in sections 2 through 4 hereof have been adopted by the Board of Directors (the “**Board**”) of the New York State Amateur Hockey Association, Inc. (“**NYS Hockey**”) with a view to ensuring that the activities of NYS Hockey are conducted in accordance with the highest ethical standards and in compliance with applicable federal and state law and the policies of USA Hockey Inc.

1.2 Potential Conflict with Law. If there is any inconsistency between the requirements of these policies and those of applicable federal or state law, the latter will control.

1.3 Questions. If any director, officer, key employee or appointed coordinator (collectively, “**Representatives**”) of NYS Hockey has any questions concerning these policies, such Representative should direct such questions to the President (“**President**”) or the Secretary (“**Secretary**”) of NYS Hockey.

1.4 Deemed Acceptance of Policies. By virtue of his or her association with NYS Hockey, each Representative shall be deemed to have received and be bound by these policies, together with the other published policies of USA Hockey and NYS Hockey as set forth in their respective guidebooks or on their respective websites (collectively, the “**Policies**”). Without derogating from the generality of the foregoing, each incoming (re-elected, appointed or otherwise) officer and director of NYS Hockey, and each newly hired key employee, will be required to submit to the Secretary of NYS Hockey a certificate, substantially in the form approved by the Board from time to time in which he or she: (a) acknowledges having reviewed the Policies; and (b) agrees to comply with them, as the same may be amended or supplemented from time to time.

1.5 Definitions. As used in these policies, the term “**key employee**” is any person who is in a position to exercise substantial influence over the affairs of NYS Hockey or who receives compensation in excess of \$50,000 *per annum*. Terms defined in this section 1 shall have the same meanings when used elsewhere in these policies.

1.6 Amendments. The Board reserves the right to amend or supplement these policies at any time and from time to time.

2. **Conflict of Interest Policy**

2.1 **Purpose.**

(a) Conflicts of interest have the potential to cause legal problems as well as embarrassment for NYS Hockey. While transactions involving conflicts of interest may not be prohibited, they must be fully disclosed to and considered by the Board of NYS Hockey prior to being implemented.

(b) This conflict of interest policy is designed to help Representatives of NYS Hockey identify situations that present potential conflicts of interest and to provide NYS Hockey with a procedure that, if observed, will allow a transaction to be treated as valid and binding even though a Representative has or may have a conflict of interest with respect to the transaction. Certain terms used in this policy are defined in Section 2.7.

2.2 **Conflict of Interest Defined.** For purposes of this policy, the following circumstances shall be deemed to create conflicts of interest:

(a) **Outside Interest.**

(i) A contract or transaction between NYS Hockey and a Representative or a close relative of such Representative.

(ii) A contract or transaction between NYS Hockey and an entity in which a Representative or close relative has a material financial interest or of which such person is a director, officer, agent, partner, associate, trustee, personal representative, receiver, guardian, custodian, conservator, or other legal representative.

(iii) If a Representative holds a responsible position in an entity with a matter pending before NYS Hockey, or has direct involvement in the matter in question.

(iv) If a Representative is a close relative of an individual with a matter pending before NYS Hockey, or is a close relative of an individual who holds a responsible position in an entity with a matter pending before NYS Hockey.

(ii) has received, is receiving, or is seeking to receive a grant, or to secure other financial considerations from NYS Hockey under circumstances where it might be inferred that such action was intended to influence or possibly would influence such Representative in the performance of his or her duties.

These provisions do not preclude the acceptance of items of normal or insignificant value or entertainment of nominal or insignificant value that are not related to any particular transactions or activity of NYS Hockey.

2.3 **Duty to Disclose.** Promptly after becoming aware of any potential conflict of interest, the Representative in question must disclose the existence of such potential conflict of interest to the Board by submitting all material facts in written or electronic form to the Secretary. 2.4 **Procedures.**

(b) A Representative who has a conflict of interest may not vote on the matter in question.

(c) Following full discussion of the possible conflict of interest, the Board shall determine whether or not a conflict of interest exists and, if so, the Board shall vote to authorize the contract or transaction or take any other action it deems necessary to address the conflict and protect

the best interests of NYS Hockey.

2.5 Record of Proceedings. The minutes of the Board reviewing a conflict of interest shall contain: (a) the names of the Representative or Representatives who disclosed or otherwise were found to have a conflict of interest and the nature of such interest; (b) the names of the directors present at the time of the discussion and a record of the votes taken to authorize any contract or transaction involving a conflict of interest; and (c) with respect to an approved contract or transaction involving a conflict of interest, a statement that the contract or transaction was found to be fair, reasonable and in the best interest of NYS Hockey at the time of such determination.

2.6 Conflict of Interest Statements. Promptly following the adoption of this policy, and thereafter prior to the initial election or appointment of any director, the initial election or appointment of any officer, or the initial hiring of any key employee, in each case, of NYS Hockey, such Representative shall complete, and sign and submit to the Secretary a conflict of interest statement in such form as may be adopted by the Board from time to time. At least annually thereafter, or upon any relevant change of circumstances, each such Representative shall submit a revised or updated conflict of interest statement. The Secretary shall provide a copy of all completed statements and certifications to the chairperson of the Board. A copy of each disclosure statement shall be available to any director on request.

2.7 Definitions. For purposes of this policy, the following terms shall have the following meanings:

(a) A “**close relative**” of a person is a spouse, domestic partner, parent, child, or spouse of a child, brother, sister, or spouse of a brother or sister, of the person in question.

(b) A “**contract or transaction**” is any agreement or relationship involving the sale of purchase of goods, services or rights of any kind, the providing or receipt of a loan or grant, or the establishment of any other type of economic relationship with NYS Hockey. The making of a gift to NYS Hockey is not a contract or transaction.

4. Whistleblower Policy

4.1 Purpose. NYS Hockey requires all Representatives to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. Such Representatives must practice honesty and integrity in fulfilling their responsibilities and comply with all applicable laws and regulations. In this spirit, NYS Hockey encourages its directors, officers, employees and volunteers to identify any instances in which these standards may be compromised. This policy has been established to protect from retaliation directors, officers, employees and volunteers who report suspected improper conduct and to provide a means for any such person to raise good faith concerns about any action or suspected action taken by or within NYS Hockey that is or appears to be illegal, fraudulent, dishonest or in violation of any adopted Policy of NYS Hockey.

4.2 Reporting Responsibility. It is the responsibility of all Representatives to report violations or suspected violations in accordance with this policy and any employee or volunteer is encouraged to do so.

Retaliation in any form will not be tolerated. Any act of alleged retaliation should be reported immediately and will be promptly

investigated. Any Representative who retaliates against someone who has reported a violation in good faith is subject to discipline. This policy is intended to encourage and enable Representatives and others to raise serious concerns within NYS Hockey prior to seeing resolution outside the organization.

4.5 How to Report Concerns or Complaints.

(a) Representatives may communicate suspected ethics violations, violations of applicable law, or other wrongdoing or alleged retaliation by contacting the President of NYS Hockey. However, if you are not comfortable dealing with the President of NYS Hockey or are not satisfied with his or her response, you are encouraged to contact any Board member whom you are comfortable approaching. THIS ASSOCIATION MEMBERSHIP AGREEMENT (the "**Agreement**") is being entered into as of _____, 20____, by and between New York State Amateur Hockey Association, Inc., a corporation organized under the laws of the State of New York ("**NYS Hockey**"), and:

(Name of Association)

(Address)

(Town, State and Zip Code)

a _____ (corporation, LLC, etc.) organized under the laws of the State of
(the "**Association**")

RECITALS

A. Whereas, NYS Hockey is the sole Affiliate of USA Hockey, Inc ("**USA Hockey**") for the New York District encompassing the State of New York, and thereby is also the duly authorized representative of the International Ice Hockey Federation ("**IIHF**"), with exclusive jurisdiction over the conduct of the sport of amateur ice hockey as sanctioned by USA Hockey and the IIHF within the New York District; and

B. Whereas, the Association wishes to be a Member of NYS Hockey and thereby associate itself with NYS Hockey and USA Hockey in the interest of developing and administering the sport of amateur ice hockey primarily in the State of New York, subject and pursuant to the Purposes, Policies, Bylaws, Rules and Regulations, Playing Rules, Applicable Rules, and the decisions of the Board of Directors of NYS Hockey (the "**Board**") and of the Board of Directors of USA Hockey, as the foregoing may be revised from time to time and published in the respective NYS Hockey and USA Hockey Guidebooks, websites and associated media (collectively, the "**Applicable Regulations**");

NOW, THEREFORE, in consideration of the mutual covenants and undertakings contained in this Agreement, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and subject to and on the terms and conditions set forth herein, NYS Hockey and the Association agree as follows:

ARTICLE I

MEMBERSHIP IN NYS HOCKEY

1.1 In requesting and maintaining membership in NYS Hockey, the Association agrees that: (a) its principal base of operation is, and will remain, within the boundaries of the State of New York; (b) it will observe and abide by the Applicable Regulations; and (c) its operations shall be limited to its Classification and Level (as defined under the NYS Hockey Applicable Regulations) as confirmed by the Board. Based upon the foregoing, and subject to the limitations contained in this Agreement and the Association's continuing compliance with the Applicable Regulations, NYS Hockey hereby grants to the

Association the right to promote USA Hockey and participate in NYS Hockey-sanctioned ice hockey and related amateur ice hockey activities. This grant of authority specifically includes the right to:

- (i) Engage in the sport of ice hockey as an association and Member of NYS Hockey, including the right to form teams eligible to compete in a USA Hockey-sanctioned event;
- (ii) Enjoy the rights and benefits of membership in NYS Hockey, subject to continuing compliance with the Applicable Regulations;
- (iii) Assess and charge a reasonable membership fee to **Registered Participant Members** of the Association, as that term is defined by USA Hockey in its Bylaws (meaning, in general, registered members of USA Hockey), in addition to the NYS Hockey and USA Hockey fees;
- (iv) Operate fund-raising programs to support the Association's functions, including special charges on "paid gate" to USA Hockey-sanctioned tournaments, games or events sponsored by the Association; and
- (v) Perform and/or provide certain other authorized services or functions to promote and regulate the play of the sport of amateur ice hockey as an association and Member of NYS Hockey.

1.2 NYS Hockey hereby agrees that it will accept and recognize those individuals and teams within the Association's membership and operations, which hold and continue such membership and are in good standing with the Association and with NYS Hockey. NYS Hockey agrees to cooperate with and assist the Association in the administration of the play of the sport of amateur ice hockey within the Association's Level and Classification, when such cooperation and assistance is deemed reasonably necessary and/or advisable by the Association and NYS Hockey. NYS Hockey agrees that the Association is entitled to participate with any other NYS Hockey association and their teams within the New York District, and in the other Districts of USA Hockey so long as such participation is in compliance with the Applicable Regulations.

1.3 This Agreement establishes certain obligations of, and grants certain rights to, the Association. The Association acknowledges that it is and shall remain a separate entity from NYS Hockey, with complete authority to conduct its affairs and programs, subject only to the express obligations and restrictions contained in the Applicable Regulations and in this Agreement.

1.4 NYS Hockey recommends, but does not require, that the Association be organized as a non-for-profit corporation and obtain and maintain tax-exempt status under Section 501(c)(3) of the Internal Revenue Code.

ARTICLE II

POINTS OF EMPHASIS FOR COMPLIANCE BY THE ASSOCIATION

The Association hereby understands and agrees that it must comply with the Applicable Regulations and that its organization, structure, policies, bylaws and/or operations must reflect and shall not violate the same. The Association shall comply, in particular, with the following:

2.1 Preeminence of NYS Hockey and USA Hockey. The Association shall, and shall cause its component parts, including directors, officers, officials, administrators, employees, teams, members, players, coaches, trainers, volunteers, other participants and agents (collectively, "**Association Representatives**"), to abide by and act in accord with the Applicable Regulations and this Agreement, which shall take precedence over and supersede all other governing documents, policies and/or decisions of the Association. The Association shall assist in the administration and enforcement of the Applicable Regulations with respect to its members, team and other component parts and persons.

2.2 Membership in the Association. All Registered Participant Members of the Association must remain registered with USA Hockey for the Association to remain in good standing with NYS Hockey.

2.3 Sanctioned Play. In compliance with the requirements of USA Hockey and NYS Hockey, the Association may engage only in "sanctioned" events, including but not limited to individual games and tournaments. For example:

- Associations, excepting disabled hockey participants, must adhere to the American Development Model (“**ADM**”) and Cross-Ice Hockey (“**Cross-Ice**”) player development programs (see the USA Hockey and NYS Hockey Guidebooks and websites for additional information)
- All players, coaches and on-ice officials of the Association must be members of USA Hockey and NYS Hockey
- All teams of the Association must be exclusively registered with USA hockey and NYS Hockey (except special hockey teams may also register with the American Special Hockey Association)
- For a game, tournament, practice, or similar event to be sanctioned, all participants of the Association and any opponent, including all players, coaches and on-ice officials, must be members of USA Hockey, and all teams must be sanctioned by NYS Hockey or the applicable USA Hockey affiliate; or for Canadian teams, sanctioned by Hockey Canada. Should the Association seek any exception to the foregoing, such exception must be specifically granted in writing by the USA Hockey District Registrar for the New York District.
- Participation in a non-sanctioned event may result in the denial of USA Hockey insurance coverage for any claims arising from such non-sanctioned event, putting the Association, its teams, players or participants at risk of not having insurance coverage for an injury suffered at such non-sanctioned event and potentially exposing the Association to liability therefor. In addition, the Association, its team and responsible administrators and/or coaches may be subject to sanctions imposed by USA Hockey and/or NYS Hockey.
- Associations are prohibited from maintaining teams that are not sanctioned as summarized above and as provided in the Applicable Regulations.

2.4 SafeSport Program.

(i) The Association shall adopt and agree to be bound by the policies of USA Hockey and NYS Hockey providing for the safety and protection of minor-age youth hockey participants, among others. These policies and systems provide participants protection from all types of abuse and inappropriate misconduct, including Physical Abuse, Sexual Abuse, Screening, Locker Room Supervision and Hazing Policies, in addition to Codes of Conduct applicable to Administrators, Coaches, Officials, Parents, Volunteers, Players and Spectators, all of which are now extensively covered by the USA Hockey SafeSport Program. The Association must meet the minimum criteria established by NYS Hockey and USA Hockey, but subject to any contrary requirements contained in state or local law applicable to the Association. Without limiting the foregoing, concurrently with the execution and delivery of this Agreement, the Association shall execute and deliver to NYS Hockey the separate agreement annexed as Appendix 1 hereto (the “SafeSport Compliance Agreement”).

(ii) In compliance with the requirements of USA Hockey, upon the request of NYS Hockey, the Association agrees to reaffirm on an annual basis that the Association continues to remain in compliance with the SafeSport Compliance Agreement. Such request on the part of NYS Hockey and the reaffirmation of the Association may be communicated to NYS Hockey by email.

2.5 Annual Review. Each year, the Association shall use its diligent efforts to review with each of its Registered Participant Members and Association Representatives their responsibilities with respect to the Applicable Regulations, and monitor their compliance with those responsibilities, giving particular attention to the following Bylaws, Policies and Rules/Regulations of NYS Hockey (as the same may be revised from time to time):

- Bylaw Article III – Membership Qualifications and Voting

- Rule/Regulation 10 – Tournament – Bound Eligibility requirements

2.6 Keep Information Current. The Association must keep the Secretary of NYS Hockey up to date with the names of its current officers, their addresses, and their contact information. The Association must assure that it has representatives designated as its ACE (Association Coaching and Education) Coordinator, ADM Coordinator, and SafeSport Coordinator.

2.7 Distribution of Information. The Association must distribute to each Association Representative, as relevant for that person, information provided to the Association by NYS Hockey and USA Hockey.

2.8 Representation at Meetings. The Association is strongly urged to have its representative attend the Section meetings for its governing Section, and the Annual Meeting of NYS Hockey.

2.9 Equal Opportunity. The Association must provide an equal competitive opportunity, taking into account ability, physical size and other athletic criteria, to Association Representatives, to participate consistent with the requirements of the Amateur Sports Act of 1978, as amended, in amateur athletic competition without discrimination on the basis of race, color, religion, age, sex or national origin.

2.10 Dispute Resolution. The Association shall provide for the prompt and equitable resolution of ice hockey and related disputes involving its Association Representatives, including fair notice and the opportunity for a hearing to any Association Representative before declaring such individual ineligible to participate, in accordance with NYS Hockey Bylaw VII and USA Hockey Bylaw 10.

2.11 Adoption. Within 180 days of the date of this Agreement, the Association shall incorporate the principles set forth in this Article II into its bylaws and official policies. It shall be a condition of the continuation of the grant of association and Member status contained herein for the Association to deliver to NYS Hockey, upon request, written proof of the adoption of same. If the Association does not adopt the foregoing principles as required herein, it may lose its Membership and good standing status in NYS Hockey and USA Hockey.

ARTICLE III

INSURANCE, INDEMNIFICATION AND LITIGATION COOPERATION

3.1 Insurance. The Association understands that, after the execution and delivery of this Agreements, it will become the beneficiary of the Directors and Officers and Crime insurance policies maintained by USA Hockey. The Association retains the right to obtain whatever additional insurance coverages it may desire, at its own expense, but agrees to name NYS Hockey as an additional insured thereof. NYS Hockey does not assume, and indeed disclaims, any liability for any actions or omissions of the Association or any Association Representative, whether or not covered by insurance.

3.2 Indemnification. The Association shall indemnify and hold harmless NYS Hockey, its Board, committees and each member thereof, and all other elected, appointed, employed or volunteer representatives of NYS Hockey, from and against any and all claims, liability, judgements, costs, reasonable attorneys' fees, charges and expenses whatsoever, arising directly or indirectly from or relating to the acts and omissions of the Association or any Association Representative, except to the extent that: (i) NYS Hockey or its aforesaid representatives caused such claims, liability, judgments, costs, attorneys' fees, charges or expenses by their own intentional neglect or default; or (ii) such acts or omissions were the direct result of compliance with the Applicable Regulations. Further, the Association understands and acknowledges that NYS Hockey and its aforesaid representatives have agreed to

perform their duties and services upon the express understanding, agreement and condition that they be so indemnified and held harmless to the extent described in this provision.

3.3 Cooperation. NYS Hockey shall reasonably cooperate with the Association in any litigation and provide reasonable support in connection therewith, including but not limited to advice and testimony upon reasonable request; provided, however, that such cooperation shall not require NYS Hockey to incur any out-of-pocket expense not reimbursed by the Association.

ARTICLE IV TERM OF AGREEMENT

4.1 Unless terminated in accordance with the provisions of this Agreement, each of this Agreement and the SafeSport Compliance Agreement shall be for an initial term of one year, from September 1st to August 31st, and thereafter shall be automatically renewed for successive one-year terms.

4.2 Notwithstanding any other provisions herein to the contrary, the Association shall have the right, in its discretion and with or without cause, at any time, upon giving NYS Hockey at least 30 days' prior written notice, to terminate this Agreement. Termination of this Agreement will terminate (a) the Association's membership in both NYS Hockey and USA Hockey; and (b) the SafeSport Compliance Agreement.

4.3 Any termination of this Agreement and the SafeSport Compliance Agreement, whether pursuant to Section 4.1, 4.2 or 5.1 or otherwise, shall not release any party from any liability or obligation that arose prior to the date of termination. In addition, the liability disclaimer in Section 3.1, the provisions of Section 3.2, and Article VI shall survive any termination of this Agreement.

ARTICLE V BREACH

5.1 In the event that the Association shall breach any of the terms and conditions of this Agreement, or any of the Applicable Regulations (which are incorporated into this Agreement by reference), then NYS Hockey shall have the right to impose sanctions and/or terminate this Agreement and the status herein granted to the Association, subject to a hearing before the Board pursuant to the Dispute Resolution provisions referred to in this Agreement and a 30-day right of the Association to cure and the acceptance of such cure by NYS Hockey. The Board shall hear and determine whether there has been a breach of any term or condition of this Agreement, subject to the requirements of NYS Hockey Bylaw VIII.

ARTICLE VI MISCELLANEOUS

6.1 Notice. Any notice or other communication given by either party in connection with or arising out of this Agreement or the SafeSport Compliance Agreement shall be in writing and shall be delivered personally by hand or overnight courier; emailed; or mailed by certified or registered mail, return receipt requested, postage prepaid; provided that, if a notice or other communication is initially given by email, to be effective it must also be given by one of the other permitted methods. 6.3 Assignment. Neither this Agreement nor the SafeSport Compliance Agreement may be assigned by operation of law or otherwise.

6.4 Waiver. No provision of this Agreement or the SafeSport Compliance Agreement shall be deemed waived by a party hereto unless such waiver is in a writing signed by such party. The waiver by a party of any breach of any provision of this Agreement or the SafeSport Compliance Agreement shall not be deemed a waiver of any subsequent breach of the same or any other provision thereof. No delay in the exercise of any right or remedy of a party upon any default by the other shall impair such right or remedy or be construed as a waiver.

6.5 Severability. The provisions of both this Agreement and the SafeSport Compliance Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof or thereof. In the event that any provision of this Agreement or the SafeSport Compliance Agreement is declared illegal or void by a court of competent jurisdiction, then the provision so declared shall be deleted from this Agreement or the SafeSport Compliance Agreement to the extent that it violates the law, or has been declared void. The remaining provisions shall remain in full force and effect throughout the entire term hereof.

6.6 Entire Agreement. This Agreement (including the SafeSport Compliance Agreement and incorporating the Applicable Regulations) constitutes the entire agreement between the parties relating to the subject matter hereof and supersedes all other agreements and understandings, written or oral, by and between the parties hereto. No representation, promise or inducement has been made by either party that has not been embodied in this Agreement or the SafeSport Compliance Agreement, and neither party shall be bound by or liable for any alleged representation, promise or inducement not set forth in this Agreement or the SafeSport Compliance Agreement.

6.7 Governing Law; Resolution of Disputes; Consent to Jurisdiction. This Agreement shall be construed, administered, enforced and interpreted in accordance with the laws of the State of New York without regard to principles of conflicts or choice of law that would make the laws of any other state applicable hereto. Any disputes that arise hereunder are subject to the dispute resolution procedures contained in NYS Hockey Bylaw VIII and USA Hockey Bylaw 10, and any appeal therefrom shall be subject to USA Hockey Bylaw 10. In the event of recourse to the courts, the parties hereto irrevocably submit to the jurisdiction of the courts of the County of New York, State of New York, and the Federal courts of the United States of America located in the County of New York, State of New York, in respect of the interpretation and enforcement of the provisions of this Agreement. (Name of Affiliate Organization)

(Address)

(Town, State and Zip Code)

a _____ (corporation, LLC, etc.) organized under the laws of the State of _____ (the “**Affiliate Organization**”).

RECITALS

A. Whereas, NYS Hockey is the sole Affiliate of USA Hockey, Inc. (“**USA Hockey**”) for the New York District encompassing the State of New York, and thereby is also the duly authorized representative of the International Ice Hockey Federation (“**IIHF**”), with exclusive jurisdiction over the conduct of the sport of amateur ice hockey as sanctioned by USA Hockey and the IIHF within the New York District; and

B. Whereas, the Affiliate Organization wishes to associate itself with NYS Hockey and USA Hockey in the interest of developing and administering the sport of amateur ice hockey primarily in the State of New York, subject and pursuant to the Purposes, Policies, Bylaws, Rules and Regulations, Playing Rules, Applicable Rules, and the decisions of the Board of Directors of NYS Hockey (the “**Board**”) and of the Board of Directors of USA Hockey, as the foregoing may be revised from time to time and published in the respective NYS Hockey and USA Hockey Guidebooks, websites and associated media (collectively, the “**Applicable Regulations**”);

NOW, THEREFORE, in consideration of the mutual covenants and undertakings contained in this Agreement, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and subject to and on the terms and conditions set forth herein, NYS Hockey and the Affiliate Organization agree as follows:

ARTICLE I
AFFILIATION WITH NYS HOCKEY

1.1 In requesting an affiliate organization status with NYS Hockey, the Affiliate Organization agrees that: (a) its principal base of operation is, and will remain, within the boundaries of the State of New York; (b) it will observe and abide by the Applicable Regulations; and (c) its operations shall be limited to

the activities specified in its application to NYS Hockey for status as affiliate organization. Based upon the foregoing, and subject to the limitations contained in this Agreement and the Affiliate Organization's continuing compliance with the Applicable Regulations, NYS Hockey hereby grants to the Affiliate Organization the right to promote USA Hockey and participate in NYS Hockey-sanctioned ice hockey and related amateur ice hockey activities. This grant of authority specifically includes the right to:

- (i) Engage in the sport of ice hockey as an affiliate organization of NYS Hockey, with the understanding that the Affiliate Organization is not a Member or Association of NYS Hockey (as those terms are defined in the NYS Hockey Bylaws) and thus is not entitled to all benefits afforded such Member-Associations, but only to the benefits provided herein; and
- (ii) Perform and/or provide certain other authorized services or functions to promote and regulate the sport of amateur ice hockey as an affiliate organization of NYS Hockey.

1.2 NYS Hockey hereby agrees that it will accept and recognize those individuals within the Affiliate Organization's membership and operations who hold and continue such membership and are in good standing with the Affiliate Organization and with NYS Hockey. NYS Hockey agrees to cooperate with and assist the Affiliate Organization in its engagement with the sport of amateur ice hockey when such cooperation and assistance are deemed reasonably necessary and/or advisable by the Affiliate Organization and NYS Hockey.

1.3 This Agreement establishes certain obligations of, and grants certain rights to, the Affiliate Organization. The Affiliate Organization acknowledges that it is and shall remain a separate entity from NYS Hockey, with complete authority to conduct its affairs and programs, subject only to the express obligations and restrictions contained in the Applicable Regulations and in this Agreement.

1.4 NYS Hockey recommends, but does not require, that the Affiliate Organization be organized as a not-for-profit corporation and obtain and maintain tax-exempt status under Section 501(c)(3) of the Internal Revenue Code.

ARTICLE II POINTS OF EMPHASIS FOR COMPLIANCE BY THE AFFILIATE ORGANIZATION

The Affiliate Organization hereby understands and agrees that it must comply with the Applicable Regulations and that its organization, structure, policies, bylaws and/or operations must reflect and shall not violate the same. The Affiliate Organization, in particular, shall comply with the following:

2.1 Preeminence of NYS Hockey and USA Hockey. The Affiliate Organization shall, and shall cause its component parts, including directors, officers, officials, administrators, employees, volunteers and other participants and agents (collectively, "**Affiliate Representatives**"), to abide by and act in accord with the Applicable Regulations and this Agreement, which shall take precedence over and supersede all other governing documents, policies and/or decisions of the Affiliate Organization. The Affiliate Organization shall assist in the administration and enforcement of the Applicable Regulations with respect to its members and other component parts and persons

2.2 Membership of the Affiliate Organization. All Registered Participant Members, as that term is defined by USA Hockey in its Bylaws (meaning, in general, registered members of USA Hockey), of the Affiliate Organization must remain registered with USA Hockey for the Affiliate Organization to remain in good standing with NYS Hockey.

2.3 SafeSport Program.
(i) The Affiliate Organization shall adopt and agree to be bound by the policies of USA Hockey and NYS Hockey providing for the safety and protection of minor-age youth hockey participants, among others. These policies and systems provide participants protection from all types of abuse and inappropriate misconduct, including Physical Abuse, Sexual Abuse, Screening, Locker Room Supervision and Hazing Policies, in addition to Codes of Conduct applicable to Administrators, Coaches, Officials, Parents, Volunteers, Players and Spectators, all of which are now extensively covered by the USA

Hockey SafeSport Program. The Affiliate Organization must meet the minimum criteria established by NYS Hockey and USA Hockey, but subject to any contrary requirements contained in state or local law applicable to the Affiliate Organization. Without limiting the foregoing, concurrently with the execution and delivery of this Agreement, the Affiliate Organization shall execute and deliver to NYS Hockey the separate agreement annexed as Appendix 1 hereto (the “SafeSport Compliance Agreement”).

(ii) In compliance with the requirements of USA Hockey, upon the request of NYS Hockey, the Association agrees to reaffirm on an annual basis that the Association continues to remain in compliance with the SafeSport Compliance Agreement. Such request on the part of NYS Hockey and the reaffirmation of the Association may be communicated to NYS Hockey by email.

2.4 Annual Review. Each year, the Affiliate Organization shall use its diligent efforts to review with each of its Registered Participant Members and Affiliate Representatives his or her responsibilities with respect to the Applicable Regulations, and monitor their compliance with those responsibilities, giving particular attention to the following Bylaws, Policies and Rules/Regulations of NYS Hockey (as the same may be revised from time to time):

- Bylaw 3.1(d) – Affiliate Organization obligations
- Bylaw Article VIII - Resolution of Disputes and Suspensions
- Policies – Published in the NYS Hockey Guidebook and on the website (ACE Coordinator required)
- Rule/Regulation 1F – Annual Screening Requirements
- Rule/Regulation 1G and Policy A – SafeSport Program

2.5 Keep Information Current. The Affiliate Organization must keep the Secretary of NYS Hockey up to date with the names of its current officers, their addresses, and their contact information. The Affiliate Organization must assure that it has a representative designated as its SafeSport Coordinator.

2.6 Distribution of Information. The Affiliate Organization must distribute to each Affiliate Representative, as relevant for that person, information provided to the Affiliate Organization by NYS Hockey and USA Hockey.

2.7 Representation at Meetings. The Affiliate Organization is strongly urged to have its representatives attend (as a non-voting affiliate organization) the Section meetings for its governing Section, and the Annual Meeting of NYS Hockey.

2.8 Equal Opportunity. The Affiliate Organization must provide an equal opportunity to Affiliate Representatives consistent with the requirements of the Amateur Sports Act of 1978, as amended, in activities related to amateur athletic competition without discrimination on the basis of race, color, religion, age, sex or national origin.

2.9 Dispute Resolution. The Affiliate Organization shall provide for the prompt and equitable resolution of ice hockey and related disputes involving its Affiliate Representatives, including fair notice and the opportunity for a hearing to any Affiliate Representative before declaring such individual ineligible to participate in the Affiliate Organization, in accordance with NYS Hockey Bylaw VIII and USA Hockey Bylaw 10.

2.10 Adoption. Within 180 days of the date of this Agreement, the Affiliate Organization shall incorporate the principles set forth in this Article II into its bylaws and official policies. It shall be a condition of the continuation of the grant of affiliate organization status contained herein for the Affiliate Organization to deliver to NYS Hockey, upon request, written proof of the adoption of same. If the Affiliate Organization does not adopt the foregoing principles as required herein, it may lose its affiliate organization and good standing status in NYS Hockey and USA Hockey.

ARTICLE III
INSURANCE, INDEMNIFICATION AND LITIGATION COOPERATION

3.1 Insurance; Disclaimer. The Affiliate Organization understands that, after the execution and delivery of this Agreement, it will become the beneficiary of the Directors and Officers and Crime insurance policies maintained by USA Hockey. The Affiliate Organization retains the right to obtain whatever additional insurance coverages it may desire, at its own expense, but agrees to name NYS Hockey as an additional insured thereof. NYS Hockey does not assume, and indeed disclaims, any liability for any actions or omissions of the Affiliate Organization or any Affiliate Representative, whether or not covered by insurance.

3.2 Indemnification. The Affiliate Organization shall indemnify and hold harmless NYS Hockey, its Board, committees and each member thereof, and all other elected, appointed, employed or volunteer representatives of NYS Hockey, from and against any and all claims, liability, judgments, costs, reasonable attorneys' fees, charges and expenses whatsoever, arising directly or indirectly from or relating to the acts and omissions of the Affiliate Organization or any Affiliate Representative, except to the extent that: (i) NYS Hockey or its aforesaid representatives caused such claims, liability, judgments, costs, attorneys' fees, charges or expenses by their own intentional neglect or default; or (ii) such acts or omissions were the direct result of compliance with the Applicable Regulations. Further, the Affiliate Organization understands and acknowledges that NYS Hockey and its aforesaid representatives have agreed to perform their duties and services upon the express understanding, agreement and condition that they be so indemnified and held harmless to the extent described in this provision.

3.3 Cooperation. NYS Hockey shall reasonably cooperate with the Affiliate Organization in any litigation and provide reasonable support in connection therewith, including but not limited to advice and testimony upon reasonable request; provided, however, that such cooperation shall not require NYS Hockey to incur any out-of-pocket expense not reimbursed by the Affiliate Organization.

ARTICLE IV
TERM OF AGREEMENT

4.1 Unless terminated in accordance with the provisions of this Agreement, each of this Agreement and the SafeSport Compliance Agreement shall be for an initial term of one year, from September 1st to August 31st, and thereafter shall be automatically renewed for successive one-year terms.

4.2 Notwithstanding any other provisions herein to the contrary, the Affiliate Organization shall have the right, in its discretion and with or without cause, at any time, upon giving NYS Hockey at least 30 days' prior written notice, to terminate this Agreement. Termination of this Agreement will terminate (a) the Affiliate Organization's Agreement with both NYS Hockey and USA Hockey; and (b) the SafeSport Compliance Agreement.

4.3 Any termination of this Agreement and the SafeSport Compliance Agreement whether pursuant to Sections 4.1, 4.2 or 5.1 or otherwise, shall not release any party from any liability or obligation that arose prior to the date of termination. In addition, the liability disclaimer in Section 3.1, the provisions of Section 3.2, and Article VI shall survive any termination of this Agreement.

ARTICLE V
BREACH

5.1 In the event that the Affiliate Organization shall breach any of the terms and conditions of this Agreement, or any of the Applicable Regulations (which are incorporated into this Agreement by reference), then NYS Hockey shall have the right to impose sanctions and/or terminate this Agreement and the status herein granted to the Affiliate Organization, subject to a hearing before the Board pursuant to the Dispute Resolution provisions referred to in this Agreement and a 30-day right of the Affiliate Organization to cure and the acceptance of such cure by NYS Hockey. The Board shall hear and determine whether there has been a breach of any term or condition of this Agreement, subject to the requirements of NYS Hockey Bylaw VIII.

6.3 Assignment. Neither this Agreement nor the SafeSport Compliance Agreement may be assigned by operation of law or otherwise.

6.4 Waiver. No provision of this Agreement or the SafeSport Compliance Agreement shall be deemed waived by a party hereto unless such waiver is in a writing signed by such party. The waiver by a party of any breach of any provision of this Agreement or the SafeSport Compliance Agreement shall not be deemed a waiver of any subsequent breach of the same or any other provision thereof. No delay in the exercise of any right or remedy of a party upon any default by the other shall impair such right or remedy or be construed as a waiver.

6.5 Severability. The provisions of both this Agreement and the SafeSport Compliance Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof or thereof. In the event that any provision of this Agreement or the SafeSport Compliance Agreement is declared illegal or void by a court of competent jurisdiction, then the provision so declared shall be deleted from this Agreement or the SafeSport Compliance Agreement, as applicable, to the extent that it violates the law, or has been declared void. Any disputes that arise hereunder are subject to the dispute resolution procedures contained in NYS Hockey Bylaw VIII and USA Hockey Bylaw 10, and any appeal therefrom shall be subject to USA Hockey Bylaw 10. In the event of recourse to the courts, the parties hereto irrevocably submit to the jurisdiction of the courts of the County of New York, State of New York, and the Federal courts of the United States of America located in the County of New York, State of New York, in respect of the interpretation and enforcement of the provisions of this Agreement. - Qualified adult leadership.

USA Hockey recommends:

- Scoring records should be de-emphasized at the age of 11 & under.
- Awards should be inexpensive and based on significant achievement. The most gratifying award any player can receive is the joy that comes from skill development that contributes to team success.
- The recruitment of players on a widespread geographic basis for the establishment of youth division "travel teams" may be pursued under the guidelines established by USA Hockey.
- It is recommended that adult volunteers place a primary emphasis on the formal education of players and a de-emphasis on excessive competition and a win-at-all costs attitude in the youth age classifications.
- Sportsmanship at all times should be emphasized.

USA Hockey has created four distinct categories within its structure to help meet the needs of the youth player. As the primary provider of grassroots hockey across the country, USA Hockey believes everyone should have the opportunity to play hockey at a level that matches their passion for the game.

1. Learn to Play/FUNDamentals – This program is designed to meet the needs of the beginning player. Basic skills will be taught equally in a non-competitive environment. Fun, physical development and sociable environment are stressed.
2. Hockey for Life (All Ages)
 - Flex Hockey - this program is designed to provide opportunities to play for enjoyment, fitness, relaxation and fellowship. The focus will be on creating a fun, safe environment where participants can be active in the sport of hockey with flexible participation commitment and varied playing formats and varied playing rules.
 - Recreational Hockey – The backbone of youth hockey, recreational hockey encourages internal or "house league" play. Fun, physical development and sociable environment are stressed.
3. Travel (Beginning at 14U) – Qualified coaches teach higher-level skill development and team play for players within local associations who have the desire and ability for a more committed hockey experience. Balance of winning and sportsmanship is stressed, and travel for competition should be reasonable. Players should still receive equivalent playing time. Team objectives include local, league, state and national championships.
4. Select/High Performance (Beginning at 16U) – A high-level national program which draws from the very best players in programs across the country, then prepares them to play for the United States in international competitions.

B. CODE OF CONDUCT

Administrator's Code of Conduct

- Follow the rules and regulations of USA Hockey and your association to ensure that the association's philosophy and objective are enhanced.
- Support programs that train and educate players, coaches, parents, officials and volunteers.
- Promote and publicize your programs; seek out financial support when possible.
- Communicate with parents by holding parent/player orientation meetings as well as being available to answer questions and address problems throughout the season.
- Work to provide programs that encompass fairness to the participants and promote fair play and sportsmanship.
- Recruit volunteers, including coaches, who demonstrate qualities conducive to being role models to the youth in our sport.
- Encourage coaches and officials to attend USA Hockey Clinics and advise your board members of the necessity for their training sessions.
- Make every possible attempt to provide everyone, at all skill levels, with a place to play.
- Read and be familiar with the contents of the USA Hockey Annual Guide and USA Hockey's official playing rules.
- Develop other administrators to advance to positions in your association, perhaps even your own.

Coach's Code of Conduct

- Winning is a consideration, but not the only one, nor the most important one. Care more about the child than winning the game. Remember, players are involved in hockey for fun and enjoyment.
- Be a positive role model to your players. Display emotional maturity and be alert to the physical safety of players.
- Be generous with your praise when it is deserved; be consistent and honest; be fair and just; do not criticize players publicly; learn to be a more effective communicator and coach; don't yell at players.
- Adjust to personal needs and problems of players; be a good listener; never verbally or physically abuse others, particularly a player or official; give all players the opportunity to improve their skills, gain confidence and develop self-esteem; teach players the basics.
- Organize practices that are fun and challenging for your players. Familiarize yourself with the rules, techniques and strategies of hockey; encourage all your players to be team players.
- Maintain an open line of communication with your players' parents. Explain the goals and objectives of your association.
- Be concerned with the overall development of your players. Stress good health habits and clean living.
- To play the game is great, to love the game is greater.

On-Ice Official's Code of Conduct

- Act in a professional and businesslike manner at all times and take your role seriously.
- Strive to provide a safe and sportsmanlike environment in which players can properly display their hockey skills.
- Know all playing rules, their interpretations and their proper application.
- Remember that officials are teachers. Set a good example.
- Make your calls with quiet confidence; never with arrogance.

- Manage and help to control games in cooperation with the coaches to provide a positive and safe experience for all participants.
- Violence must never be tolerated.
- Be fair and impartial at all times.
- Answer all reasonable questions and requests.
- Enforce USA Hockey's "zero tolerance" policy in all cases.
- Never use foul or vulgar language when speaking with a player, coach or parent.
- Use honesty and integrity when answering questions.
- Admit your mistakes when you make them.

- Keep your emotions under control.
- Use only USA Hockey-approved officiating techniques and policies.
- Maintain your health through a physical conditioning program.
- Dedicate yourself to personal improvement and maintenance of officiating skills.
- Respect your supervisor and his/her critique of your performance.

Parent's Code of Conduct

- Do not force your children to participate in sports but support their desires to play their chosen sports. Children are involved in organized sports for their enjoyments. Make it fun.
- Encourage your child to play by the rules. Remember, children learn best by example, so applaud the good plays of both teams.
- Do not embarrass your child by yelling at players, coaches or officials. By showing a positive attitude toward the game and all of its participants, your child will benefit.
- Emphasize skill development and practices and how they benefit your young athlete. De-emphasize games and competition in the lower age groups.
- Know and study the rules of the game and support the officials on and off the ice. This approach will help in the development and support of the game. Any criticism of the officials only hurts the game.
- Applaud a good effort in both victory and defeat and enforce the positive points of the game. Never yell or physically abuse your child after a game or practice – it is destructive. Work toward removing the physical and verbal abuse in youth sports.
- Recognize the importance of volunteer coaches. They are important to the development of your child and the sport. Communicate with them and support them.
- If you enjoy the game, learn all you can about hockey – and volunteer.

Player's Code of Conduct

- Play for fun.
- Work hard to improve your skills.
- Be a team player – get along with your teammates.
- Learn teamwork, sportsmanship and discipline.
- Be on time.
- Learn the rules and play by them. Always be a good sport.
- Respect your coach, your teammates, your parents, opponents and officials.
- Never argue with an officials' decision.

Spectator's Code of Conduct

- Display good sportsmanship. Always respect players, coaches and officials.
- Act appropriately; do not taunt or disturb other fans; enjoy the game together.

- Cheer good plays of all participants; avoid booing opponents.
- Cheer in a positive manner and encourage fair play; profanity and objectionable cheers or gestures are offensive.
- Help provide a safe and fun environment; throwing any items on the ice surface cause injury to players and officials.
- Do not lean over or pound on the glass; the glass surrounding the ice surface is part of the playing area.
- Support the referees and coaches by trusting their judgement and integrity.
- Be responsible for your own safety – be alert to prevent accident from flying pucks and other avoidable situations.
- Respect locker rooms as private areas for players, coaches and officials.
- Be supportive after the game – win or lose. Recognize good effort, teamwork and sportsmanship.

O. NYS HOCKEY AWARDS

1. Peter Rush Award

Peter Rush was originally involved with youth hockey in the Buffalo, New York area. In the early 1960s, he was an integral part of the expansion and growth of the Buffalo Shamrocks Athletic Club, an original member of the New York State Amateur Hockey Association. He was one of our early USA Hockey Directors from New York and was ultimately elected as a National Director. As time went on, Peter's involvement with USA Hockey (then known as AHAUS) grew and he was recognized for his efforts by being selected as the first National Championship chairman overseeing all National tournaments. Peter, along with Bob Allen and several others, was instrumental in the initial growth of youth hockey throughout New York State. Peter passed away in the late 1980's after a long illness. In 1989 the New York State Amateur Hockey Association established "The Peter Rush Award" in his honor and is dedicated to his long and strong commitment to youth hockey.

This award is presented annually to a person who has displayed a selfless long-term dedication and commitment to the growth of youth hockey. The recipient must be from the Section in which the Annual Meeting of the membership is held.

2. Tom Korpolinski Award

Tom Korpolinski started his hockey career as countless others did. In 1966 his six (6) year old son said "I want to play hockey", so he took him to a clinic in Virgil, Ontario where the Niagara Falls league was renting ice. There was only one coach on the ice for 50 to 60 little guys, some who could barely stand on skates. Although never having played organized hockey, Tom skated most of his life and did play a little pond hockey, so he asked this coach if he wanted some help. The next week he started with the youngsters and never looked back. Tom instantly became a coach, going through programs with the Ontario Minor Hockey Association and with USA Hockey. He also did some refereeing and ultimately became a Director of the local association. When the city of Niagara Falls opened a rink in 1971, Tom became President of the local league and also helped form a travel league in the Western New York area along with Peter Rush and many others.

Later, he was elected as the West Section Vice President and then New York State Tournament Director. In 1981 he accepted the position of New York State District Registrar, a position held until he retired from hockey in 2000.

Tom Korpolinski's hockey career spanned 33 years, a time he has always claimed to be the best years of his life where he was able to meet countless volunteers, coaches, administrators, parents and players along the way.

In 2000, the New York State Amateur Hockey Association initiated the Tom Korpolinski Award recognizing an individual who has served at the "grass roots" level within the District and exudes the qualities and level of commitment to the sport that Tom so humbly possessed

5. Bob Allen Scholarship

Each year at the Annual Meeting of the New York State Amateur Hockey Association, the Bob Allen Scholarship is awarded to four High School or Prep School Seniors going on to college. The scholarships are awarded based on the individuals' participation at school, with their community, and involvement in youth sports. Each Scholarship is for \$1000 and is given directly to the winners upon verification of enrollment at college.

In the year 2000, the New York State Amateur Hockey Association named their scholarship in honor of Bob Allen. Bob was President of the New York State Amateur Hockey Association for 25 years from 1954 to 1979. He was past secretary and vice president of USA Hockey (then AHAUS) and was bestowed with Director Emeritus status by both of these organizations. He was a charter member of the Lake Placid sports council and the Lake Placid Pee-Wee Hockey Association. Bob had a great passion for the sport of Ice Hockey and always "enjoyed the people in hockey as much as he enjoyed the game of hockey".

In 2004, the U.S. Women's National Team locker room was named in honor of Bob, paying tribute to the man who spent most of his life working for hockey at the regional and national level. The locker room is located between the 1980 and U.S. rinks, and is reserved for use by the U.S. Women's National Team, which trains in Lake Placid.

In 2005, Bob was recognized for his 40 years of service to USA Hockey. Also, in 2005, USA Hockey named the Women's Hockey Player of the Year award the "Bob Allen Women's Hockey Player of the Year Award". 6. Paul Furman State Trophy

Paul Furman's hockey career began approximately 40 years ago; on the day he took his son, Paul Jr., up to the Cullinan ice rink to register him in the Oswego Minor Hockey Association. He was asked "can you skate?" and he answered "yes, a little". He was then asked if he would help out on the ice. Paul told them "yes, but I don't know anything about hockey". He was then told, "don't worry, the kids will teach you" and over the years they did!

Since that day, Paul Furman, the husband, father and grandfather has been a dedicated, hardworking member of the hockey community in New York. Over that time Paul gave unselfishly of his time and energies to not only the hockey community of Oswego, New York, but to the entire Hockey Community of New York State. From his early days as a coach, then through numerous administrative duties at the local and State levels he always stayed close to not only his local organization but to the hockey community as a whole. Paul has gone from the father who knew little about hockey to become one of the most highly respected members of the New York Hockey family.

For over 23 years Paul was responsible for the organization and supervision of thousands of tournaments in the New York District that take teams from local qualifying tournaments to States (USA Hockey Regional) and on to the National Tournaments. A full-time year-round commitment, at Tournament time you would find Paul on the phone or at the rinks checking to ensure that the events are run properly and that each and every individual has a fun enjoyable experience.

NYS Hockey is privileged to honor Paul Furman with the State Championship Trophy to be awarded to the winner at each level.
