

Sponsorship Form

Fountain Valley Girls Fastpitch Softball (FVGFS) is a non-profit recreational organization. We help bring youths of all ages to learn a sense of sportsmanship, fellowship, self-coordination, and teamwork. We are divided into five (5) divisions beginning at the T-ball level and continuing to the 14 year old level. FVGFS receives no financial support through city or county funding. We are asking for any support that would enable our girls to participate in such a worthwhile program by assisting to defray the cost of uniforms, trophies, tournament fees, equipment, and additional activities for the players. Any donation would be appreciated and is tax deductible.
