

MSGHL Meeting Minutes – Monthly Call – 8/14/13

Role Call – Durango and NCYH not represented

Scott Harris – Rockstars program cancelled for 13-14 season. Not enough interest/registrations by the 8/10/13 deadline. May consider a tournament type “A” team at one or multiple age divisions that could play a couple of non-conflicting tournaments during the season or possibly after the season ends. More information will be posted to website as developed.

Team Declarations were made by all associations. Website has been updated to show final declarations. Scott Glynn requested that declarations be emailed to him directly as well. Travel matrix was to be posted to website within a week (and has since been posted). All scheduling related templates, docs, etc. have been updated on the website as well.

Scott Glynn reiterated that teams should start scheduling as soon as possible. Scheduling must be completed by the end of the September 7th scheduling meeting. League play starts Saturday, October 12th. State tournament will be February 21-23 at Edge. League fees will remain the same at \$175. Invoice will be sent by Treasurer to Associations POCs. League fees must be paid by start of league play. State tournament fee will be determined closer to end of season. Question about state tournament format for 13-14. Will be reviewed by the Board and communicated.

Several tournaments were mentioned – Silver Sticks @ Promenade Oct 18-20; Aspen FRFO Nov 1-3; Vail Nov 15-17; Steamboat Dec 13-15. Please do your best to support these great local tournaments, and schedule league play around them as much as possible! Additional information can be found on website.

Scheduling Meeting will be held on Saturday, September 7th from 11am – 2pm at the Breckenridge Recreation Center. Lunch will be served. It is mandatory that all associations be represented at the fall meeting. Please send Lisa Wild any agenda items. Agenda and directions will be sent/posted prior to meeting.

Meeting adjourned.
