

**THE GREAT NORTHWEST BASKETBALL LEAGUE**

**2003-2004 POWER RATINGS**

Note: All ratings of 10th, 11th and 12th grade teams are from the last year the team in question played in The Great Northwest Basketball League -- typically 8th grade. While we recognize that this information is dated, it provides some indication of the relative talent of a community's overall program, through high school, for purposes of projecting which programs are likely to be stronger in the years ahead. For 6th through 9th grade teams, ratings reflect performance in the League during the 2002-2003 season. The one exception is a small number of teams that played in the League during a previous season, but not in 2002-2003. In these cases, the rating listed is from the last season played. When a rating for a 6th through 9th grade team is from a year previous to the 2002-2003 season, it is noted with parentheses ( ).
