

Hello to all!

My name is Mandy Rogers, and I am the new Director of the New Hampshire Tomahawks Girls Program. I am thrilled to have the opportunity to welcome a new group of young girls to develop as lacrosse players.

Considering the Tomahawks Boys Program's tradition of excellence, it has been humbling experience to be part of such a successful program and I look to carry this success forward to the girls program.

As a member of the Tomahawks elite program, players will experience the Tomahawks E.D.G.E.

NH TOMAHAWKS E.D.G.E.

At the Tomahawks, we value ORGANIZATION and COMMUNICATION. Our coaches and staff work diligently to provide updates on tournaments, practice schedules, and team-specific concerns.

EXPOSURE - to college coaches at showcase events

DEVELOPMENT - experienced coaching staff & small team sizes

GUIDANCE - through the college recruiting process

EXPERIENCE - high-level lacrosse, new friendships and FUN

Personally, I love the game of lacrosse dearly, and I see it as a vehicle to support the overall GROWTH and SUCCESS of young women in athletics and life. Goal-setting, high work ethic, self-esteem, and personal achievement are values I have learned through sport, and I share them with my athletes. At the new girls program, I hope to encourage more young ladies to WORK HARD to fulfill both their lacrosse and life desires.

Please do not hesitate to reach out to me with questions or concerns.

Mandy
