## Policy/Procedure: Blue Line Club – Policy A

**Approved:** November 4, 1996

**Revised:** July 1997, August 2023

The Blue Line Club has been established for the purpose of supporting the WIAA High School Varsity Team.

Everyone is eligible to become a member of the Blue Line Club. Annual membership fee determines membership. Member benefits include free admission to all home regular season High School games.

Blue Line Club will elect its own officers and will operate independently from AHYA. Blue Line Club will manage and determine how monies received will be used to benefit the WIAA varsity team.

Blue Line Club will organize and host the annual AYHA golf tournament. Blue Line Club will contribute the first \$3,000 of profit to the AYHA; however, the balance of funds raised will be retained by Blue Line Club.

All High School players will continue to pay the registration fees established by the AYHA. AYHA will distribute 20% of all collected fees to Blue Line Club.

Admissions collected at the gate for High School games will be collected by AHYA. At the end of the season, that amount will be totaled and 40% will be given to Blue Line Club. The remaining 60% is retained by AYHA.

Blue Line Club will utilize all monies raised to support the WIAA varsity team. This support could include the purchase of travel bags, jerseys, equipment or any other items or projects approved by Blue Line Club.
