

Amery Youth Hockey Association

Policy/Procedure: Tournament Fees – Policy X

Approved: September 23, 1997

Revised: September 1998, September 2000, August 2002, May 2008, July 2010

The AYHA will host hockey tournaments each year in order to bring other associations into our community and to raise money for funding arena operations. The association will also attempt to schedule a home tournament for each team within the association every year.

It will also be the goal of the association to submit a bid annually to the Wisconsin Amateur Hockey Association to host a WAHA State Tournament.

For home tournaments, it will be the responsibility of the Amery home team at the appropriate level to organize and work at the home tournament.

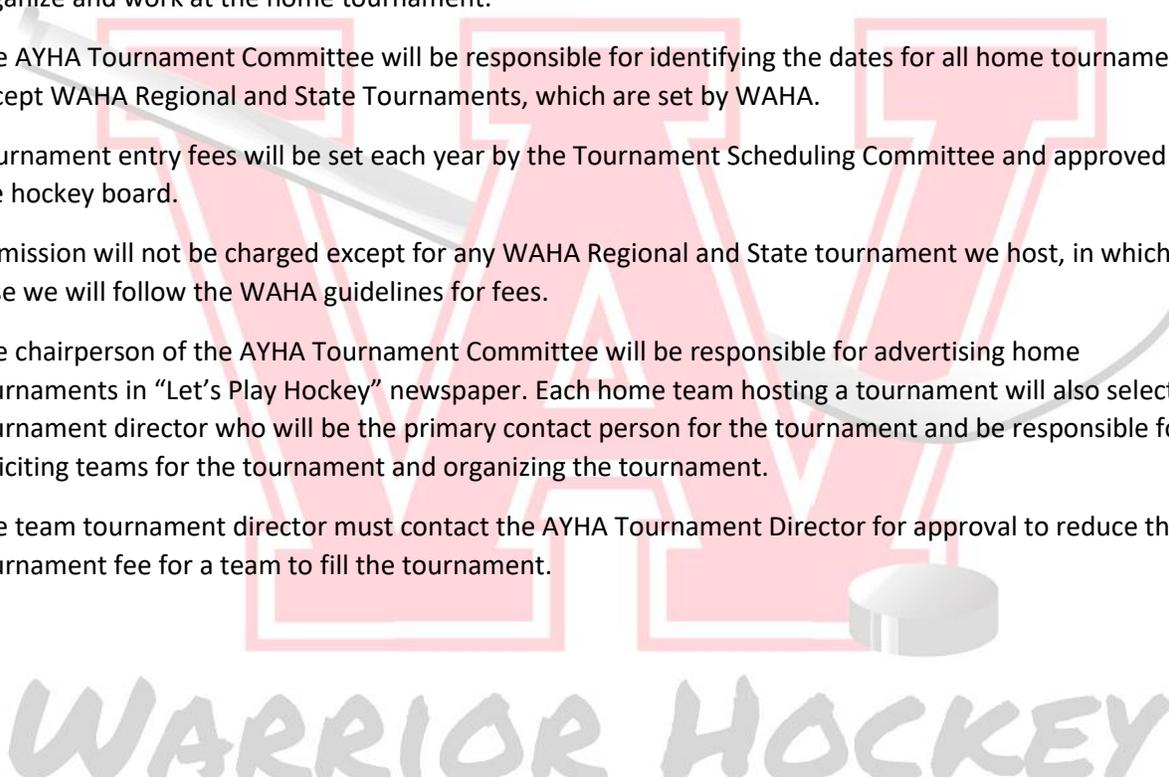

The AYHA Tournament Committee will be responsible for identifying the dates for all home tournaments except WAHA Regional and State Tournaments, which are set by WAHA.

Tournament entry fees will be set each year by the Tournament Scheduling Committee and approved by the hockey board.

Admission will not be charged except for any WAHA Regional and State tournament we host, in which case we will follow the WAHA guidelines for fees.

The chairperson of the AYHA Tournament Committee will be responsible for advertising home tournaments in "Let's Play Hockey" newspaper. Each home team hosting a tournament will also select a tournament director who will be the primary contact person for the tournament and be responsible for soliciting teams for the tournament and organizing the tournament.

The team tournament director must contact the AYHA Tournament Director for approval to reduce the tournament fee for a team to fill the tournament.
