

I would like to nominate Kelsey Rafferty for the Wisconsin Ms. Hockey Award. Kelsey is a 4 year letter winner for the Ice Bears and has been a top contributor to the program for all 4 years. This season her off-season commitment to training has allowed her to more than double her goal output from her junior year. She currently stands at 41 goals and 20 assists after 20 games. She has been held without a goal in only one game and has accounted for 5 hat tricks and 13 three plus point games while leading our team to a 19 game win streak.

As the Captain of our team she has provided strong leadership on and off the ice. Her work ethic has been an inspiration to other players on our team who can see the difference her hard work has made on her game.

Along with being an excellent hockey player Kelsey is also a terrific student. She has a GPA of 3.917 while taking a rigorous curriculum including several honors and AP classes. Her GPA places her 32nd in a class of 359. She is also a member of the National Honor Society, Link Crew, and DREAM (Drug Resistance Equals Achieving More) Team. She has been on High Honor Roll for three years

Kelsey's future plans include attending Hamline University in the fall and pursuing her degree in Pre-Medical Exercise Science while continuing her hockey career with the Pipers.
