

Bishop Kelly Water Polo 2014

Welcome back to a new season of BK Water Polo! We had a fun season last year and I am looking forward to building from that. This year I am looking at having a few new things in the summer. Play against Coeur d'alene and Twin Falls. I am coordinating some dates with those coaches. Also, I am looking at having you scrimmage against the Master's team at least once a month. If possible, looking at having practice once a week. It will be filled with drills and scrimmage. Not a whole lot of conditioning other than legs. I want to make the summer league fun.

I am working on a schedule and will have that out soon. The cost for the season will be \$75, which will cover the pool rental for practices and the State Tournament entry fee. We are looking forward to another successful season!! ~ Coach Adam Winspear

Cost \$75 for the season (not including shirt)

**Team Suit Girls-\$75, note girls suit you want it 1 size smaller than swim.
