

# **RIVER VALLEY**

## **(SPRING GREEN)**

Spring Green is located 35 miles west of Madison on Highway 14. The high school and middle school are located on the same campus, which is on the west side of Spring Green.

There is only one traffic light at the intersection of Highway 14 and Highway 23. There are two gas stations on this corner and Arthur's Supper Club. Go south at the lights and head into town. This is Wood Street.

You will see the high school on your right about 1/3 of a mile on Wood Street. Take a right into the school on Varsity Boulevard.

The middle school is across the high school parking lot to the south.
