TOPSoccer, which stands for **The Outreach Program for Soccer**, has been a part of Cal South since 1991. TOPSoccer is a community-based training and team placement program for young athletes with disabilities, organized by youth soccer association volunteers. The program is designed to bring the opportunity of learning and playing soccer to any boy or girl, who has a mental or physical disability.

West Covina Youth Soccer League ultimate goal is to enable the thousands of local athletes with disabilities to be valued and successful members of our soccer family.

Help Kids Develop Character

Character development includes learning, caring, being honest and respectful, and taking responsibility. Teach these values to players by demonstrating good behaviors yourself. Help them understand that they should try to win the battle on every play even though they might not be recognized for their efforts.

Every player is an individual. Provide a wholesome environment so that each one has the chance to learn how to play the game without fear and while having fun.

IMPORTANT INFORMATION

- **Keep our soccer fields clean** by PICKING UP YOUR OWN TRASH AT PRACTICES AND GAMES.
- **NO PETS!** The league can lose the permission to use the soccer fields and the owner of the pet can receive a ticket.
- **COACHS** remember to **pick up & RETURN ALL soccer equipment to the bins!!!**
- **SPONSORS** are very important to keep the league going. Please make sure to turn in your sponsorship forms and money to Jacob Ramirez.

Weekend Full of Soccer Activities

Picture Day October 4, 2014 & Game Day October 5, 2014

This past Saturday 1000 soccer players showed up at Wescove in full uniform to have their pictures taken. This is an all day even that takes a lot of coordination from the Board of Directors and precise planning on when each team will be taking their individual and team photos. We would like to thank all of the Coaches and Team Mom/Dads for assisting us in making this even run smoothly. We know that getting the kids lined up and positioning them is quite challenging at times but your dedication and assistance will pay off once all the players see their pictures.

Sunday we had all divisions play their games at their assigned field locations. We appreciate all of the parents that show up day in and day out to support the teams and the league. We also would like to recognize the children for going out on the fields and playing hard even under extreme temperatures.
