

12U C470 PARENT CODE OF CONDUCT

COLORADO SELECT GIRLS HOCKEY ASSOCIATION (CSGHA)

Sports should provide players a positive environment in which they can reach their fullest potential and most importantly have FUN. All parents **MUST** read and abide by this Code of Conduct. Following the Code of Conduct will make the sport more enjoyable for all and provide everyone the opportunity to play hockey in a well-organized and supported atmosphere, where they can achieve their varied goals and have FUN in the process.

All 12U C470 Parents agree to conduct themselves at the highest level of sportsmanship and follow standards and rules set forth in:

- USA Hockey Annual Guide, Official Rules of Ice Hockey & SafeSport Program
- Colorado Amateur Hockey Association Policies
- CSGHA Policies & Procedures (Player/Parent Handbook, Bylaws, SafeSport Program)
- 12U C470 Team Handbook
- Foothills Park & Recreation District Ordinances
- Edge Ice Arena Rules & Policies

12U C470 team parents and spectators agree to adhere to the following code of conduct:

- My daughter is here to learn and have fun.
- **WIN – What’s Important Now.** Winning is fun and a consideration, but not the only one, nor the most important one. Care more about your daughters’ long-term development than winning the game.
- I understand and will abide by the standards set for by the *USA Hockey Zero Tolerance Policy*.
- I will respect coaches, parents, officials and players, both on my team and other teams.
- I will not yell, swear or use abusive language or gestures towards other parents, players, coaches or officials.
- I will know and study the rules of the game and support the officials on and off the ice. This approach will help in the development and support of the game and create a positive environment.
- I will encourage my daughter to play by the rules. Remember, children learn best by example, so applaud the good plays of all players and teams.
- I recognize the importance of Coaches. They are important to the development of my daughter and the sport. I will communicate with them and support them.
- If I, or my daughter, have a legitimate concern about the program, I will set up a time to meet with the Coach(es). If after meeting with my Coach(es), I or my daughter feel the matter is unresolved, we will go to our Team Manager for assistance (see Article XIV. Grievance Procedure in the CSGHA Parent/Player Handbook).
- Any Parent/Guardian who cannot abide by these standards and rules or violates them may be subject to additional disciplinary actions as the Head Coach deems appropriate. Disciplinary action could include but is not limited to the following: verbal warning, written warning, suspension from attending practices and/or games, volunteer time and/or total suspension for the remainder of the season.
