Coach's Corner

Direct Players in Games

Game day direction includes figuring out a starting lineup and a substitute plan, relating to officials, opposing coaches and players in an appropriate manner, and making good tactical decisions during games. The focus is not winning at all costs but rather on teaching kids to compete well and do their best while winning within the rules.

Angry Birds vs. Angry Sharks

The TOPS Soccer Team Angry Birds under the direction of Michelle Longoria and Mike Longoria were able to play a friendly game again the U8 Angry Sharks this past Sunday. The TOPS friendly game took place at Coronado School. We encourage that the TOPS team have a game that resembles as much as possible to a regular game. We make sure that we have a referee calling the game and also that they have spectators cheering them on during this game. The TOPS team did very well and ended the game with a celebration for the players and their families. We would like to give a special thanks to Patty Daniels and the U8 Angry Sharks for coming out and playing against the Angry Birds. We would also like to give a special thanks to Noah for coming out and refereeing the game.
