Optional ways to contribute.

Share your biography-We would love to have your own personal biography as it pertains to wrestling. How, when and by whom were you introduced to wrestling. Write about your wrestling experiences as a wrestler, coach, official, contributor and who most influenced you. Try to keep your bio to no more than two pages/500 words. Keep in mind; we will include these in a museum display/book. Please include a headshot (picture) if possible.

Share your stories- If you have a story or anecdote (one or more) you find interesting about anything in wrestling, please take the time to write it down and submit to the committee. There have been more than just a few, but one or two ‘happenings’ may stand out as ‘more than memorable’, e.g. the most exciting dual match or individual match you witnessed; notable achievements of wrestlers or their stories.

Share your pictures- Get out all your old pictures. We would like to have a copies and/or originals. We will be able to digitize/scan and return if you wish.

Share memorabilia- Programs, tickets, medals, old gear such as shoes, headgear (there were a few different kinds!) old uniforms and warm-ups (even one would be great), and anything else representing our Wisconsin wrestling history.

Return this form to a WWCA District Representative or Alumni Chapter Member.
