50 Answered:

ADVERTISING Signs and emails from coaches were most effective. Though most thought we didn't get a large number of new players

CAMP - A few people may sign up for camp

TRAINER -Overall 24 highly satisfied with trainer... 22 satisfied, 2 not satisfied.

COACHES – Communication from coaches was good, most highly satisfied with communication and Parent coach

PLAYERS - 50% feel getting good value for the \$, others have not compared 90% say their child is having fun, learning and having a good experience

GENERAL COMMENTS- Hold off to inform players if they made teams until after the season is over. *Cannot since players are moving to other towns sooner and sooner.*

FUNDRAISING – on club level. Federal 501c3 status being obtained.

NEW UNIFORMS – Red for home, black for away
