## Coaching Application Form

Please use this form for all REP, Field and House League Coaching Applications

Upon review of your application, you will be contacted for a telephone meeting followed by an interview, if required. Assistant Coaches may also apply upon which your request will be forwarded to the selected Head Coach. Head Coaches select their bench staff with the executive intervening only under circumstances of concern. Please forward this form to [repdirector@banditslacrosse.com](mailto:repdirector@banditslacrosse.com)

NCCP coaching certification will be required for REP and Field coaches. NCCP courses will be paid for under assumption that you remain with the CVMLA for a minimum of two years per level increase. Coaching Certification requirements must be completed by May 1 of the current year
