

**HARBOR FINANCIAL ASSISTANCE & DISCOUNT PROGRAM
FALL 2019/20 SEASON**

Supporting our mantra that any player that is identified as qualified and offered a spot on a team will not be denied due to financial reasons, Harbor Soccer offers an Assistance Program for youth soccer players who are in need of financial assistance in order to participate in Harbor Premier. Each request is considered on a per season, case by case basis. All applications will be reviewed and subsequently approved for assistance if requirements are met. Harbor provides only partial fee assistance. A minimum deposit is REQUIRED on all player accounts and any remaining balance will remain the family's responsibility. Players receiving assistance must be signed up for the auto payment plans in Affinity using a valid debit/credit card or checking account. Awarded amounts will be added to your players Affinity account and lower the future monthly payments. Any account not kept current, will risk having any player card(s) associated with the account suspended and may forfeit the awarded financial aid.

Harbor Soccer has updated their program for the Fall 2019/20 season to better align with the guidelines in place for Peninsula School Districts Free and Reduced lunch program. If your player is already qualified for assistance through a local school district, the award letter may be submitted to the Treasurer in lieu of completing the income section of this application.
