

MID ATLANTIC WOMEN'S HOCKEY ASSOCIATION

Annual Meeting Minutes

Meeting Date: May 30, 2009

Lawrenceville, NJ

Board Members Present:

Donna Guariglia, President	Bob Forant, Red Division Representative
Nick Slagis, Executive Vice President	Don Gould, White Division Representative
Lisa Silvestri, Vice President	Dan Rodricks, Blue Division Representative
Lynnaire Vanderlinden, Secretary	

Parliamentarian: Nick Slagis

Handouts Distributed:

1. Treasurer's Report as of May 29, 2009
2. American Development Model Plan Proposal
3. MAWHA League Scheduling Jamboree Pilot Proposal
4. Revised MAWHA By-Laws
5. Revised MAWHA General Rules and Regulations
(With discussion points overview)

Call To Order

With a quorum present, the 2009 Annual Meeting of the Mid Atlantic Women's Hockey Association was called to order at 9:10 a.m., by President, Donna Guariglia.

Opening Remarks

Donna Guariglia welcomed all members and extended the welcome to include visitors from the Reston Raiders Hockey program who would later be making a presentation and application to join the MAWHA organization.

MAWHA is heading into its sixth season, has successfully hosted the 2008 USA Hockey Girls/Women's National Tournament and will continue to strive to achieve its goal of growth of the game of hockey amid the current economic conditions. USA Hockey recognizes that it is a struggle to participate in the sport and players are being lost. MAWHA will continue to work to help alleviate this situation. There are changes that will have to be addressed in the MAWHA By-laws with regard to declaring National Bound teams as Tier I and Tier II, which MAWHA has not previously done.

All are invited to attend the Atlantic District Annual Meeting to be held on June 20, 2009 at 9:00 a.m. at the Crowne Plaza Hotel, Exit 8A on the N.J. Turnpike. Of interest at this meeting will be a 1:00 presentation on Growth, New Ideas and Programs.

Donna concluded the opening remarks by thanking all MAWHA member organizations for their commitment and for everything they do in support of women's hockey and restated MAWHA's continuing commitment to furthering girls hockey.

Roll Call/Attendance

First order of business by President, Donna Guariglia, was to welcome and introduce new MAWHA secretary, Lynnaire Vanderlinden. Attendance was then taken by secretary, Lynnaire Vanderlinden, finding the following member organizations present:

MAWHA Member Organizations Present:

Hatfield Angels	NJ Rockets
Hershey Junior Bears	NJ Selects
Lady Patriots	Princeton Tiger Lilies
Long Island Lady Islanders	Susquehanna Rapids
Montgomery Blue Devils	Wissahickon Warriors
NJ Colonials	

MAWHA Member Organizations Absent:

Bethlehem Blast	Quakers
Frederick Fury	Quarry Cats
Mid State Golden Blades	Reading Junior Royals

Minutes from May 2008 Annual Meeting

President, Donna Guariglia, advised membership that the minutes from the May 2008 Annual Meeting were not available for distribution at present. They will be made available and will be sent to all MAWHA organization representatives, to be voted on for acceptance at the next Annual Meeting in May 2010 along with the minutes of the May 2009 Annual Meeting.

Treasurer's Report

The Treasurer's report was submitted on behalf of Treasurer Peter Rothman, who was absent due to his wife's recent diagnosis with cancer. Members were afforded time to review the report. Donna Guariglia advised that MAWHA was finally financially sound after showing a profit from hosting the 2008 National Tournament. There are plans to make use of some of those funds. As there were no questions or comments, the treasurer's report was accepted as submitted.

Member Updates

Donna Guariglia advised the membership that Paul Puchalik, MAWHA Commissioner, is currently dealing with health concerns including both issues with his heart and cancer. He is unable to be present at the Annual Meeting, however, he feels his conditions are treatable and that he will be back soon.

Donna Guariglia also advised the membership that MAWHA website coordinator, Julie Moritz's husband passed away and was not able to be present at the Annual Meeting. The website has served MAWHA adequately for the past five years, but now needs to be redesigned and updated.

MAWHA 2008-09 Season Report

Donna Guariglia advised that representatives from the Red, White and Blue Divisions would be presenting reports on the status and progress of their respective division. Concerning the entire MAWHA organization, the past hockey season ran very smoothly. There are a few important changes that will have to be made as MAWHA moves forward, namely the classification and registration of Tier I and Tier II teams, and increasing the number of minutes played per period.

There were no other comments or concerns from the membership regarding the 2008-09 season.

New Membership Applicant Presentation

Representatives from the Reston Raider Hockey Program, Cynthia Soucie, hockey director, and Brian Burke, U16 head coach, having previously submitted to Donna Guariglia a written application for membership, formally made a presentation requesting membership in the MAWHA organization. This was followed by a question and answer session with the MAWHA member organizations. Following the Question and Answer session, the representatives from the Reston Raiders Hockey Program were temporarily excused from the meeting for discussion among the membership. A vote was then taken by the voting representatives only from each member organization.

Summary of presentation:

The Reston Raiders are applying to enter one U16 team in the MAWHA Red Division. Previously the team played at U19 level in CBHL and won all games easily, necessitating a move, hopefully into MAWHA, for a higher level of competition. They also have a U14 girls travel hockey team in the CHBL and a U12 girls hockey team with light travel only. Their girls at the bantam level no longer wish to play on boys' hockey teams. Competition in the CHBL currently fits for their U14 and U12 teams, but not for their U16 team. The U16 team has very competitively played some MAWHA teams during the past year, namely Montgomery Blue Devils, Susquehanna Rapids, Quakers, and the NJ Selects. All but 2 players are returning, and they have added 4 strong players to their roster. The Reston Raiders is one of the largest girls hockey programs in Virginia. They believe the MAWHA Red Division is the appropriate level for them to be in as they have no where else to play. They have a full roster with 15 skaters and 2 goalies.

Summary of Members' Discussion:

Donna Guariglia reminded all present that in accordance with its mission to promote the sport of girls/women's hockey, MAWHA requires applicants to have at least two teams

in order to be considered for membership. There are some current MAWHA members that only have one team at present. MAWHA would consider and allow exceptions if a hockey program or developmental team is in existence. If accepted with only one team, it would be on a probationary basis for one year only, with two teams required by the second year. All members teams were invited to pose their questions to the Reston Raiders representatives.

Question: Are you a Tier I or Tier II level team? MAWHA members present who had played Reston Raiders during the past year confirmed level of play should be Red/Tier I level.

Question: Can you come in with one team and develop others? Travel is major issue for other teams, and current competition is adequate for them right now. Travel and fees are more extensive in MAWHA as compared to CBHL and younger players are not willing to move up. Both amount of travel and financial commitment are major concerns for families of younger teams.

The U16 team understands and accepts the level of travel and play required for MAWHA teams.

MAWHA comment: MAWHA has younger teams that could play Reston teams, and any and all would have to travel to Reston to play as well as Reston traveling to the MAWHA games.

Question: How is Reston's hockey program going to develop past the one strong U16 team? They have had remarkable growth right now at the U16 level and have had to make cuts at try-outs. They have nine 15 year old girls and seven 16 year old girls, and would have to field a U16 and a U19 team next year to accommodate all the players. That following year, they anticipate 4 teams, with two being entered into MAWHA.

Question: How do you see your hockey program growing? What happens at the lower levels? They host Open Skates for beginners. Held 4 this past spring, showing girls it is fun to play hockey. They provide skates and encouragement. They hosted 38 girls age 10 and under, and most intended to continue. Older girls skate with the new younger girls. They have an initiation program where they lend out a bag of hockey equipment for one year, then equipment is returned.

Question: If MAWHA hosted a jamboree would Reston be interested? There is a strong possibility that this would be well received. Would still have to sell this to the teams younger than U16, but it sounds appealing.

MAWHA comment: You need to focus on a second team, either a Blue, developmental team, or another second team, in order for MAWHA to grant full membership status.

You must understand that this roadblock will not go away in the future. Two teams prevent a "one team wonder". The focus of members in our organization is player development and the growth of the sport of girls/women's hockey.

Question: Are you willing to play home games away, and at a distance? Yes. A jamboree would be an easier option for possible second team. A second travel team of either U12 or U14 at Tier I or Tier II levels would be a harder sell for our organization.

MAWHA Comment: MAWHA league is currently stable, however we want to see growth continue.

As there were no further comments or questions posed to the Reston Raiders representatives, President Donna Guariglia excused them from the voting proceedings.

Pre-vote discussion:

Dan Rodricks, Blue Division Representative, advised that Reston could have the option to enter a U10 or U12 team in the Blue Division, which is so relaxed right now that they do not even have to play games. If they could commit to some type of Blue Division team or schedule some games within the Blue Division, they could easily comply with the second team requirement. The Blue Division teams were all classified as U19 teams this past year and teams varied in size and ages. Kids who developed moved up to White Division. It allowed older kids to play at a beginner level. Most teams scheduled games with non league organizations. Blue Division runs very informally. They would qualify under MAWHA guidelines if they commit to a Blue Division team.

Member question: Should we allow Reston to come in at the Red/Tier I level? Member organizations confirmed their level of play is Tier I without question.

Member question: Is program is built around one team? Member organizations advised that Montgomery has been the local dominant program. Reston had a strong program a few years ago, and is now re-developing its own program again.

Member comment: MAWHA should be strong in requiring two teams, and should push to continue for the growth of the sport, and should keep requirement to field more than one team.

Member comment: In view of current economic times, two months is too short to require commitment (since finances are a factor) of two teams prior to the start of the 2009-10 season. Suggest probationary year with one team, with a second team to be added after one year.

Member comment: Suggest entering U16 Red/Tier I plus one other team with choice of level, on probationary status for one year.

Motion was made by Nick Slagis as follows: "Reston Raiders are offered probationary membership conditional on entering two teams in the MAWHA league for the 2009-10 season, and upon successful completion of both team's seasons. Probationary status will be reviewed prior to the 2010-11 season at the 2010 Annual Meeting."

Motion was seconded by Paul Bardell, and unanimously approved by voting members.

Donna Guariglia welcomed Reston Raiders back into meeting proceedings. Acceptance terms and conditions were announced and read by Nick Slagis. Donna explained to the Reston Raiders representatives that the MAWHA membership feels a two team commitment is necessary. Obviously, the U16 team can make a commitment, but MAWHA would like another team to commit, and the members would prefer a U14 team entered in the Blue Division, in order to solidify their position in our league and provide opportunities for the following season. We would like to know by July 2009, the teams to be entered for the 2009-10 season. Donna then extended congratulations and welcomed the Reston Raiders into the MAWHA organization.

American Development Model Plan Proposal

Nick Slagis is the MAWHA liaison for the Atlantic District for the American Development Model (ADM) Plan. He presented an overview of this program, and provided the membership with a hand out entitled "American Development Model: A plan for long-term athlete development, Endorsed by the National Hockey League."

USA Hockey has a new research based training and development focus, to train hockey players equally, by age and gender. USA Hockey is beginning to accommodate females playing hockey. Their website now breaks out programs for females and has conceptual ideas for working models. Their object is to get kids into hockey, to show that hockey can be fun, and to encourage multi sports for kids.

Based on research, the peak age for development for women is age 11-12-13 years of age. The USA Hockey focus is to properly train girls for hockey at a younger age than previously targeted.

Are there any MAWHA teams willing to become involved with this program? It is not mandatory. Nick will put together a committee, and members should let him know if and how they are interested in this program.

The Quakers advised that they will embrace this program.

The Colonials advised they would possibly become involved in this program.

Donna Guariglia invited all MAWHA members to join Nick's committee. MAWHA is one of the largest girls/women's leagues in the country and can help to implement this USA Hockey program countrywide. USA Hockey is very receptive to all feedback it receives from MAWHA. It is important to continue to develop all women in the sport of hockey.

MAWHA League Scheduling Jamboree Proposal

Don Gould distributed a hand out to the membership entitled "MAWHA League Scheduling Pilot Proposal" which detailed a new proposal for scheduling games to be implemented for the 2009-10 season. He reiterated that MAWHA was working to develop a 'Five Year League Plan', and could make use of available league funds to assist in this plan. Along this line of thought and due to the growth pattern and interest of members, he has come up with a proposal for a jamboree style of game scheduling. He suggested that members try this style of scheduling for the upcoming 2009-10 season on a volunteer basis. It may encourage membership for distant organizations. A jamboree idea was originally proposed two to three years ago. It can open up options for practice or other game travel.

Summary of member discussion on this proposal:

Member comment: In the long run it sounds interesting, except for the problem that ice slots are difficult to get, and getting a whole weekend is too hard. Would not be able to consider scheduling on this basis for the coming season.

Member comment: The Colonials would be willing to host a jamboree and work out the details.

Member comment: There is a sense that for the different members, ice fees can either positively or negatively affect each organization. If the jamboree worked, it would have to be agreeable to all to play at a central location as well as being financially feasible for all, taking into account that members are still obligated to buy ice slots at their home rink for practices, clinics and other games. Then there's also the issue of excluding girls from playing hockey. The grass roots ideal for girls to play hockey within their own local area should not be discouraged. You don't want to put a halt on MAWHA's efforts of growing girls hockey.

Don Gould: This proposal is on a voluntary basis only, with no obligation for any member organization to run a jamboree. The intent is for league teams only to play their games in a jamboree style schedule. We are looking for 25% of the teams to begin on a voluntary basis. So far, 4 or 5 clubs have been enthusiastic about this.

Member comment: MAWHA teams are currently competing for players. When games are scheduled a distance away from your organization you lose proximity for players, and the whole geography is blown out.

Member comment: Our organization does not wish to be driven into this type of scheduling plan.

Don Gould: Member points are valid and understandable, some members are comfortable and embrace the plan as a means to save money. MAWHA is simply

looking for validity and enthusiasm for this proposal. If members choose to participate, they will be able to see if the plan works on a league level.

Donna Guarigila: MAWHA's 5-year plan is just starting. Not all members can get ice at reasonable costs. This plan might restrict some organizations, but the plan has some potential. Some organizations like the format.

Member comment: Condensing the game schedule may allow other use of a team's home ice. Suggest trying this for one year.

Member comment: The issue is that this program seems to be forced upon the entire group of MAWHA members. If on an optional only basis, then there are no objections.

Don Gould: It is a pilot program, suggested for 2 to 3 seasons to see if it is a viable alternative. To go over the facts, this is a model only. It is up to each organization if they can make this work. Suggestions are to use Saturdays and Sundays only, with one overnight stay necessary. Teams would have to designate by July 1st which weekends they have available for use, for volunteers who would like to either host or participate. An alternative option would be to schedule jamborees for single age levels only. During the first year, we would gather data on problems, pitfalls, successes and then make a decision if plan is viable.

Member comment: In past seasons, the Blue Division ran a jamboree with mini games which worked well. This could again be done with shorter periods and running clock time for the Blue Division.

Member comment: Based on the wide geographic area of the MAWHA members, we need to identify each organization's travel limitations.

After comments and discussion, it was decided and agreed by the membership not to implement this program for the upcoming season on a league wide basis. If any members wish to consolidate and coordinate their games with another member team, as some have done in the past, they are free to continue to do so. All members should email their comments and concerns to Don Gould.

MAWHA Five Year Plan Proposal

Dan Rodricks summarized the current status of the MAWHA Five Year Plan to get more and younger girls interested in playing hockey. The ADM (American Development Model) of USA Hockey is a very important factor in this process. Outreach to new players should be a MAWHA league priority. It has been previously discussed and approved to use MAWHA funds to help do this. There is currently over \$75,000. accrued over several years, after hosting the 2008 National Tournament, that is available for use. A grant system could be utilized to make use of these funds.

Member comment: An issue and obstacle for new players is buying equipment, which is obviously specific to each player. To subsidize the cost of hockey equipment and/or fees, a grant from these funds could be used.

Member suggestion: Grants from these funds could possibly be used for ice time and equipment to subsidize costs for a "girls only house league" in order to get younger, local girls interested in playing the sport of hockey.

Dan Rodricks: MAWHA would entertain applications for consideration for grants.

Member comment: There is a travel issue to consider for beginning hockey players. Based on the number of boys' hockey teams available, boys' teams do not have the extent of travel and therefore, expense, that girls' hockey teams require. Besides equipment, grants could also possibly be utilized to help defray the cost of fees.

Member comment: Goalie equipment is an issue for beginning players. A grant to defray the cost of goalie equipment could be very instrumental in developing female hockey players as goalies. It could be used to buy "team" goalie equipment.

Summarization by Dan Rodricks: The Five Year Plan is a priority. A form will be put together and put onto the MAWHA website to use for grant applications to aid members in this endeavor.

Website Reconstruction

The MAWHA website has been in use for the past five years, and while has been adequate so far, now requires updating. A website management service is now necessary and new technology is now available. Bob Forant will be heading this reconstruction. Members should send all information to be put onto the website to Bob Forant. Julie Moritz previously entered all the statistics, however a new service will be utilized when the website is updated to report statistics, with the home team responsible for reporting information. MAWHA funds will be used to cover the website expense.

USA Hockey Play Like A Girl Newsletter

Donna Guariglia requested all members to continue to send in all information and submissions for the USA Hockey Play Like a Girl Newsletter. Some members have submitted lengthy and noteworthy items that have been published in the newsletter. Items to be submitted, although concerning either a team or player, do not have to actually involve hockey. Any noteworthy news or event can be published, along with photos.

MAWHA By-Laws Revisions

Nick Slagis provided all members with a copy of the Revised MAWHA By-Laws as proposed at the January 2009 Mid Winter meeting. Members were given time to

peruse the revisions. A Motion was made by Don Gould to accept the Revised By-Laws. The motion was seconded by Dan Rodricks. Motion to accept By-Laws was unanimously approved by all voting members. The Revised By-Laws will be incorporated into the MAWHA website.

MAWHA Rules and Regulations

Nick Slagis provided all members with a copy of the Revised MAWHA Rules and Regulations, along with an overview of the intended revisions.

Revisions proposed as follows:

Section 2, page 3, Item 5a – necessary update. Payment amounts to officials increased.

Membership agreed to revision.

Section 2, page 4, Item 11a,b,c – necessary update. Length of periods increased.

Membership agreed to revision.

Section 2, page 4, Item 12 – necessary update. Penalty time increased. Membership agreed to revision.

Section 2, page 5, Item 13 – necessary update. Penalty time language added.

Membership agreed to revision.

Section 4, page 9, Item 4d – necessary to follow Atlantic District rules. Player movement between Tier I and Tier II teams limited downward from Tier I to Tier II, but no limit upward from Tier II to Tier I. Membership agreed to revision.

Section 5, page 11, Item 2d – Executive Board feels change is required. Fines language added for forfeited unplayed games. Membership agreed to revision.

Section 7, page 15, Item 4a – necessary update. Language revised for annual tryout date. Membership agreed to revision.

Section 8, page 17, Item 8 – clarification necessary. Language revised to allow board of appeals regarding MAWHA Championship participation requirements.

Membership agreed to revision.

Section 9, page 18, Item 2b – revision to follow USA Hockey guidelines and Atlantic District Playoff Requirements for Tier I and Tier II players. Language revised to allow board of appeals, and game requirements reduced for Tier I teams from 50% to 25% of league game participation.

Member discussion followed on this revision request to change the percentage amount of required game participation. Members were opposed to decreasing this requirement for Tier I teams for the 2009-10 season.

A motion was made by Joan Van Hise to keep the percentage of games played requirement at 50% for Tier I level teams, along with the Tier II level teams effective for the 2009-10 season. This motion was seconded by Julie Wash.

The motion to revise this Rules and Regulation item was voted on by all voting members. Motion was passed by all voting in favor with the exception of one voting member being opposed.

Section 9, page 19, Item 4 – necessary clarification. Atlantic District Playoff format language revised. Membership agreed to revision.

Section 13, page 23 and 24 – all items – MAWHA Tampering Policy added. Tampering

policy should be followed for the 2009-10 season and the contract wording must be put into place by all members on all contracts for the 2010-11 and all subsequent seasons. Membership agreed to revision.

General language was added throughout the rules and regulations where appropriate to augment the MAWHA Red and White Divisions by adding the terminology Tier I after Red Teams, and Tier II after White Teams.

A motion to accept these Revised Rules and Regulations was made by Joan Van Hise. Motion was seconded by Zoe Schwam. Motion was unanimously approved by all voting members. Revised MAWHA Rules and Regulations will be incorporated into the MAWHA website.

Election of Officers

Parliamentarian, Nick Slagis, confirmed and advised that according to the By-Laws, an election of the President, Commissioner and Secretary was required. The positions are currently held as follows:

President: Donna Guariglia
Commissioner: Paul Puchalik
Secretary: Lynnaire Vanderlinden

A motion was made by Bob Forant to elect and continue with the present positions of President, Commissioner and Secretary for a period of two years. Motion was seconded by Dan Rodricks. Motion was unanimously approved by all voting members.

MAWHA Calendar

AAHA Annual Meeting – (optional) Saturday, June 20, 2009 – 9:00 a.m.

MAWHA Schedulers' Meeting - Monday, August 24, 2009 - 7:00 p.m.

MAWHA Playoffs – March 6 – 7, 2010

District Playoffs – March 19 – 21, 2010 @ Mennen Arena, Morristown, NJ

USA Hockey National Tournaments: March 28-30, 2010 –Sr. Women @ Green Bay, WI

April 4-7, 2010 –Tier I @ Green Bay, WI

April 4–7, 2010-Tier II @ Lansing, MI

MAWHA Playoff timing and dates were discussed among the membership. A motion was made by Joan Van Hise to set the MAWHA Playoff dates at March 6 – 7, 2010. Motion was seconded by Paul Bardell. Motion was unanimously approved by all voting members.

2009-10 Preliminary Team Declarations

The following teams have been declared by the membership for the 2009-10 season:

Tier I (Red) Division

U19: Lady Patriots
L.I. Lady Islanders
NJ Colonials
NJ Rockets
NJ Selects
Susquehanna Rapids

U16: NJ Colonials
NJ Rockets
Princeton Tiger Lilies
Quakers
Reston Raiders

U14: L.I. Lady Islanders
Montgomery Blue Devils
NJ Colonials
Princeton Tiger Lilies
Quakers

U12: Montgomery Blue Devils

Tier II (White) Division

U19: Hershey Jr. Bears
L.I. Lady Islanders
Mid State Golden Blades
NJ Selects
Quakers
Susquehanna Rapids
Bethlehem Blast

U16: Hatfield Angels
Montgomery Blue Devils
NJ Colonials
Quakers
Wissahickon Warriors
Quarry Cats

U14: Hatfield Angels
L.I. Lady Islanders
Mid State Golden Blades
NJ Colonials
NJ Rockets
Princeton Tiger Lilies (poss.)
Quakers
Susquehanna Rapids (poss.)

U12: Hershey Jr. Bears
L.I. Lady Islanders
NJ Colonials
Quakers
Susquehanna Rapids (poss.)
Quarry Cats

U10: L.I. Lady Islanders
NJ Colonials
Princeton Tiger Lilies (poss.)
Quakers
Susquehanna Rapids

Blue Division

Lady Patriots (U12)
L.I. Lady Islanders (U12)
Montgomery Blue Devils (U12)
NJ Colonials (U12)
NJ Selects (U12)
Reston Raiders (U12)
Susquehanna Rapids (U16)
Mid State Golden Blades (U10)

(Note: The Quakers, although absent from the Annual Meeting, had previously advised President Donna Guariglia the teams they intended to declare for the 2009-10 season.)

New Business

President, Donna Guariglia called for any and all business to be brought before the membership. As there was no other new or unfinished business, the meeting was adjourned at 12:30 p.m. by President, Donna Guariglia.

I attest that this account is true and accurate.

Respectfully submitted,

Lynnaire Vanderlinden
Secretary

Team Contact Information Sheet

Addendum to Minutes of Annual Meeting May 30, 2009:

Following the meeting of May 30, 2009, information on team declarations was submitted to President Donna Guariglia by the member organization Mid State Golden Blades. This information is as follows, and in order to afford as complete a list as possible to the membership, has been included on the completed list of MAWHA 2009-10 Team Declarations as previously stated within these minutes:

The Mid State Golden Blades intend to enter MAWHA teams at the following levels:
19U – Tier II, 14U – Tier II

Following the meeting of May 30, 2009, the date of the Managers/Schedulers' meeting was revised from Saturday August 15, 2009 to a new date of Monday, August 24, 2009 at 7:00 p.m. In order to provide an up to date calendar to the membership, this has been recorded in these minutes as such.

Attest: _____
Lynnaire Vanderlinden
Secretary
