

Waukesha Co-op Sports

If one of your athletes is injured during a practice or game, please follow this protocol:

1. Coach ID injury.
2. Coach refers athlete to appropriate home athletic trainer (West, North, or South), including supplying phone number.
3. Athlete visits athletic trainer the same day or the following day for check-in/assessment.
4. Athlete may not participate until athletic trainer clears through written notice (note or email) or phone call to the coach.
5. If the athlete goes to the doctor on their own or is referred by the athletic trainer, they must bring a note back stating what they can and cannot do. This note should be kept on file by the athletic trainer.
6. All suspected head injuries or concussions must be seen by the athletic trainer and they may not return to any kind of practice or conditioning until cleared by the athletic trainer or physician.
