

West Covina Youth Soccer League

April 13, 2015- Spring 2015 Edition- Issue #1
Spring has arrived!!

After months of preparation the Spring Soccer season has began. It all began with the coaches meeting where the coaches received their rosters, followed by the field lining and uniform distribution. Last Saturday Coaches, players and team moms came out for their first games. All of the players were wearing the new uniforms that the BOD choose for this season. Part of the proceeds from the uniforms will be donated to Homes for our Troops. The league is proud to be able to support a good cause and give back to those soldiers that have served our country.
