6th –12th grade \$125 (for a QB and 2 WR) Prior to the beginning of the 7 on 7 and summer football camp season, the Southeastern QBR Camp will launch you into optimal performance. Designed to give both QBs and WRs the maximum amount of high intensity reps, this is not a “stand around” camp where you wait in line and hope to occasionally receive coaching. You will receive high quality instruction from experienced QB and WR coaches using a variety of innovative methods. For QBs, emphasis will not only be placed on throwing fundamentals and techniques, but footwork and pocket presence. WRs will receive not only a maximized number of catching reps, but will be instructed in route-running and release techniques. Get ahead of the competition before summer workouts and competition even begin! The QBR Camp serves as a springboard for QBs and WRs into the 2015 season. **For only \$125 a QB and 2 of his WRs can attend.** Both QBs and WRs will work in age appropriate groups but receive the same coaching and instruction on the same field. Don't wait until July to be in top form. Get ahead now! ****Campers should wear cleats and QBs should bring a football**** Walk-up registrations welcome. \$25 discount for signups before May 30!
