

Sioux Falls Youth Hockey Association

Friend of the Flyers Donation

Sioux Falls Youth Hockey Association Objective

The objective of the Sioux Falls Youth Hockey Association is to develop and support programs that increase participation and improve the skills, teamwork, and sportsmanship of our young athletes. Our association provides high quality teaching and leadership in a safe and healthy environment. We are the only Sioux Falls based non-profit hockey organization and provide programs that meet the needs of beginning, intermediate, and advanced players. Additionally, we offer game opportunities to those who wish to play in a non-travel city league or to those who wish to play in more competitive travel games/tournaments.

Why Donate:

For those businesses/individuals that have supported us in the past, we sincerely THANK YOU for your support. For those considering a "Friend of the Flyers" donation, please know that your support is greatly appreciated and that all funds are used to help maintain a quality hockey experience for our local players while keeping registration costs as manageable as possible for our hockey families.
