Coaching: ** An email has been distributed to coaches to submit applications. B. Grady will coordinate a coaching committee to consider the applications.

Registration: ** Midget registrations have begun. One issue that has come up is that with kids registering at times different from their siblings the multiplayer discount won't automatically occur. We will need to do this manually in the fall when the rest of the organization registers.

Scheduling: ** M. Christ attended a scheduling meeting with the Arena and other organizations using the Arena. There is a girl's high school team being organized this year which will use some ice slots.

**There has been some discussion about coordinating with the figure skating club for LTP/LTS again. A meeting will be set up to discuss this option.

**There is another meeting on 6/17/15 with the Arena to discuss ice slots. Zalewski and Davignon will attend with Christ.

**K. Getman suggested distributing our flyers in surrounding area schools that do not have a youth hockey program to attract players to LTS/LTP. We will plan to do this in September.

**K. Getman suggested rolling the Utica College game ticket sale into the registration. Motion to increase registration to incorporate \$20 per player to purchase fundraiser tickets. Getman and Zalewski. Accepted.

**B. Fuller would like to re-organize the website. Motion to give B. Fuller rights to the website so she can do so and to limit access to J. Bonomo, M. Christ and B. Fuller and to remove rights from any other non-board members. Christ and Fuller. Accepted.

**We will attempt to give coaches to a limited page for their team.

**There is also potential to sell advertising on the website. This will be explored by B. Fuller.
