Don't have a Sport Ngin account?

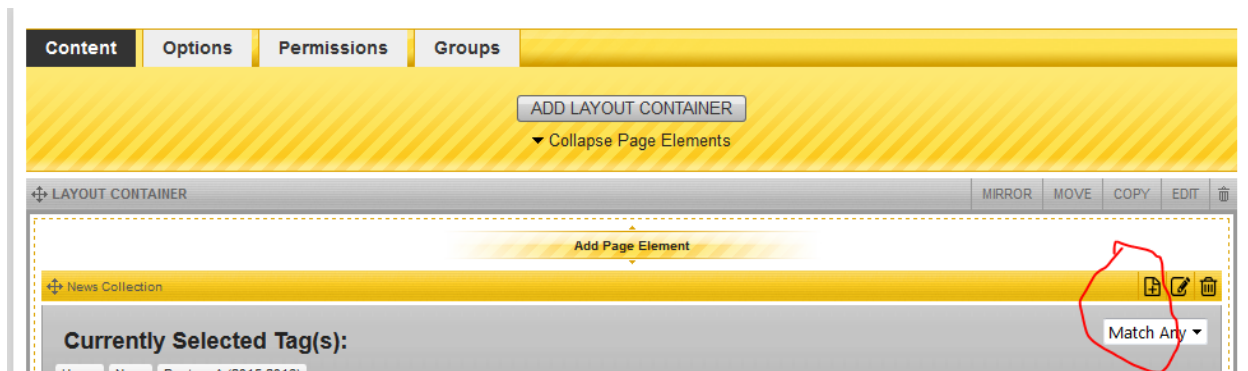

Your FREE account gives you access to exclusive content and features across all websites on the Sport Ngin network.

Toggle the light switch icon to “Edit” Note that colors of the screens change to Yellow

To add a new article, click the + icon noted below

Tags simply state where the News Article will show up – on the news sections for each team, for example. The default settings should be simply “news” and “home” unless there’s a specific team article that impacts the entire organization.

For managers that wish to notify their teams, the setting should be ONLY the specific team in question – not the collective “news” and “home”

Scroll down to see the “create this news article” button (not pictured)
