

DO YOU WANT TO LEARN TO PLAY HOCKEY LIKE A TIGER?

Gardiner Youth Hockey Association has openings at all levels. These are developmental programs with two practices each week—Mondays and Wednesdays for one hour each at Kent’s Hill School, with games on the weekends. Our focus is to introduce and develop new players to the game of hockey. We do this through structured, well coached practices that stress FUN, skills development, and team work. You DON’T need to be from Gardiner to join. This is a great opportunity for young players to learn the game especially now that more High Schools offer hockey.

“But I heard hockey was expensive?”

GYHA has always worked very hard through its fund raising and community development efforts to keep hockey as affordable as possible. In addition, we are offering a special promotion:

****New Players Play for the Whole Season for Just \$99!**** We also have some equipment available to borrow and will work with families to help find affordable equipment. In addition, you can try it for up to 4 weeks **FREE** before committing to the season! Bring friends with you to enjoy the fun together!

“Don’t hockey players have to travel a lot and have really early ice times?”

These teams are part of a Tier IV (rec) program, not a super competitive ‘travel hockey’ team. Home games are played at Kent’s Hill and away game will be at rinks that are not far away. We have also been able to schedule very convenient practice ice times on Monday and Wednesday each week and that won’t change.

“My son / daughter has never skated before. Can he / she play?”

Absolutely! We are committed to sharing this sport with anyone who wants to learn. Your child will learn to skate in a welcoming environment with encouragement and coaching.

“How do we learn more? “

Visit us on Sign Up Night on Tuesday, September 15 from 6—8 PM at Gardiner Middle School. There is no commitment necessary if you just want to learn more. Lots of information about our association can be found on our website: www.gardinerhockey.com. You can also e-mail us at: info@gardinerhockey.com

Gardiner Youth Hockey is a non-profit organization focused on youth athletics and player development.

This is not a school sponsored event
