Dear Madison Community Services –

On behalf of Madison Travel Baseball and the players and families in our Program that helped support our car wash fundraiser, I am pleased to enclose a check for \$230.00 to support your wonderful organization.

We hope that these monies will help to support your food pantry, and if need be support any other operations that may arise as you help to improve the lives of so many within our community.

Madison Travel Baseball is a non-profit organization with a dual mission of promoting baseball in Madison while at the same time helping to build young men of strong character who are inclined to give back to their community. The monies raised herein are a direct result of those principals as the players themselves, as young as age 9, worked to help raise these funds to support charitable efforts.

Thank you for all you do to help make the Town of Madison such a caring community. Your efforts are very much appreciated.

Sincerely,

Ken Carone
