

OUT OF STATE STUDENT SCHOLARSHIP OPPORTUNITIES AT BOISE STATE:

Scholarship opportunities available for out of state students at Boise State University! We are looking for talented players who have demonstrated hard work and dedication on the pitch and in the classroom. The Boise State Rugby Club currently has scholarships available for the 2016-2017 school year. If you are interested in earning a scholarship to attend Boise State University, fill out the **Boise State Rugby Recruit Information Form** (visit: www.boisestaterugby.com/recruits/) and provide as much information as possible (cumulative unweighted GPA and either the ACT or SAT critical reading and math score are needed to determine eligibility). The Boise State Rugby Coaching Staff will use this information to identify eligible candidates. We are excited to have scholarship opportunities available for students looking to continue their education and Rugby career at Boise State!

If you are guaranteed a scholarship, our Rugby program will notify the Financial Aid office of your scholarship status and you can move forward with the admissions process. **Admissions Applications must be submitted to Boise State University by Dec. 1st** of your senior year (or the year prior to transferring from another University). Scholarships awarded can range in value from \$9,500-\$12,800.

Feel free to contact us if you have questions: boisestaterugby@boisestate.edu

Boise State University is an up and coming rugby program that presents students with the opportunity to have an amazing college experience both in the classroom and on the pitch! Our program is supported by the University with amazing facilities such as the Caven-Williams Indoor facility for all practices, strength and conditioning coaches for our athletes and both a grass and synthetic turf fields with scoreboards for home games. Boise State Rugby competes in the Northwest Collegiate Rugby Conference with teams such as the University of Washington, Washington State University, Eastern Washington University, Western Washington University, Central Washington University, University of Oregon and Western Oregon.

In addition to the amazing facilities, Boise State has top notch coaching! The 15's program is headed up by Jeremy Haener and Matt Genetti. Coach Haener and Coach Genetti are Boise State Alum who have returned to the University to help raise the standard of Rugby and lead the program during an exciting time as collegiate Rugby becomes more competitive across the USA landscape. They both had successful careers with the Snake River Rugby Club, helping lead the club to 8 Pacific Northwest Championships, 4 Pacific Coast Championships, 5 Sweet 16 appearances and 2 USA Division II Final Four appearances. In addition to their time on the pitch, they have dedicated their efforts to grow the sport of Rugby at the youth ranks. In 2009 they served as founding members of Rugby Idaho, Idaho's youth Rugby organization and still serve on the Rugby Idaho Board of Directors.

The 7's program is headed up by Mike Saunders. Coach Saunders is a former player for both the 15's and 7's US National teams as well as a former coach of the US 7's National team, Pacific Coast Grizzlies, NA4 US Falcons and is the current 15's coach for the USA DII national powerhouse Snake River Rugby Club.

Add on top of all of that the access we now have to scholarships and Boise State Rugby is primed to quickly become a national contender. Scholarships are available starting with the 2016-2017 school year.
