With three convenient locations in Harmarville, Warrendale, and Bethel Park, BladeRunners has established itself as the industry leader for all your skating needs. Harmarville was opened in 1992 and was the first twin-ice facility in Pittsburgh. Due to the enormous popularity of this facility, two more locations were developed. The Warrendale facility was opened in 1994 and Bethel Park in 1995. In September 2003, a third rink was added to the Harmarville location. The new rink has seating on both sides of the arena and is one of the largest hockey venues in Western Pennsylvania. This multi-purpose facility offers ice activities in the winter and in-line activities in the summer.

The facilities are home to over 6 amateur associations, 15 high school organizations, 200 high school hockey games, 45 adult hockey teams, 4 men's and women's college hockey programs, 3 figure skating programs, 25 youth and adult in-line teams, and numerous in house skating and hockey programs.

BladeRunners has hosted several national competitions in both hockey, in-line, and figure skating since 1992. In 2005, the Harmarville location in partnership with California University of PA hosted the ACHA Division III Men's National Hockey Championships. The BladeRunners Bethel Park has served as the Vulcans Hockey Club home since the 2004 hockey season.

BladeRunners looks forward to serving the Pittsburgh hockey and figure skating community for many years to come. Please view our many programs and events that are contained in this web site.

If you need to contact the Bethel Park facility, please call 412-855-8500.

Alli Paratore was named a ACHA Division III 1st team All-American last season. She is only the second player in Vulcans history to earn that honor.

Vulcans 2012-13 Season Starts With Great Excitement

Cal looks to earn their second ever ACHA Division II National Tournament Bid

The Vulcans program is buzzing with excitement after last years trip to the ACHA National Tournament.

For the first time in the teams history they qualified to compete in the ACHA Division II National Tournament in Wooster, OH. Although the Vulcans finished in sixth place the accomplishments were second to none.

This year the Vulcans will again look to compete for their third DVCHC Championship and a return birth to the ACHA Division II National Tournament.

This season the Vulcans return many key players including a first team ACHA Division II All-American, their team MVP, top five leading scorers and goaltender from a year ago.

The team will only need to replace the loss of four players. Captain Ashley Schlag, Lacey McCuean, Kerri Connolly and Jen Dulski.

Schlag had appeared in more games than anyone in the clubs history with 86 games played. This past season she also served as the teams captain.

Both Dulski and McCuean spent two season with the Vulcans and left lasting impacts.

Dulski was an alternate captain last season and a leading force among the Vulcan defenders.

McCuean was a very consistent contributor to the Vulcans during her two years. She provided a spark of scoring among the Vulcan scorers averaging near 10 points a season.

Connolly spent only one season with the Vulcans appearing in only about half of the teams games. In only 13

games she posted nine points for the Vulcans.

Replacing leadership will be a tough task for the Vulcans but meshing the teams newcomers may prove to be the tallest task for the coaching staff.

The Vulcans will start the season with three netminders in Nicole Jones, Maria Sciacca and Shelby Zikeli.

Jones returns as the teams leading goaltender from a year ago. Last season she posted a 3.10 GAA with a save percentage of .871.

Providing some leadership and stability to the Vulcan goaltending staff will be a task for Jones going into this season.

Both Sciacca and Zikeli are freshman and will look to quickly make an impact on the ice.

On the defensive unit the Vulcans will again be anchored by Alli Paratore, Michelle Daley and Margo Labon.

Paratore comes off an award winning season that saw her named a first team ACHA Division II All-American and a second team ACHA Division II All-Tournament Team.

Spending time at both the defensemen and forward position Alli will look to add an offensive spark for the Vulcans. Last season she led all defensemen in goals, assists and points.

Daley starts this season as the longest tenured Vulcan with 67 games played. Over the past three years Michelle has proved to be an offensive force while also providing a backbone to the Vulcan defensive unit.

Labon rounds out the returning defensemen from a year ago. Last season Margo led all freshman in goals, assists and points.

Junior Megan Cooper led the Vulcans on offense last year and was voted the teams MVP

New to the defensive unit this year will be Hayley D'Hondt, who will also move back between the forward position, and Chelsea Phipps.

The Vulcans forward group retains six members from last season. They are anchored by Megan Cooper, Dana Bowersox, Angelica Smith, Melissa Heisler, Lauren Lehman and Lena Merlino.

Cooper, currently second all-time in scoring for the Vulcans, led the team last season with 29 points. She was also named the teams MVP.

Bowersox made a strong impression in her first season last year. She was second in goals with 11 and was an offensive force all season long for the Vulcans.

Smith, who is the longest tenured forward on the team, was second in points last year with 21. Angelica was also an alternate captain and will look to provide leadership to this group throughout the season.

Heisler also served as an alternate captain last season for the Vulcans and was one of teams most balanced players. She will look to take on a larger leadership role this season.

Lehman spent most of last season as a forward before being asked to play defense

during the teams post season run. Lauren will return to her forward position this season looking to build off of what was a very good Freshman campaign.

Merlino rounds out the Vulcan forward group from a year ago. Lena has been a staple in the Vulcan lineup over the past three seasons only missing one game.

During the offseason the Vulcans added a number of

players to an already talented forward group. This years additions include Jess Britton, Kelsey DeNardo and Alyssia Ong.

On their quest for a third DVCHC Championship and second ACHA Division II National Tournament bid the Vulcans will face a number of familiar opponents.

The Vulcans will have 13 DVCHC league games. The team will also play Penn State

University, University of Buffalo, Chatham University and Slippery Rock University in a non conference contest.

New this season are Michigan State University who the Vulcans will play twice and Harvard University. The Vulcans will face Harvard at the Ice Line West Chester during a routine DVCHC trip to the eastern side of the state.

(Left) Junior Dana Bowersox was second on the team last season in goals with 11 trailing only Megan Cooper.

(Right) Senior Michelle Daley has played more games than any other active player on the Vulcans roster at 67 games. She trails Ashley Schlag's record of 86 by 19 games.

SEASON REVIEW

The 2011-12 season was a historical year for the women's hockey team. This season saw the club earn its first ever ACHA Division II National Tournament berth. They started off the season slow losing seven straight before turning the tables and finishing the season going 8-5. For a second year in a row the Vulcans managed to defeat the University of Delaware in the DVCHC playoffs, this time in the first round, before falling to the eventual DVCHC Champion West Chester University. After the playoffs the team went on to Wooster, OH where it was unable to win a game during the National Tournament but gained valuable experience to use on its journey to try and return next season.

This season also marked the second time in club history that a player was named an ACHA All-American. Sophomore Alli Paratore was named a 1st team ACHA All-American and a 2nd team ACHA All-Tournament. Paratore also led all DVCHC players with an astounding plus/minus of 25. During the season the Vulcans were led offensively by Megan Cooper, voted team MVP, who recorded 16 goals and 13 assists for 29 points and was among the leaders in the ACHA in scoring. In goal freshman Nicole Jones proved to play well as she won eight games with a goals against average of 3.10 and save percentage of 87.1%.

Heading into next season the Vulcans will only look to replace four players from this team Ashley Schlag, Kerri Connolly, Jen Dulski and Lacey McCuean. Schlag will leave the club after playing more games than any other player in the teams history.

CALIFORNIA UNIVERSITY OF PENNSYLVANIA

VULCANS

History

The hockey club at California University of Pennsylvania has been in existence for many years, but its past history is certainly not one of great success and accomplishment. In 2002, however, that legacy was broken. That year, Jamison Roth teamed with advisor Chuck Bohn to breathe life into the forgettable program. What has happened since has been a rise to excellence that has placed Cal U among the top hockey programs in the region and nation. The future promises a bright future for Cal U Hockey.

Cal U joined the College Hockey East (CHE) for the 2002-03 season and immediately established itself as a team to be reckoned with by winning the 2003 CHE Provisional Tournament Championship. That same year, Cal U joined the American Collegiate Hockey Association (ACHA) at the Division III level. The CHE team (CAL 1) is still a member of CHE and ACHA today. The CHE currently consists of teams from western Pennsylvania and western New York, while the ACHA DIII level is approximately 140 teams from colleges and universities across the nation. Cal U is currently the six time defending CHE conference champion (07,08,09, 10, 11, 12). The program also won the University's first ever male national team championship, as the Vulcan's won the 2008 ACHA Division III National Championship. The ACHA holds its annual national tournament every March at various locations across the country. California University of PA hosted the 2005 ACHA DIII National Championships in Pittsburgh where the team finished 7th overall.

Hosting the 2005 National Tournament in Pittsburgh went a long way in strengthening the relationship the hockey club has with the University. While the team is unable to provide scholarships to its players, the University does provide the team with the financial and academic support it needs to operate effectively. The club is still run by the players, who pay dues each semester and form a Board of Directors to oversee its operations.

After starting the 2002 season with only 12 players, the Cal Hockey Club has grown to over 60 men players strong, warranting the formation of a second men's team. The Collegiate Hockey Association (CHA) was formed in 2004 with Cal U's second team as one of four founding members. The purpose of the CHA team is to provide another level of play for Cal's hockey players that isn't quite as competitive and doesn't require quite the same time commitment as the CHE team. That doesn't mean the CHA team is just an afterthought, though, proven by its run to the CHA Championship Games in 2005 & 2010 and first ever CHA Championship in 2012.

The 2008-09 season marked the inaugural season of our women's program. The team accomplished unprecedented success in its first season by winning its regular season and playoff conference championships. In winning the regular season crown, the team finished with a perfect 10-0-0 conference record. The women participate in the Delaware Valley College Hockey Conference (DVCHC) and nationally in the ACHA Women's Division II. The women's team has now won a DVCHC Division II Championship in 2009 and the DVCHC Division I Championship in 2011. This past season the team qualified for ACHA Division II National Tournament for the first time in club history.

All teams practice and play their home games at The BladeRunners Ice Complex in Bethel Park, PA. The rink is located about 30 minutes from campus. Cal Hockey also has many banners and posters throughout the rink to demonstrate this rink as the club's home. The Cal logo is also painted in the ice for all spectators and players to view. BladeRunners hosts around a dozen CHE games, ten CHA games and 8-10 Women's games each season, while each team plays about the same number of road games each year in preparation for their respective post-seasons.
