

STARS NEWS

Senior Night

Only 3 months until Senior Night. Senior parents start your picture boards. Look for information on state awards and scholarships in December.

New Decals

Decals will be in soon and will be sold in person. Car decals (see image) will be available for \$5 each and helmet decals are provided by the club.

Holiday Break

The board decided not to pursue dry land training over the holiday break, due to concern about lack of participation and cost. With the current game schedule, there is only one weekend without games during the break, while most practices continue. Note, there are no practices on Thanksgiving, Christmas Eve or New Year's Eve.

Spirit Wear - time is running out!

Our spirit wear store closes November 5. You will not be able to “add” an order after that date. This is your only opportunity this year to order spirit wear. You can ship to your home for a fee, or else items will be ready for pick up at practice on Nov 19. Don't delay and visit today! <https://southstarshockey.itemorder.com/sale>

Start of the Season

Both teams have seen some good things happen in the first month of the season along with identifying areas for continued improvement and development. Coaches are working on overall improvements, team chemistry, player lines, intensity and tempo. Players need to continue to attend all practices and work on their skills and stamina. Teams and players are all working on staying out of the penalty box.

Note from our treasurer

If you go into Chase bank to make your payment, please put your name and player name on the deposit slip. It is the only way to know who the payment is from.

Get the app!

SportNgin App - If you have a smartphone, get the SportNgin App. You can login with your information and follow one or both of our teams. Inside the app's settings, you can set push notifications to receive notification news items, events and more.

Call for photos

We would like to highlight our present and past players' activities outside of the South Stars on our website. These can be hockey, other sports, academic, work related, etc.

Please email photos and captions to:

hockeysouthstars@gmail.com

Year End Banquet

In the past, the year end banquet has been held at Valle Vista. The Board would be interested in a different location that is more economical. If anybody has any ideas or would like to volunteer to research some other event facilities, we would appreciate the assistance. Simply send an email to hockeysouthstars@gmail.com

Action Shots - now online!

You will want to bookmark this web address! Please read the important message below from Dorian McDaniel:

http://hendrickscountysports.exposuremanager.com/g/2015-2016_south_stars

The link above will get you to photos I've taken from this season.

As in the past, I post photos that are free to the parents, players and South Stars to download and/or print as you wish-including on the website and for slideshows. If you don't want the hassle of printing, you can order prints from the website, and I will edit them and have them shipped to your address.

Hope you enjoy!

Dorian McDaniel

City BBQ Fundraiser

Fundraiser at City BBQ was completed on 10/19. While the date may have not been the best because of fall break, the Club ended up with \$145.88 from the sales that evening where people presented the flyer. This was an easy fundraiser to set up with from a Club standpoint, but it is all based on participation of families, friends, and strangers. We are discussing another date when both teams have a game at Perry. Funds will be assigned to offset costs already included in the budget.

Thank you to...

....the parents who have made individual donations to help with jersey enhancements, game pucks, car stickers, breast cancer game supplies.

....Susan Libke for all of her work on the new South Stars logo and logo images you see on jerseys, equipment bags, and spirit wear designs. A lot of hard work has gone into getting a fresh look for the South Stars Hockey Club.

....Dorian McDaniel for doing photos again this year! What a gift it is to have a professional photographer take action shots throughout the year as well as take our team photos. Team / Individual photos will be scheduled soon. We are waiting on A team red jerseys to arrive.

..... to all the parents for completing the registration and member process on the website. We appreciate your patience as we learn to use this new provider to better our club.

New A Team Jerseys

The new A-Team white jerseys made their debut at the October 25th game. While later than we would have liked, we hope everybody is pleased with the results. The players were excited to have the new jerseys. We hope the new red jerseys will arrive in the next couple of weeks. The goal will be to have both A and B Team in the same jerseys next year.

Breast Cancer Awareness Games - a success

Our annual Breast Cancer Awareness event was a success, thanks in large part to the efforts of Angie Phillips. Kudos also go out to all the volunteers who helped with this special event, as well as all the families who donated such wonderful baskets for our raffle! We still have a limited number of t shirts available. Email Angie: aphillips5227@gmail.com to purchase t shirts.
