

We had a nice open mat session this afternoon with 14 participants, plus several others who have expressed some interest - plus we will add football players as well. Keep showing up, and encourage your friends to go out for wrestling! Our goal is to have at least 24 wrestlers including at least 6 or more freshmen - we are not quite there yet!

Next week Monday is a big day for us since we will have the chance to set up our main "wrestling zone" on the stage. We will have open mat time from about 3-4 while drama does a little demolition; then we will help them move the drama stuff off the stage and set up as much of the wrestling stuff as we can. Plan on staying until 5 or maybe a little afterward. We may have other sessions during the week as needed.

Thursday is our last open mat of the preseason. Then Thursday evening is the wrestling parent meeting. Each wrestler should plan on having one parent present. If you know that no one from your family can make it, please let me know! More information to come next week.
