It gives me great pleasure to welcome you to tonight's hockey game. Please sit back and enjoy the experience. Let's release the kids to the game and enjoy watching the girls display their skills and talent.

The Blaine girl's hockey team is part of a Blaine High School Activities program that represents our school with class and dignity. The young women work very hard to provide exciting entertainment and to protect the great tradition established at Blaine. The coaching staff is full of dedicated coaches who care more about the players and their development than wins and losses. We are fortunate as a community to have these coaches working with our girls. If you know Coach Guider at all, you know that no one works harder or cares about their players more. He is truly a gift to our program.

Thank you to all of our families for their sacrifices over the years. It is the true commitment and dedication from you that sets Blaine hockey apart from the rest. I would personally like to thank the parents for the sacrifices they have made over the years that allowed these young women to continue to play a sport they love. Your commitment to them will pay great dividends in the years to come.

So, as you enjoy this year's hockey season, feel the energy generated by our athletes and support them with great enthusiasm and sportsmanship! Join all the fans and enjoy the pageantry, excitement and intensity of Bengal Girl's Hockey.

Celebrate Greatness,

Shannon Gerrety

This contest is being played under the authority of the MSHSL. The MSHSL rules provide for fair play and good sportsmanship among athletes, coaches, and spectators. Since booing and jeering do not support anyone, we encourage you to give positive support to your favorite team. We ask that spectators promote the ideas of good sportsmanship by applauding fair play and by showing respect for all participants and officials.

TROY STEVENS
NHL SKILL DEVELOPMENT COACH

Pro IGNITION Camp

(for Boys / Girls / U12-Pee wee players)

This camp will focus on teaching players the skills / strategy behind puck possession & the concept of making plays. During the camp we discuss:

- WHAT skills are important to learn
- Teaching a new skill by explaining & showing the WHY (Why is it important to develop this skill?)
- HOW to develop the skill (through the use of video & challenging drills)

The goal here is to show the PURPOSE and give players the IGNITION to want to learn. The most challenging development piece for players is to learn a new skill set and then be able to read, recognize, execute & ultimately create in-game sequences.

Pro ELEVATE Camp

FORWARDS GROUP
U14 - HS (GIRLS)
Bantam - HS (BOYS)

DEFENSE GROUP
U14 - HS (GIRLS)
Bantam - HS (BOYS)

This camp will teach the latest skating techniques, puck skills and tactical strategies for forwards and defensemen in the modern game. Our goal is to EDUCATE players as to what skills they need to work on that will TRANSFER to the next level. We want to bridge the gap between practice and performance in games. The purpose of the camp is to:

- Identify & develop skills that will transfer to the “next level”
- Practice blending the skills together in sequence
- Use video on & off the ice in order to teach advanced concepts
- Blend skills & concepts together in game-like situations
