- Minutes Approved from March 26, 2014 meeting
- Elect Officers: Drew President, Brian Vice President, Sara Secretary, Amie Treasurer. They agreed to continue with their current officer position and no one else volunteered or was opposed to their positions.
- A midget hockey division was discussed as a possible option for the IYHL but more research needs to be done before any decisions can be made
- Spring hockey is going well. Squirts thru bantam teams are doing very well against Chicago teams
- Payments are still coming in from regular 13-14 season. Some families still need to pay for travel teams.
- Rental gear is still being collected. Looking at other options to guarantee that items are returned. Possibly having families write a postdated check and when the rental gear is not returned by a certain date their check will be cashed.
- Kevin Deeth offered to help with coach's class next year
- At this point there will be a coach's certification class locally
- Company has been contacted to order mite boards for the Ice Box this year. Notre Dame received the boards last year and the IYHL would like to have boards available for the Ice Box for the 14-15 season
- Backroom at the Ice Box is almost completed and waiting on some final touches
- Motion to adjourn
- Next meeting June 11, 2014 7:00 @ND
