- Approve minutes from April 17, 2015 meeting
- Drew attended South Bend Youth Hockey meeting, finances in good shape, ice prices went up a little at Ice Box and Notre Dame
- Ice time seems to be down on the books (based on Ice Box and ND) but not sure why that is because we have the same amount of kids and teams or even more than years past
- IYHL will get charged the bond assessment per child this year again
- Nick Kleva is the new intern at ND and Brian Mahoney Wilson is new volunteer coach
- Chris Sandnas is new youth director at Ice Box
- Shawn has finances report: hockey programs ended up positive not necessarily making money but not losing money (we are financially strong)
- Board voted to try to do the Diamond Card (thediamondcard.net) instead of port a pit as a fundraiser. Cards will be handed out picture day.
- Conditioning for Rovers will start middle of August with try outs following
- Merchant process was changed to help with payment plans and credit card payments
- Travel can make a large upfront payment then divided out to end in January, Select will pay out into January, House will also have a payment plan
- Fall camp is similar to last year, one day at ND and games at the Box
- LTP will start after Labor Day, looking at doing a Sunday afternoon instead of Saturday mornings
- Board member jobs were assigned: see attached spreadsheet
- Shelly will be assistant treasurer to help Shawn out
- Looking at the idea of doing teams by birth year instead of 8u, 10u, etc (not feasible this year and does not go along with NIHL setup)
- Motion to adjourn
- Next meeting Monday, July 20, 2015 ND-O'Brien's 7:00
