The passes shall be honored at all MHSA affiliated athletic activities. The MHSA Executive Board requests member schools honor passes to athletic contests presented by the MHSA to past MOA Directors who have served at least two terms. MOA policy may be formulated specifically by the MOA Board or jointly with the MHSA Executive Board. All decisions that involve monetary consideration within the MOA shall be presented to the MHSA Executive Board for approval.

IX. AFFILIATION OF THE MHSA and MOA
The Directors of the MOA, in a joint meeting with the MHSA Executive Board on January 28, 1968, in Great Falls established a permanent affiliation between the MOA and the MHSA contingent upon:

G. In consideration of the above-listed services all annual income from the annual MOA membership dues will be credited to the MHSA beginning with fiscal year 1968-69.
H. In the event that affiliation of the MHSA and the MOA is dissolved, the MHSA will fund the MOA in the amount of $3,000.00 when the separation is complete.
I. The MOA Board will be represented at the annual MHSA Executive Board meeting.

X. MOA MEMBERSHIP

A. Securing Membership – prospective officials

Membership in the MOA is initially attained by paying the Association dues and scoring a minimum of 60% on the appropriate rules examination. Any prospective official planning to take the examination must be at least 18 years old and be of good moral character.

B. Associate Membership

1. High school students may become associate members of the MOA by passing the MOA qualifying examination(s). Associate members may work sub-varsity contests and will receive credit for their years of experience when they apply for regular membership provided they meet the same criteria as a regular member. Associate dues will be one-half of regular member dues.

2. Associate members completing high school and attaining the age of 18 may progress to regular MOA membership by informing the MOA office of their age and school status and paying appropriate dues. The MOA Commissioner can waive the age requirement for regular membership.

C. Qualifying Examinations

1. The qualifying examinations are scheduled simultaneously nationwide. The exam dates will be published in the June Official Word and also on the MOA website. No official or prospective official may test more than once per year.

D. Dues

The annual dues are $65.00 for one sport and $30.00 for each additional sport. The dues include payment for rules manuals, study materials, online resources and premiums for liability and supplemental medical insurance.

1. Prospective officials must submit dues to the MOA office prior to the exam date for their sport(s). If dues are paid early, the prospective member will receive MOA rules manuals and other study material prior to the test. If the official fails or does not take the examination, no refunds are provided.

2. Membership for renewing officials is continuous with the timely payment of dues. Dues are outstanding after June 1st of each year. If dues are not paid on or before June 1st, a $10.00 late payment penalty is assessed for any dues paid between June 1st and June 15th. If dues are not paid on or before June 15th, a $25.00 late payment penalty is assessed and the official must take and pass the annual qualifying examination for that rating. This applies to all classifications. Failure to pass the exam with the required score, within that classification, will result in a rating reduction of one classification for master and certified officials and loss of membership for apprentice officials. Failure to take the examination will result in the loss of membership and no refund of dues will be provided. In addition, upgrading is denied for one year for failure to pay dues by June 15th.

3. MOA members in good standing are eligible to join the Montana Coaches Association (MCA) as associate members for $35.00 per official per year.

Note: A late paying official is eligible to officiate contests upon paying dues and passing the National Federation rule exam.

E. Conviction Status and Background Check: Any individual convicted of: (a) a felony involving the use, possession or sale of a controlled substance within the last ten years; or (b) a crime involving the use or threatened use of violence against a person within the last ten years is prohibited from membership in the MOA; an individual who is convicted of (c) a crime involving a minor child at any time is subject to lifetime suspension from membership in the MOA. The Executive Director or his/her designee will review any information submitted by an applicant or others regarding criminal history and make an individual and confidential determination with regard to the official’s status. REINSTATEMENT: Following ten (10) years from the date of conviction or deferred imposition, an individual permanently prohibited from membership pursuant to subpart (c) above may apply to the MHSA Executive Board for reinstatement upon a showing by clear and convincing evidence that the individual is not a threat to minor children and is otherwise qualified for MOA membership.

Registering officials are subject to a public criminal records background search. If he/she is found to have been convicted or is in a period of deferred imposition for any crime listed in the MOA Conviction Status Policy, subject to the right of appeal, he/she will be considered ineligible for membership.

F. If an MOA member does not notify the MOA office of any discrepancies in their rating within ten (10) days after they have been mailed, no changes will be made.

G. Dues are considered paid on time if the registration timestamp meets the appropriate deadline date. There can be no exception.

H. A Director is exempt from paying their dues to the MOA. Past Directors are exempt from paying their MOA dues as long as they are active MOA Officials, even though they were not re-elected or choose not to run for the position of Director.

XI. CONCUSSION EDUCATION AND AWARENESS

Each MOA or non-MOA official who works MHSA contests must complete the NFHS Concussion in Sports course each year. That course must be taken after June 1st for the subsequent school year and must be completed before officiating scrimmages or contests. If an official is to receive credit for attendance, they must complete the course prior to the published deadline in the format provided.

Failure to complete concussion training by the published deadline will result in a loss of rating and renders an official ineligible for post season assignment. In addition, immediate suspension will apply until proof of completion is supplied to the MOA office.

XII. RECIPROCAL MEMBERSHIP IN BORDERING STATES

Members of the MOA can join as members of the officials association in the bordering states of North Dakota, South Dakota, Wyoming and/or Idaho by paying dues of $10.00 per sport to that/those particular state’s organization. Dues must be paid before the official works a contest. This five-state agreement entitles members of each respective organization to officiate in any state(s) in which they maintain membership. Reciprocal arrangements with non-bordering states must be approved by the MOA office.

Whenever a contest participant suffers a laceration or wound where oozing or bleeding occurs, the contest should be stopped at the earliest possible time and the participant should be escorted from the contest area for the appropriate treatment. The participant will not return to the contest until bleeding has been arrested, open wounds properly covered, or uniforms replaced if necessary. Contest officials will
enforce the rules in these situations per the specific guidelines in Federation rulebooks.

**XV. GUIDELINES FOR MOA POOLS**

A pool is a group of registered MOA officials formed for the purpose of providing services to MHSA member schools. A pool’s purpose is to provide participating schools with its best-qualified officials.

A. Establishing a new pool for a sport will be considered under the following conditions:

1. The new pool is approved by the Regional Director of that region and an application is filed with the MOA office.
2. The new pool submits a list of officers/contacts for the pool.
3. The new pool lists all MOA members of the pool.
4. The new pool submits a list of schools to be serviced.
5. The new pool submits a constitution and/or by-laws in regard to the operation of the pool.
6. The new pool submits a proposed name for this pool.
7. The new pool lists a pool site (location) of the new pool. Listing a pool site is mandatory.
8. A new pool must have at least enough members to service two schools at all levels.
9. The new pool agrees to follow all guidelines for MOA pools listed below.

B. An individual official need not belong to a pool, but can belong to only one (1) pool per sport. If an official is a member of a pool, they cannot individually contract game/contest assignments with schools. If an official is not a member of a pool, he/she must complete an application for non-pool affiliated officials.

C. Non-Pool Affiliated Officials

For geographic reasons, it is sometimes not feasible for an official to join a pool. If an official is not a member of a pool, he/she may apply to become a non-pool affiliated official. A non-pool affiliated official must, in addition to all customary membership requirements:

1. Complete and submit a non-pool affiliated official’s application to the Regional Director who will forward it to the MOA office for approval.
2. Contract contests individually. They cannot combine contracting with other non-pool affiliated officials.
3. Arrange with the Regional Director to be evaluated.
4. Complete and deliver the requisite number of study clubs for their sport to the Regional Director prior to the published deadline. They must complete their study clubs independently and cannot combine study clubs with other non-pool affiliated officials.
5. Provide the Regional Director with a detailed list of contests they officiated during the season.
6. Provide the MHSA liaison for their sport proof of meeting the minimum requirement of varsity contests necessary for post season eligibility, along with dates of availability, to be considered for post season assignment. This information must reach the MHSA office by the published deadline for pool ranking forms. Assignment will be based on coaches’ votes and geographical considerations.

Non-pool affiliated officials are governed by the same MOA guidelines as those in pools, including uniforms, code of ethics, misconduct guidelines, fees and mileage schedules, post season assignment etc.

D. Officials are independent contractors.

E. An individual school and/or an individual official have the right to refuse an assignment; however, a particular pool cannot discriminate against a member school(s).

F. Officials may receive mileage from either place of residence or their pool site; whichever is closer to the game site. This applies only to the regular season.

G. By June 1, 2007, every pool shall be required to have written by-laws, general assignment, and evaluation procedures on file with both their Regional Director and the MOA office.

H. Any pool that handles money will provide a yearly financial statement to the Director for their region.

I. Individual pools are responsible for training and evaluating all officials.

J. An individual official because of pool membership and MOA membership is not guaranteed game assignments.

K. New pools cannot duplicate the name of established pools.

L. Pools may provide information regarding availability of eligible officials for post season assignment to a district or division representative for distribution to schools in those districts or divisions when requested in writing. Individual officials shall not provide such information.

M. Pools must choose a secretary or head of pool and notify the Director before the season starts.

**XVI. MOA CLINICS**

A. The MOA will offer rules clinics in football, basketball, soccer, volleyball, softball, and wrestling. If an official is to receive credit for attendance, they must complete the clinic prior to the published deadline in the format provided. If a pool views the rules clinic as a group, the list of attendees must be submitted to the MOA office prior to the published deadline for viewing the clinic.

Failure to complete rules clinic(s) by the published deadline will result in a loss of rating and renders an official ineligible for post season assignment.

**XVII. MOA STUDY CLUBS**

A. Study clubs are an integral part of the official training program of the MOA and provide a continuing learning opportunity. The MOA office will provide appropriate study club materials for review and training. The Directors are responsible to facilitate study clubs in their region and for reporting attendance to the MOA office.

Failure to complete study clubs will result in a loss of rating for the entirety of the following year.
C. If an MOA member’s employment prevents him/her from attending study clubs, the official may receive credit for attendance if they comply as follows:

1. Make prior arrangements with the Director or head of the pool.

2. Complete and present the study club outlines to the Director or head of the pool in advance of the meeting they will miss.

3. Request an exception from the MOA office for certain military actions or other extenuating circumstances.

4. An official whose employment requires him/her to be away from home during the week may attend study clubs at an alternate pool location if he/she receives permission from the regional director(s) and the MOA Commissioner.

5. Study clubs can be administered, with the approval of the Regional Director, via real-time interactive video conferencing (which includes, but is not limited to FaceTime and Skype.)

D. All study club attendance information from both pools and individual officials must be received by the Regional Directors for signature and approval by the dates shown below. No credit for study clubs will be given until approved by the Director.

1. Soccer December 1
2. Football December 1
3. Volleyball December 1
4. Wrestling April 1
5. Basketball April 1
6. Softball June 1

A. I will study the rules, observe the work of other officials, and will, at all times, attempt to improve myself.

B. I will endeavor to keep my body in sound physical condition.

C. I will remember that while my work as an official is important, I must conduct myself in such a way that attention is drawn, not to me, but to the boys and girls playing the game. I will keep in mind that the game is more important than the wishes of any individual player or the ambitions of any individual official.

D. I will dress and maintain my appearance in a manner befitting the dignity and importance of my profession.

E. I will shape my character and conduct so as to be a worthy example to the boys and girls who play under my jurisdiction.

H. I will cooperate with my fellow officials and will do nothing to cause them public embarrassment.

I. I will, in my actions on the floor or field, be firm but not overbearing; courteous, but not ingratiating; positive, but never rude; dignified, but never “cocky;” friendly, but not companionable; calm, but always alert.

J. I will not officiate a game after having any alcoholic drink/illegal drugs that day as per MOA rules.

K. I will not use any tobacco product while officiating any MHSA contest.

L. I will not approach coaches or athletic directors, personally or by mail, relative to assignments or ratings or in regard to game calls, mechanics or procedural duties. Those questions should be initially addressed through the pool leader, MOA Regional Director or the MOA office.

M. I will not make a request to officiate a specific game or games for any coach, school or conference.

N. I will not criticize or attempt to explain a fellow official’s judgment or decision.

O. I will honor all contracts in spite of possible inconvenience or financial loss.

XIX. SEXUAL HARASSMENT, INTIMIDATION AND VIOLENCE

A. The MOA believes that all its members should strive to provide a healthy, safe and appropriate environment for athletic competition. This philosophy dictates that each individual involved with interscholastic competition be treated with respect and dignity. An integral part of a contest official’s role is awareness of what behaviors or practices are considered unacceptable. The following information identifies what is considered wrongful conduct, both on and off the contest arena and said conduct is hereby prohibited.

B. Definitions:

1. Sexual harassment is a form of sex discrimination which violates federal law. Sexual harassment is illegal. A. Charges of conduct unbecoming of an official or of conduct contrary to the best interests of the MOA may be brought before the Directors by an MOA member or school administrator. Such charges must be submitted in writing. Each case will be considered individually and on its own merits. The accused official must have an opportunity for a hearing before the Directors. The MHSA or their designee will serve as a non-voting hearings officer.

B. Proven misconduct on the part of an official will result in one or more of the following penalties:

1. Permanent suspension.

2. Suspension for a stated period of time not to exceed two years.

   e. To maintain a Master rating, the Master official must officiate in their respective sport a minimum of 3 varsity football, 3 varsity softball, 3 varsity soccer, 5 varsity basketball, 3 varsity wrestling, or 4 varsity volleyball contests annually (volleyball, wrestling, and softball tournaments shall count as three contests).
   f. A Master official is qualified to work any regular season contest, tournament, playoff, or championship contest.

C. Officials shall drop one rating classification for any of the following reasons:

1. Failure to complete required number of study clubs.
2. Failure to pay dues on established dates in accordance with the MOA requirements.
3. Failure to work required number of contests.
4. Receiving an unfavorable recommendation from their evaluation committee and Director.
5. Receiving a loss of rating penalty for misconduct.

NOTE: These rating reductions will be effective for the entirety of the following school year. Officials shall also drop one rating classification for:

6. Failure to complete the rules clinic and/or concussion training prior to the published deadline for their sport.

NOTE: Missing the deadline for rules clinic and/or concussion training also renders an official ineligible for any post season contest. The official’s rating is restored when he/she completes the next year’s concussion training and/or rules clinic for his/her sport. Officials must notify MOA office for restoration.

Failure to complete concussion training by the published deadline will result in immediate suspension until proof of completion is supplied to the MOA office. Officiating contests without completing concussion training will lead to misconduct charges being filed.

D. Transferring from out-of-state

A member from another state may transfer to the MOA providing:

1. The MOA office receives a letter from their current officials organization confirming that their membership was in good standing.
2. Payment of prescribed dues to the MOA.
3. An official transferring to Montana from another state will have their MOA rating based on their current out-of-state rating. However, an official will not receive a rating above the Certified classification for the first year. After one-year of experience, a favorable recommendation, and fulfilling all appropriate requirements, the official must test to upgrade to the next higher classification. Any official who transfers from out-of-state during the current regular season of his/her sport will have the requirement for satisfaction of any rules clinic training waived for that particular season if he/she has met these requirements in his/her prior organization.
4. If an official is not currently a member of another state association, they must test for MOA membership.
5. Out-of-state service will count towards the MOA Service Pin Award.

E. Upgrading

If an official meets the criteria to upgrade a classification, they must submit a request in writing to the MOA Office at least seven (7) days prior to the opening of the exam. The
official must test prior to the season of the sport in which they are upgrading. It is the official’s responsibility to assure their upgrading requirements have been met. Upgrading will be denied for a one-year period for failure to: 1) complete required number of study clubs; 2) complete the current year’s rules clinic and/or concussion training; or 3) pay annual MOA dues by June 1.

F. Reinstatement

An official who has had a break in service in a particular sport may request reinstatement to their previous classification providing the following criteria are met:

1. The official must pass the qualifying examination contingent upon the requirements for that classification (their previous rating). Note: A reinstating official is eligible to officiate contests upon paying dues and passing the National Federation rules exam.

2. The official must officiate for one year at one classification below their previous rating.

3. Following one year of service at the reduced classification, the official must receive a favorable recommendation from the Director and their evaluation committee in order to have their previous rating restored.

4. The official must notify the MOA office that they have met all of their reinstatement requirements and wish to have their previous rating restored.

5. The official who has had break in service of five or more years must start over as an apprentice. Exception – Officials who have attained a Master rating in the sport they are requesting reinstatement. Those officials would follow the other provisions of the reinstatement policy for reinstating to their previous Master rating.

6. An official with previous varsity experience at a Master level or its equivalent may upgrade to a master rating after two years if they receive a favorable recommendation from their evaluation committee and Director.

7. If an official chooses to reinstatement membership, and he/she has violated any MOA rules while not an MOA member, upon reinstatement, the official is subject to a fine not to exceed $300.00 and one year unrated probation.

8. If an official chooses to reinstate membership, he or she will not be charged a late fee if they have one year’s break in service.

G. Retention of Rating

If illness, injury or extenuating circumstances prevent an official from officiating, the official may request to retain his/her rating from the previous year. The following procedure must be followed:

1. MOA dues must be paid for the current year.

2. The official must submit a completed retention of rating request form to their Director. If the request is medically related the request for retention must include a written statement from a doctor confirming the injury or illness. For extenuating circumstances a written explanation is required on the form.

3. The MOA Regional Directors will act upon the request at their next meeting.

4. The official is obligated to fulfill study club and rules clinic requirements in order to retain his/her rating.

5. The rating may be retained for one year only, unless the MOA Board extends the retention for one additional year.

H. Leave of Absence

An official may retain their current classification for up to one year if advance arrangements are made in writing with and approved by the MOA Office.

I. Military Leave

An official deployed by the military may request a military leave which will retain his/her current classification. All membership requirements are waived, including dues, for the duration of their deployment. Upon termination of deployment, dues are payable for the current season, with no penalties.

J. Soccer Ratings

1. Soccer officials who are also USSF officials can join the MOA as a second year certified if their USSF rating is seven (7) or lower and as a second year apprentice if their USSF rating is eight (8) or higher. After one year of MOA experience, a favorable evaluation, and after fulfilling all appropriate requirements, the official must test to upgrade to the next higher classification.

2. If an official is not currently a member of the USSF they must test for MOA membership and move through the rating classifications as in all other sports.

The game can be called if five or less minutes remain before the maximum 1 1/2-hour time limit or officials should not start a new inning after 1 hour and 20 minutes of play except if a tie exists where NFHS Softball Rules for tiebreaking would apply.

4. State tournament officials will receive notification of their assigned rotation at the state pretournament conference for officials. All officials must attend the pretournament conference. State tournament officials are required to remain at the tournament site until excused by the tournament manager.
5. After the rotation schedule is assigned, no deviation from the rotation is permitted, except when an official assigned to work a semi-final or championship game is from the same town as one of the teams playing in the semi-final or championship contest. If all parties agree, then only the tournament manager may exchange that official with another official assigned to work the other game that same evening. For tournaments below the state level, a schedule of alternate officials will be prepared by the tournament officials and coordinated by the tournament manager.

6. Tournaments with seven or nine teams may deviate from the assigned rotation. The MOA office will provide supplemental rotations for tournaments as necessary. The tournament manager may make other rotation schedule changes with approval of the MOA office.

7. The MOA office may use second year certified officials at the district level at their discretion and these officials will be ranked by their pools.

8. For play-in or challenge basketball games, if one tournament official has a work-related conflict and is unable to officiate the play-in or challenge game, the MOA office can assign a replacement utilizing one of the other officials assigned to the tournament.

C. Football

1. The MOA requires that only Master officials who complete the rules clinic requirement are assigned for playoff or state championship contests. Second year certified officials are allowed to work the first round of playoffs if absolutely necessary.

2. The MOA office using geographic considerations and recommendations from Directors will assign officials for all football playoff and championship contests. An official cannot work a playoff contest when their hometown school is a participant.

3. The minimum number of officials assigned for various contests are:
   a. Class AA
      Varsity, playoffs and state championships — 5 officials
      Non-varsity — 4 officials
   b. Classes A & B
      Regular season varsity — 4 officials; (5 are recommended)
      Playoff and state championships — 5 officials
      Non-varsity — 4 officials
   c. Class C
      Regular season varsity — 4 officials (5 are allowed)
      Non-varsity — 3 officials (4 are recommended)
      Eight-man playoffs and state championships — 5 officials
   d. Six Player
      Regular season varsity — 4 officials (5 are allowed)
      Non-varsity — 3 officials (4 are recommended)
      Playoffs — 4 officials
      State championships — 5 officials, with the 5th official replacing the alternate

   Note: if an injury or emergency situation occurs during the course of a football game, the other officials may continue to work that game as long as there are enough remaining officials to operate with published NFHS approved mechanics. Class AA varsity can continue with four officials, Classes A, B and C can continue with three officials using the NFHS approved mechanics.

4. Officials for the AA football semifinal and championship contests will be assigned from a neutral site by the MOA staff on a pool rotation basis. First round AA playoff games will be assigned at MOA staff discretion. The MOA staff may use a reasonable variation of the geographic limitations whenever feasible and necessary.

5. An alternate will be selected for state championship games (except for six-player) to replace an official who is unable to continue officiating during the state championship contest. The alternate receives one-half of the game fee and no mileage or per diem.

D. Volleyball

1. The MOA requires that six (6) officials be used in all MHSA district, divisional, and state volleyball tournaments. District and divisional tournaments with less than eight teams must request to the MOA office to use less than six officials. All tournament officials are required to remain at the tournament site until excused by the tournament manager.

2. Selection of officials for divisional and state volleyball will be made by the MOA office by using a combination of the following: coaches’ input (ballots), individual officials’ pool ranking, and MOA office input. The MOA staff may consider reasonable geographic limitations when selecting officials.

3. Second year certified officials may officiate the district tournament if absolutely necessary.

4. State tournament officials will receive notification of their assigned rotation at the state pretournament conference for officials. All officials must attend the pretournament conference and draw their rotation number at the conference.

5. After the tournament rotation schedule is assigned, no deviation from the rotation is permitted, except when the tournament manager approves urgent, short-term requests to change the line judging rotation and only if the change is acceptable to the entire officials crew and the change is scheduled prior to the first match of the tournament.

6. Warm-up time for all classifications - A continuous twenty-minute warm-up clock will be standard for all levels of play. The buzzer will be sounded at twelve (12) minutes (signaling the end of joint court warm-up), at eight (8) minutes (signaling the end of the serving team court time), at four (4) minutes (signaling the end of the receiving team court time), and at 0.00 (signaling the end of the receiving team court time). The officials will conduct the pre-match conference and coin toss before the twenty (20) minute warm-up period begins. Coaches must be on the floor at this time. This applies to regular season and post season play.

7. Officials assigned to work MHSA sanctioned tournaments will be scheduled for game assignments based on the following rotations:

   Note: use of the state volleyball rotation (six-official rotation listed below) is mandated at the district and divisional level for a tournament with a standard eight team bracket.

E. Wrestling

1. Schools may use two officials per match. Both officials must be paid according to the applicable MOA fee schedules for that classification. If an assistant official is used, they shall be paid a sub-varsity fee.

2. The MOA office will send ballots to all member schools to select master officials for divisional and state wrestling tournaments as per the Assignment General Policy.

3. Selection of officials for divisional and state wrestling will be made by the MOA office by using a combination of the following: coaches’ input (ballots), individual officials’ pool ranking, and MOA office input. The MOA staff may consider reasonable geographic limitations when selecting officials.

4. Three to five officials are to be used for a divisional tournament which is determined by the respective number of schools participating. For the state All-Class wrestling tournament, the top vote getter from each of the ten divisions (all classes) will work the state All-Class wrestling tournament. In addition eight officials will be selected at large based on total votes. For the state All-Class wrestling tournament up to eighteen (18) officials will be assigned.

5. The MOA recommends that the number of officials for invitational wrestling tournaments be:
   a. 2 Mats - (3 less than 6 hrs - 4 officials more than 6 hrs)
   b. 3 Mats - (4 less than 6 hrs - 5 officials more than 6 hrs)
   c. 4 Mats - (6 officials)

F. Selection Procedure for Volleyball and Basketball Tournament Officials

1. Selection of officials for district, divisional and state basketball and volleyball will be made by the MOA office by using a combination of the following: coaches’ input (ballots), individual officials’ pool ranking, and MOA office input. The MOA staff may consider reasonable geographic limitations when selecting officials.

2. The MOA office will send ballots to all member schools to select officials for district, divisional, and state basketball and volleyball tournaments per the Assignment General Policy.

3. The officials receiving the most votes from each district will be offered the district tournament if the additional criteria is met per the selection policy.

4. All ballots for divisional tournament are tabulated individually by district. If a division is comprised of three districts, then each district would select two officials for a tournament of six. If a three-district divisional uses four officials, each district selects one official and the fourth official is determined by composite votes.

5. The playoff officials for AA basketball and volleyball are selected by the MOA office staff with preference shown to the pool of officials selected for the state tournament, then highly-ranked available local officials, and finally the next available officials, allowing for geographic consideration.

6. The MOA office will contact the selected officials in order of preference based on selection criteria to confirm the officials for the tournament.

G. Selection Procedure for Soccer Tournament/Playoff Officials

1. The MOA office, using geographic considerations and recommendations from pool leaders, will assign officials for all soccer playoff and championship contests.

2. Certified officials in soccer may officiate postseason playoff if absolutely necessary.

H. Selection Procedure for Softball Tournament Officials

1. Selection of officials for divisional and state softball will be made by the MOA office by using a combination of the following: coaches’ input (ballots), individual officials’ pool ranking, and MOA office input. The MOA staff may consider reasonable geographic limitations when selecting officials.

2. The playoff officials for Class AA softball and the Class B-C divisional softball tournaments are selected by the MOA office from the list of eligible master officials. The MOA staff may consider reasonable
geographic limitations when selecting softball playoff officials.

3. The state tournament umpire rotation will be determined before the start of the tournament by the umpire-in-chief.

XXVII. REGULAR SEASON FEE/EXPENSES

A. Fee schedules for payment of contest officials were adopted by the MHSAA and MOA Boards.

B. No school or official may deviate from the fee schedule.

C. The fees and expense allowances paid to each official must conform to the current established schedules as published in the MHSAA Handbook.

D. The MHSAA recognizes that officials are independent contractors; therefore, methods of paying established fees/expenses will be determined by agreement between the school which has contracted for the official services and the local officials’ pool, or an individual official in those cases where an official does not belong to a pool. Officials’ pools cannot receive payments from the schools to distribute to individual members as this practice would make the officials’ pool the employer, nullifying the independent contract status and subjecting the pool to unemployment and workers’ compensation requirements. Any changes in the payment process must be approved by the Regional Director. Note: If there is a change in the payment process one option to another that change must be approved by the Regional Director. However, the MHSAA requires that one of the three following methods be utilized:

1. All assigned officials may be paid within seven (7) business days of the contest with a check issued by the member school.

2. All assigned officials may be paid with Ref Pay via Arbiter assignment software. A member school has seven (7) business days from the date of the contest to issue payment via Dragonfly Officials Pay.

3. All assigned officials may be paid before the contest with a check issued by the member school. MOA officials are not allowed to accept checks written to other member officials. A member school has seven (7) business days from the date of the contest to reissue appropriate checks to the official(s) who actually worked the contest, if there has been an assigned official change.

Exception for soccer pools only: because the fee structure for soccer officials differs from all other MHSAA sanctioned sports, an alternative payment method for soccer officials may be approved by the MOA Commissioner, provided that the local soccer pool, the local school(s), and the Regional Director are in agreement. The alternative payment method must be submitted in writing for approval by the MOA Commissioner on an annual basis prior to implementation.

E. If an official was not notified but was present to work a contest that was cancelled or postponed for reasons related to an act of God including, but not limited to, power failure, adverse weather, or hazardous road conditions, the officials must be paid at least half of the game fee plus all travel and per diem allowances. Contest(s) cancelled due to weather or act of God will be rescheduled using the same officials (is possible) and those officials will receive only travel and per diem allowances for the cancelled contest(s).

If different officials are used, officials will be paid all travel/per diem allowance and game fee. In regard to cancellations/postponements after the contest begins, officials that work one quarter (or its equivalent, i.e. two full innings in softball) or more will receive a full game fee and if the officials work less than one quarter, they will receive one half a game fee (lightning cancellations, power outages etc.).

F. If an official was not notified by a school that a contest date was changed or cancelled, but the official was present to work the contest as originally scheduled, the officials must be paid a full game fee plus all travel and per diem allowances. This also applies when a team does not show up for the contest.

G. A varsity fee shall be paid to all officials working any contest involving a varsity and sub-varsity team.

I. All travel allowances are computed using round trip mileage. The regular season expense allowances include:

1. The travel allowance for each driver official: **$0.575** per mile.

2. The per diem allowance for each official including the driver: **$0.12** per mile.

3. The driver official receives the total **($0.695 per mile)** of the travel allowance plus the per diem allowance. The travel and per diem allowance is partially based on the travel distances between cities as prescribed for State of Montana employees using personal vehicles for business purposes. This travel allowance is established for the entire fiscal year commencing on July 1 and continuing through June 30 of the following year. Distances to determine mileage allowances will be those listed on the official Montana Department of Transportation map. The mileage allowance is based upon the shortest paved distance from the contest site to either the (1) official's home, or (2) pool site. However, an official whose residence is a greater distance than the pool site may receive travel fees from their residence if the hiring school agrees to pay the additional amount during the regular season.

4. The per diem allowance for invitational/regular season tournaments is **$12** per mile or **$20** per day, whichever is greater, if the official does not stay overnight, and **$30** per day if the official does stay overnight. Officials working in their home city/pool site receive no travel allowance but will receive a **$10.00** per diem allowance per day if they work more than two contests during that day.

5. When separate officiating crews are requested or used for different contests which occur on the same date, schools must pay the driver official for each crew the required travel allowance when it isn’t feasible for officials to travel together. This applies even when the officials are from the same city or pool site.

**XXVIII. POSTSEASON FEE/EXPENSES**

B. The postseason expense allowances follow the regular season allowances with the following exceptions:

1. All postseason driver officials will be paid a round trip travel allowance from their home sites to the postseason tournament or playoff site except for the official who is a bona fide member of a pool outside his/her local pool. He/she will be paid a rider's allowance from the home site to the postseason tournament or playoff site. Whenever an official traveling to a playoff or tournament through a community where another official working the same playoff or tournament resides, the officials shall car pool and only the driver official will receive the one travel allowance. Both officials will receive the per diem allowance.

2. Officials staying overnight at a tournament site away from their home city receive a round trip travel allowance. If more than one official is assigned from one community, only one official is provided travel reimbursement from the common community to the tournament site. No travel allowance will be paid to any official other than the driver. An official receiving driver mileage to a tournament must arrange for the transportation of the other official(s) car pool to the tournament.

3. Each tournament official receives a **$30.00 per diem allowance for each overnight stay at the tournament site away from home for each day the tournament is in session. Each official who travels more than 200 miles one way will also be paid one additional day per diem and provided a room if they stay away from home for an extra night. Any official who officiates a Saturday night contest but chooses not to stay overnight, or an official who rides with an official in this situation shall receive the **$30.00 per diem for that day. The MOA office has discretion to apply the appropriate basketball tournament per diem schedule for postseason football contests.**

4. If inclement weather forces an extra overnight stay for those officials who are less than 200 miles from their home, the tournament manager must pay an extra day’s per diem and lodging to such officials.

5. Officials living less than 200 miles one-way from the tournament site and who are required to report to a tournament site one day early for meetings or weigh-
ins, or who must leave their home before 7:00 a.m. on the day of the tournament shall receive an extra day per diem if they commute to the site. If they are staying at the site and must leave their home before 7:00 a.m. to attend those meetings or weigh-ins, the official will be provided a room the night preceding the opening day of the tournament.

6. The tournament manager is responsible for arranging lodging for tournament officials. Lodging accommodations shall be paid from tournament receipts by the tournament manager. Officials choosing not to utilize lodging accommodations provided by the tournament manager are not entitled to any other lodging reimbursement. When feasible, officials shall be provided a single room. Lodging expenses may be provided from the receipts of a post season football playoff game when determined necessary by the MOA office.

7. When an official’s spouse attends the tournament, the official will pay the difference between the single and a double room rate.

8. Officials who commute daily from their home city to the tournament city or who alternate during the duration of the tournament contested on consecutive days between a daily commute and an overnight stay will receive one travel allowance per round trip commute (maximum of 150 miles per round trip) at the current prescribed mileage rate. Officials making more than one commute per day will only be compensated for a single commute.

9. A tournament official receives $20.00 per day for each day an official commutes to the tournament while the tournament is in session.

10. Tournament officials working in their home city/pool site receive no travel allowance but will receive a $10.00 per diem allowance for each day the tournament is in session.

11. Playoff Expenses – AA Volleyball, Basketball, Softball and Soccer, as well as Class A soccer. Mileage - $0.575. Per Diem - $0.12 per mile or $20.00 per day, whichever is greater, if the official does not stay overnight. If the official stays overnight, $30.00 per diem. In basketball and volleyball host city officials do not receive per diem. In softball, host city officials will receive $10.00 per diem (two out of three games playoffs).
