

# 2016 Plainfield Pee Wee Association, Inc. (7U and 8U) Sunday Showcase program

## What is Sunday Showcase baseball?

Sunday Showcase baseball is:

- A season of games played against teams from other communities throughout central Indiana.
- Played concurrently with PPAI regular season games and practices - and will not conflict with them.
- An excellent player development experience for the player with a high level of baseball interest and more advanced skills, along with parents committed to support this interest.
- Typically involves games scheduled on Sunday afternoons and evenings from April through mid-June.
- Advanced learning and instruction oriented in a competitive play environment
- Volunteer supported by parents of players selected to the teams.

## What are the age limit rules?

PPAI (similar to other leagues in the area) has made a ruling on kids being able to 'evaluate up'. Age determinations for Pee Wee and Tee Ball are how old your child is on May 1st.

Eligible for 7U year old Sunday Showcase teams:

- 6 year olds that evaluated into Pee Wee
- 7 year olds in first grade

Eligible for 8U year old Sunday Showcase teams:

- 8 year olds
- 7 year olds wanting to play up.

A 7 year old trying to evaluate up on the 8 year old team will need to come to the 8 year old evaluation time. If the 7 year old doesn't make the 8 year old team, they will have their score eligible to participate on the 7 year old team. They will not have to evaluate twice.

## Sunday Showcase baseball clinic:

2-12 & 2-26 times 5:30-6:30 at Plainfield High School Field House.

This is a free clinic open to anyone wanting to be a part of Sunday Showcase. It is designed to give kids advanced training to prepare for Sunday Showcase tryouts for everyone interested.

<http://www.plainfieldpeewee.org> - it will be updated when/if details are finalized.

## Sunday Showcase try-outs

Tryouts will be held on March 5 from 9-11am for the 7U team and at 11:00 - 1:00pm for the 8 year old team at Plainfield High School Field House.

\*Dates are subject to change, the website will be updated when/if they do.

**NOTE:** Sunday Showcase baseball is NOT a guarantee to play on post-season Plainfield 7 or 8U All-star teams. All-star teams are selected based on player performance during recreation league play only.

## Parent Commitment level

If you as a parent are unwilling to commit your Sunday afternoons to the Sunday Showcase program - we completely understand. We just ask that you don't join this program half-hearted and end up missing games and practices. That takes spots away from other players that could ultimately benefit from the extra development and coaching.

## Coaches

7U - Head Coach: TBD

8U - Head Coach: TBD
