

How do I add an iCal Feed to a Smart Phone?

Purpose: A calendar can be pulled from the Sport Ngin platform into a smart phone to keep track of events for a particular player.

Step 1: Navigate to a Calendar Page

Step 2: **Select the Tags that are only relevant to you**

Step 3: Select **Subscribe to iCal Feed** on the bottom of the Calendar

Step 4: Copy the iCal Feed Link

iPhone Instructions:

Step 1: Tap the Settings on your iOS device's Home screen

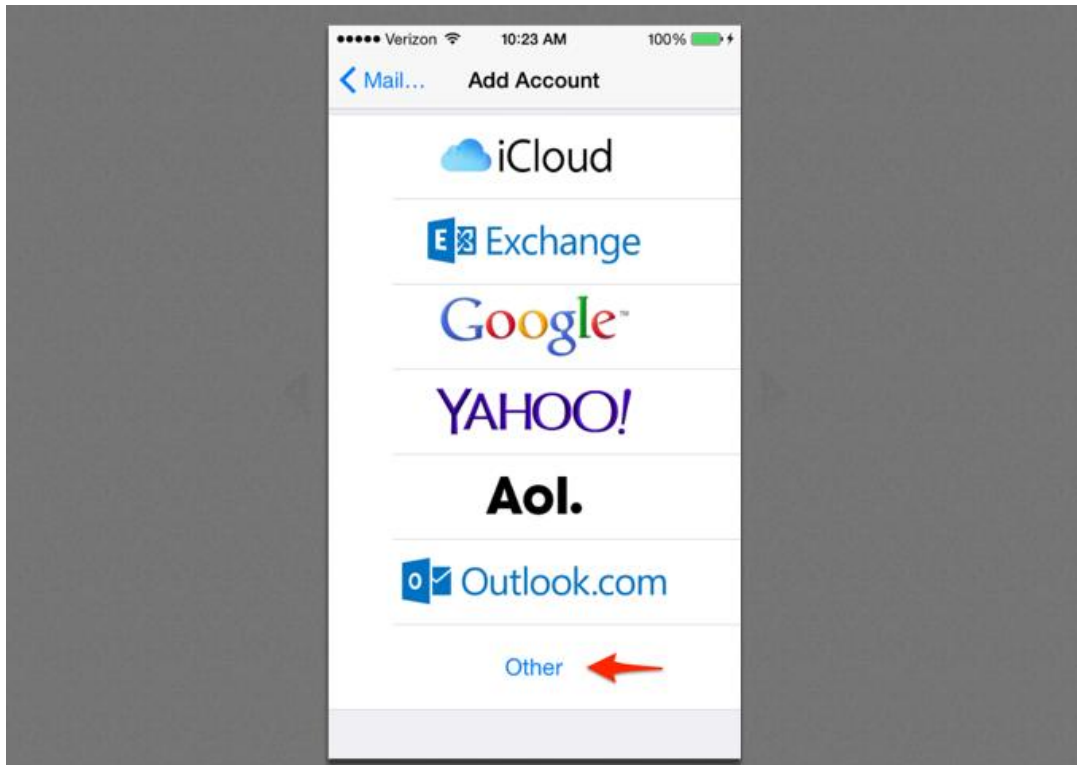

Step 2: Select "Mail, Contacts, Calendars," then tap "Add Account" in the Accounts section.

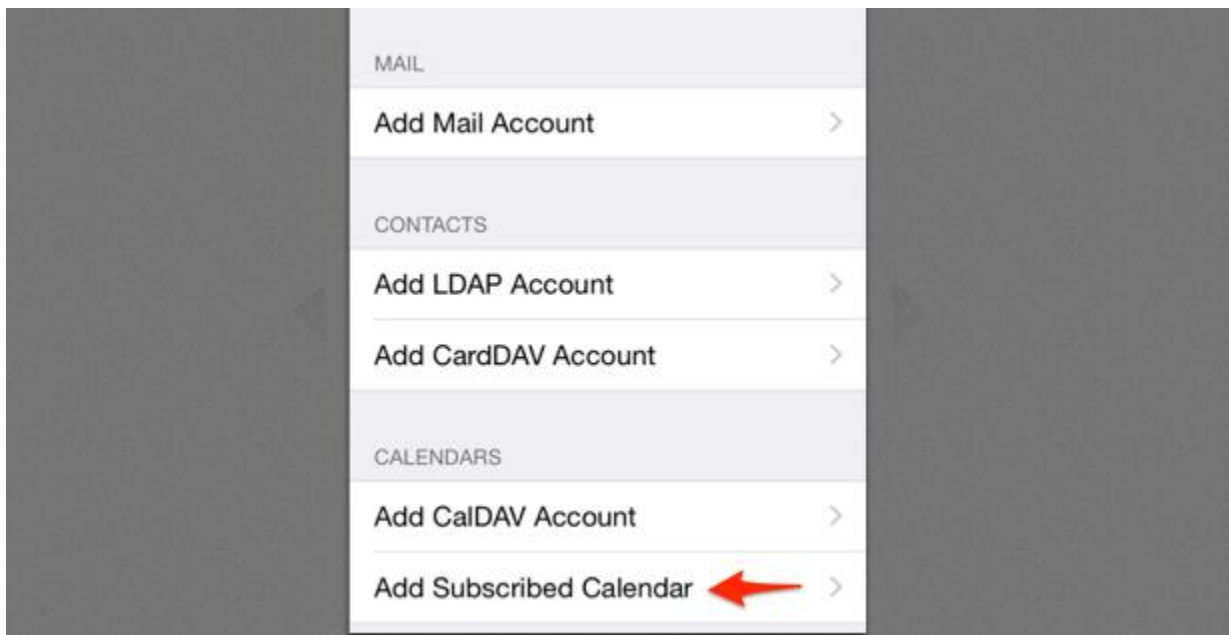

Step 3: Select Add Account

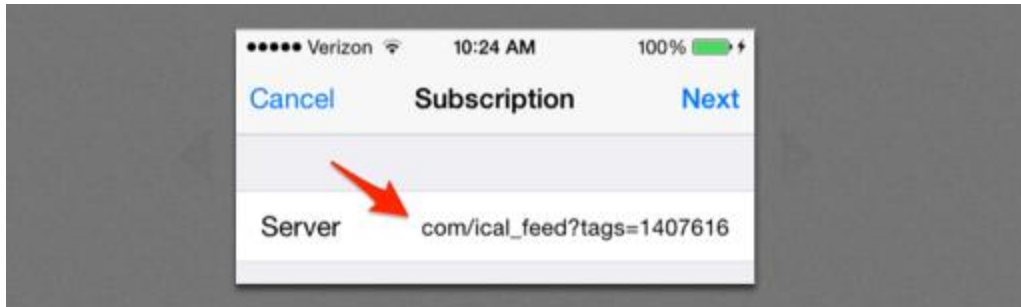

Step 4: Select "Other"

Step 5: Select "Add Subscribed Calendar"

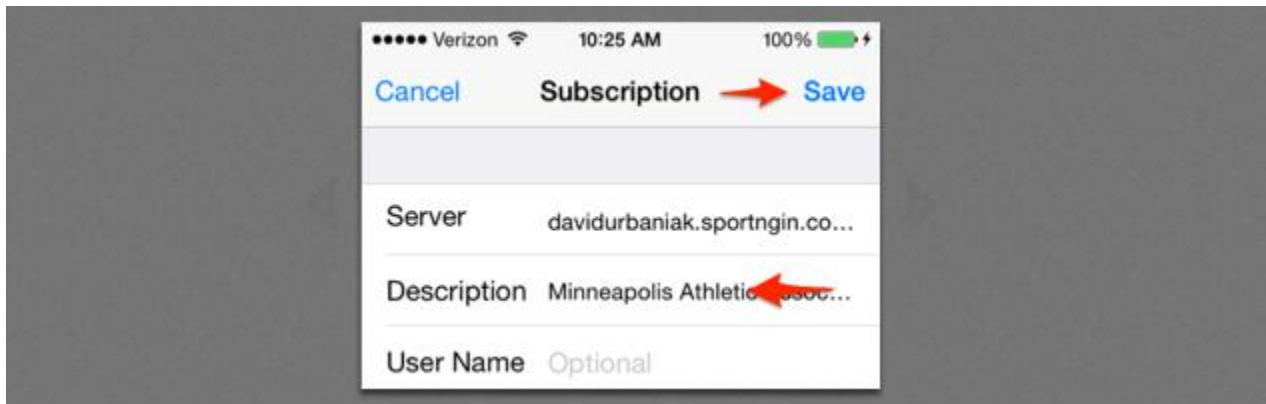

Step 6: Paste in iCal Link that was copied from the Calendar in to the Server Field

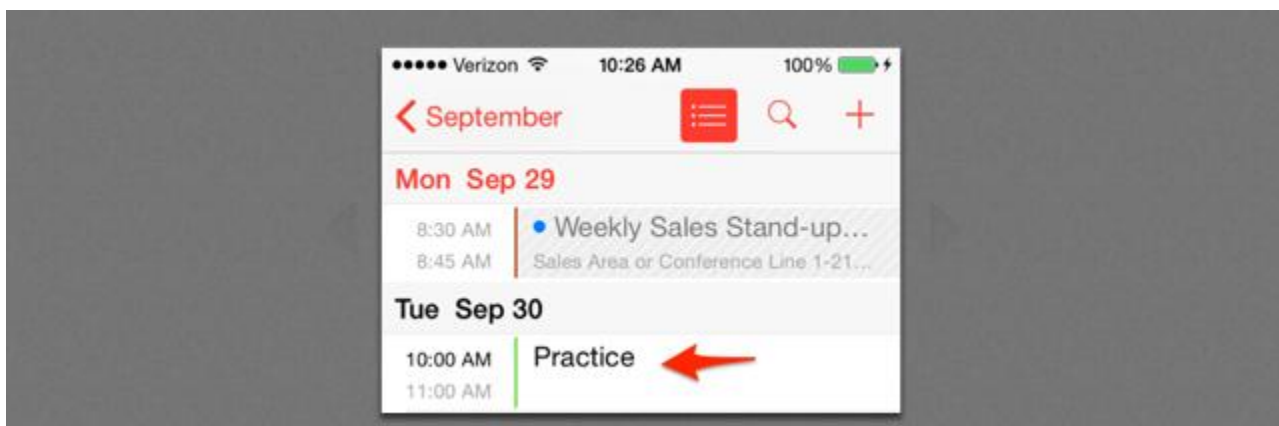

Step 7: Tap "Next," then enter a name for the calendar in the Description field.

Step 8: Tap "Save" to add the calendar to the Calendar app.

Step 9: View the Calendar

Android Users Instructions:

Note: To add an iCal Feed to an Android phone, this must be done on a computer.

Step 1: Navigate to: www.google.com/calendar/

Step 2: Log In to the Google Calendar that is used on your Android Phone

Step 3: Select Other Calendar

Step 4: Select "Add by URL"

The screenshot shows the Google Calendar interface. On the left, there is a sidebar with a 'CREATE' button and a calendar view for October 2014. The main area displays a calendar grid with various events. A dropdown menu is open under 'Other calendars', showing options: 'Add a coworker's calendar', 'Browse Interesting Calendars', 'Add by URL' (highlighted with a red arrow), 'Import calendar', and 'Settings'.

Step 5: Paste in iCal Link that was copied from the Calendar

The screenshot shows the 'Add by URL' dialog box. The 'URL:' field is filled with the text: `webcal://www.woodburyhockey.com/ical_feed?tags=439`. Below the field, there is a checkbox labeled 'Make the calendar publicly accessible?' which is unchecked. At the bottom, there are two buttons: 'Add Calendar' (highlighted with a red arrow) and 'Cancel'.

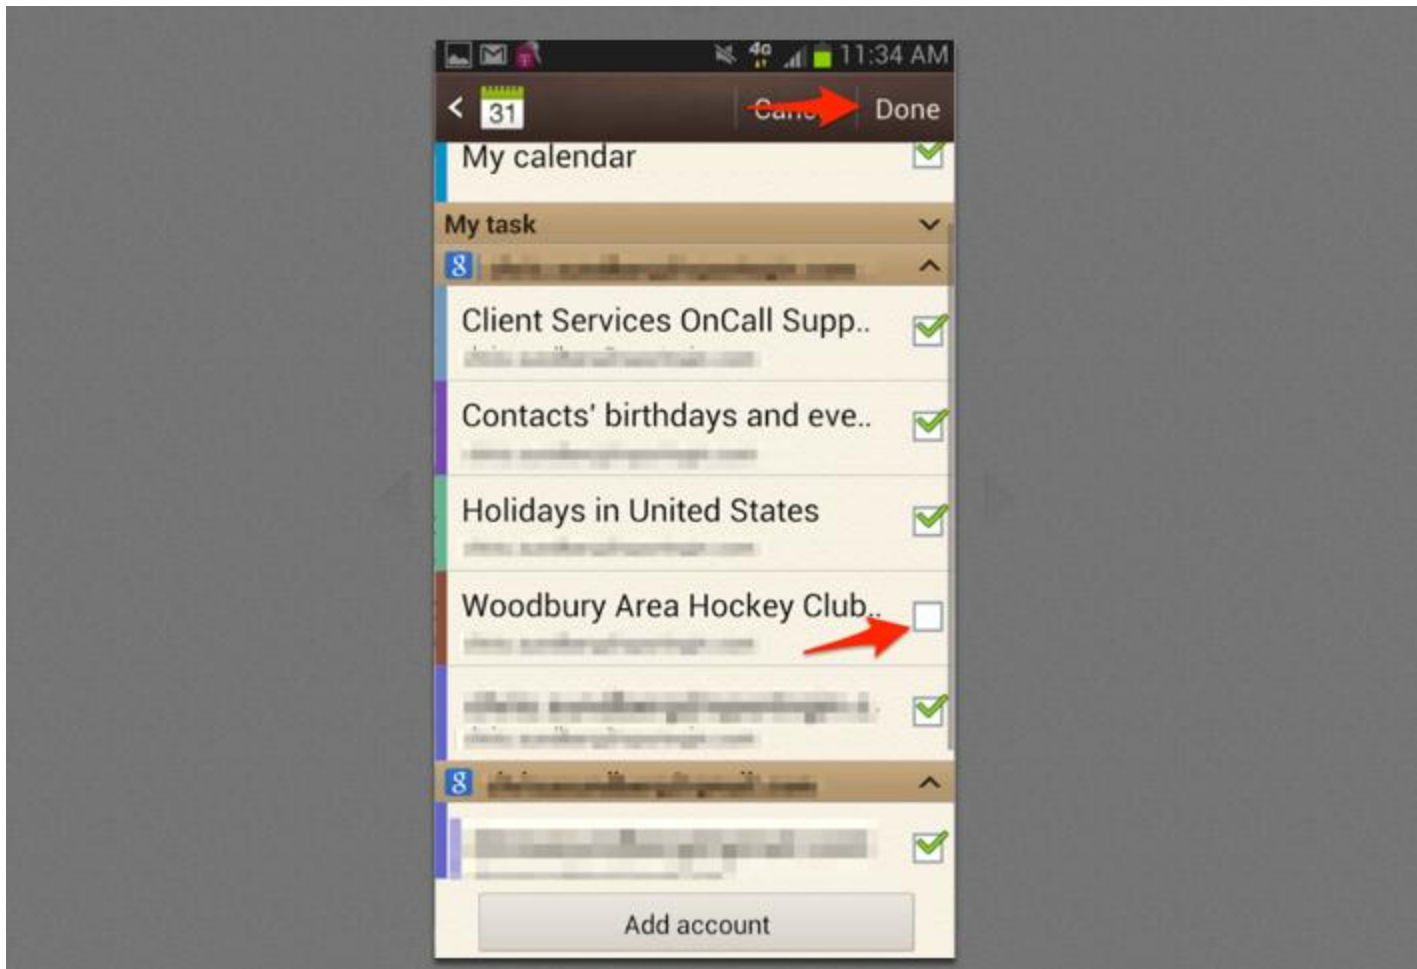

Step 6: Open up the Calendar on your Android Phone

Step 7: Select Calendars

Step 8: Select the Calendar you would like to View and Done

Step 9: View New Event
