

## Congratulations on Qualifying for the WWF State Kids Folkstyle Tournament

The WWF has made available to you a State Qualifier Patch to commemorate this occasion. State Qualifier Jackets are also available. The cost of the patch is \$10 and the jacket is \$65 plus tax. This will be the thirteenth year the patch and jacket have been available. The jacket is navy, red, and white in color (same jacket as 2015). To view the jacket and patch please go to the WWF website, [www.wiwrestlingfederation.com](http://www.wiwrestlingfederation.com) and click to the Kids State Folkstyle page to find the link to the picture.

### NOTICE

This year we only have one week between the Qualifying Event and State. As a result we will not have enough time to process all orders and have them ready for pick-up at state. We will have a preset number of Jackets available and will accommodate orders on a first come, first served basis.

We will do our best to accommodate everybody that wants a jacket, but our supply at the State Tournament will be limited. Unfortunately it is impossible to predict exactly what sizes and quantities will be needed for pickup at State. We will order an inventory based on the past two year's history, giving us the best chance of having the size available that everyone wants. We will fill orders by size based on the date we receive your order in the mail/fax. In other words, orders we receive early in the week will have a better chance of being filled at the State Tournament than orders we receive late in the week.

**We can guarantee that all orders postmarked on or before *Wednesday, March 23rd* will be filled and shipped at no additional cost to you after State. Orders postmarked after *March 23rd* will need to add \$9.95 shipping.**
