# Welcome to Fogerty Arena

Dear Bengal Hockey Fans,

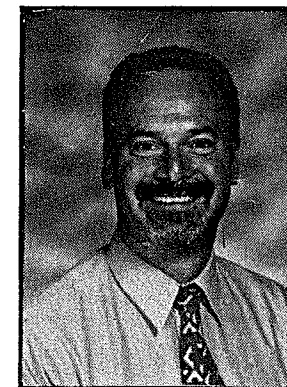

Welcome to what promises to be an exciting year of women's hockey here at Blaine High School. Those of you who are close to these athletes know the commitment they have made to their sport. We are proud of the success this commitment has produced in our program.

We are also proud of our association with the Northwest Suburban Conference (NWSC). The NWSC is committed to honorable competition and developing student athletes who display personal characteristics of poise, cooperation, leadership, perseverance and self-discipline.

In the same way that our athletes have committed themselves to their sport, let's commit to present our school and community as the model for the ideals our conference upholds!

Go Bengals!

Dear Bengal Hockey Fans,

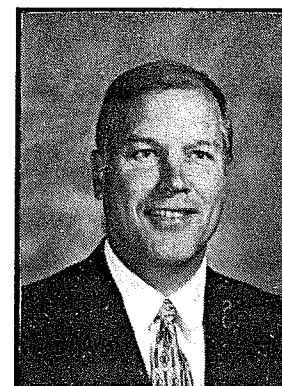

"Let's Play Hockey" is a familiar phrase heard often this time of year throughout the state of Minnesota. It signals a season that perhaps only we Minnesotans can truly appreciate. From the "Wild" in St. Paul to the frozen backyards of International Falls and everywhere in between, we love our hockey.

This year's Bengals will be an exciting group. Coach Bydlon returns a strong group of experienced skaters from the 1999-2000 squad and all of them have done the preparation it takes to be successful.

Thank you for your support of women's ice hockey at Blaine High School. I hope you enjoy the game as much as our athletes enjoy playing it.

Go Bengals!

1999-2000 Boys Hockey

“Assistant Coach of the Year”

## Steve Guider

Blaine High School, and particularly the Girls High School Hockey Team, would like to congratulate Steve Guider upon receiving this prestigious award. We feel very fortunate to have Steve as our goalie coach.

Steve, a 1987 graduate of Blaine High School, not only coaches goalies in the boys and girls hockey programs, but also coaches football in one of the most successful and respected programs in the state.

Steve dedicates countless hours throughout the year toward developing his players to perform to the very best of their abilities. Whether it is 5:00 a.m. or 10: p.m., Steve brings to the rink a vibrant enthusiasm that is extremely contagious. His knowledge and love of the game has benefited many athletes. There is no doubt that Steve impacts the lives of many, especially the athletes with whom he works.

His expertise and superb attention to technical detail has enabled many Bengal hockey teams to succeed, most recently the 1999-2000 Class AA Boys Minnesota State High School League Champions.

Steve's involvement in our community has touched the lives of all Blaine residents in one way or another. He is someone you can count on, someone who is there for you regardless. This is the purest of all gifts he's shared with many.

- ★ Every starting goalie Steve has coached has gone on to play college hockey (five in Division I and two in Division II).
- ★ Two goalies have received the award for Best in the State and have gone on to play professionally.
- ★ Awarded Section 4AA Assistant Coach of the Year 1996, 1998, 2000.
- ★ Coached five teams to the State Tournament including this year's State Champion.
- ★ Coached in the Olympic Development Program at both the State and National level.

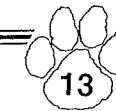

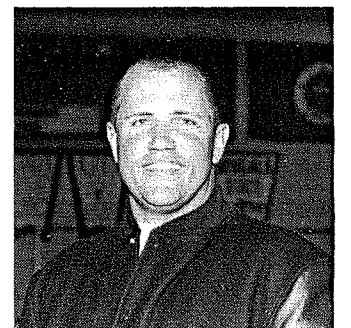

Again, Blaine High School and the Girls Hockey Team would like to congratulate Steve on this distinguished award. It is but a small token of appreciation for a man who has given so unselfishly to our youth and our community.

Thanks Steve, you're the best coach an athlete could ask for. Best of luck this coming season as the Bengals strive for excellence.

Thanks, "Guides."

Love,

*The Bengals*
