

## Video Streaming Kit

- (1) Mobile Hotspot
  - (2) Chargers
  - (1) Phone
  - (1) Battery Backup with Cord
  - (1) Tripod with phone mount
  - (1) Extension Cord with three way outlet
- 
- Have you ensured that the hotspot is charged and working?
  - Have you ensured that the phone is charged and working?
  - Have you ensured that the phone automatically connects to the hotspot?
  - Have you ensured that the software is installed on the phone?

When you are finished for the night, please ensure that you plug in the phone and hotspot so that this is ready for the next week. It is up to the tournament hosts from each week to ensure the hotspot hand off.

Thanks for all of your great work!
