

Rialto Youth Soccer League

Dear Prospective Sponsor:

At Rialto Youth Soccer League (RYSL) we provide a fun, safe and healthy game for all children. Children are different and because they are different their physical, social and psychological needs are different. RYSL recognizes this and our programs are aimed at meeting the needs of all children. For the player who is primarily interested in fun, fitness and friendship, RYSL provides a healthy activity that focuses on fun and development and not on winning at all costs. Every child is guaranteed a playing time of at least 50% of the game and is taught in a fun and enjoyable atmosphere. For the player with advanced skills and greater ambition, higher competitive teams are offered.

RYSL is a dynamic body of over 400 tireless volunteers and administrators, donating time and energy in order to make the game of soccer better for children between the ages of four and seventeen. RYSL is a non-profit and educational organization whose mission is to foster the physical, mental and emotional growth and development through the sport of soccer. Our current registration of over 1,200 children has made RYSL one of the largest youth organizations in the city of Rialto. RYSL's aggressive Risk Management program helps to ensure the safety and well being of all its members.

As a non-profit organization, we obtain the funds for our operating costs from several sources. These sources include but are not limited to: Fund Raisers, Registration Fees, Team and League Sponsors. Funds from these sources cover such costs as uniforms, pictures, participation trophies, registration and insurance for each child, equipment (balls, cones, nets, goals), field maintenance, coach and referee clinics and publicity.

We are able to hold down player costs with the generous help of community team and league sponsorships. At this time we are soliciting the financial support of Team and League Sponsors from businesses, such as the one you represent, which are willing to make a donation. Any donation is appreciated and every Sponsor who generously makes a donation of \$150.00 or more to a team, is recognized with the name of their business placed on the team banner that is displayed at each game, in the newsletter each week and on our website; RYSLonline.com. League sponsors are also acknowledged on a banner at the park, in our newsletter each week and also on our website. Please remember that each donation is tax deductible.

Thank you for your consideration of this request and we hope you will join us in the effort to provide a wholesome outlet for our community's youth.

Sincerely,
Members and Board of Directors
