- Amendment to February meeting agenda was approved
- Michael Jaskiewicz and Molly Mahoney addressed the board with girls' hockey: Michael stated that she has a hard time being at Monday meetings and is never notified of meetings to attend. She explained how the girls program started at IYHL and how she is trying help it grow here. Every year it is based on who signs up. Last year 2015-16 no mite team, 1 squirt team and had a coed peewee team. Sent out survey to 40 people and received 29 back. Michael said she would get a copy of the results to the board members. Highest ranked on survey was being competitive and playing with girls. She would like to see an evaluation skate for all girls for NIHL for a 14u team. If NIHL model does not produce a team, then try to get a tournament team. She would also like some scheduling help for tournaments and friendly games for the girls. She wants to have our branding (Gaels name, apparel that is affordable). If there is any way to distribute money to help support the growth of girls hockey.
- Evaluations was brought up as having issues for spring and fall. The board is going to look into making evaluations better or try to improve it.
- Finances are looking good for year end
- Mike McNeill discussed Compton classroom and was looking into what the needs might be of the league in the future, discussion was made about a checking clinic for up and coming bantams
- Nick gave Spring hockey update: just starting season, going well so far
- Chris will have registration up early this year
- Motion to adjourn
- Next meeting May 16, 2016 at Notre Dame 7:00
